

our iclicker experience

PSY 100 Sections 3669 & 9325 Fall 2007

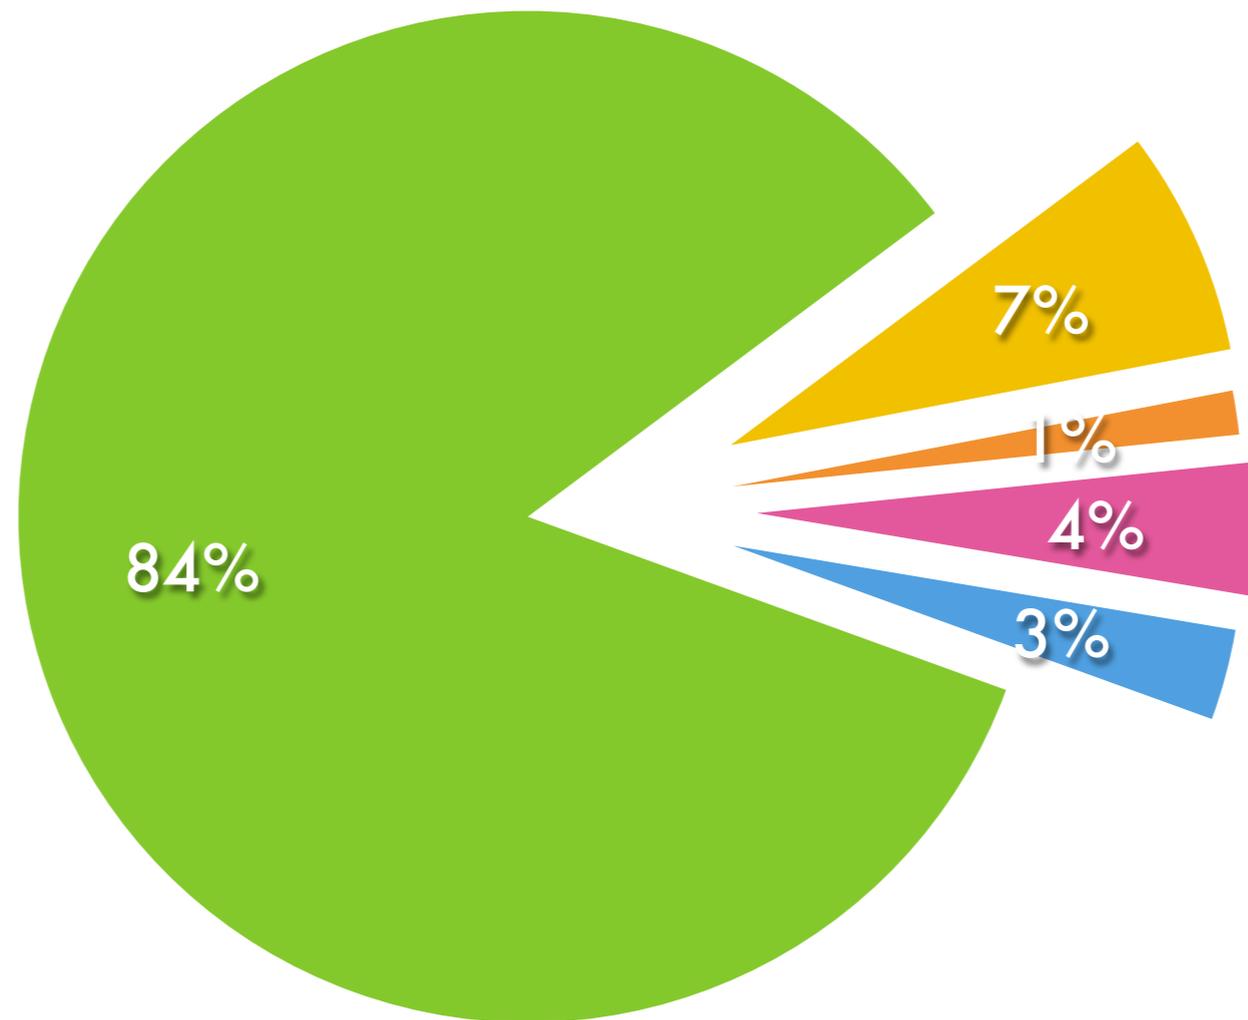

Demographics

Who we "are" - PSY 100 Sections 3669 & 9325

Age

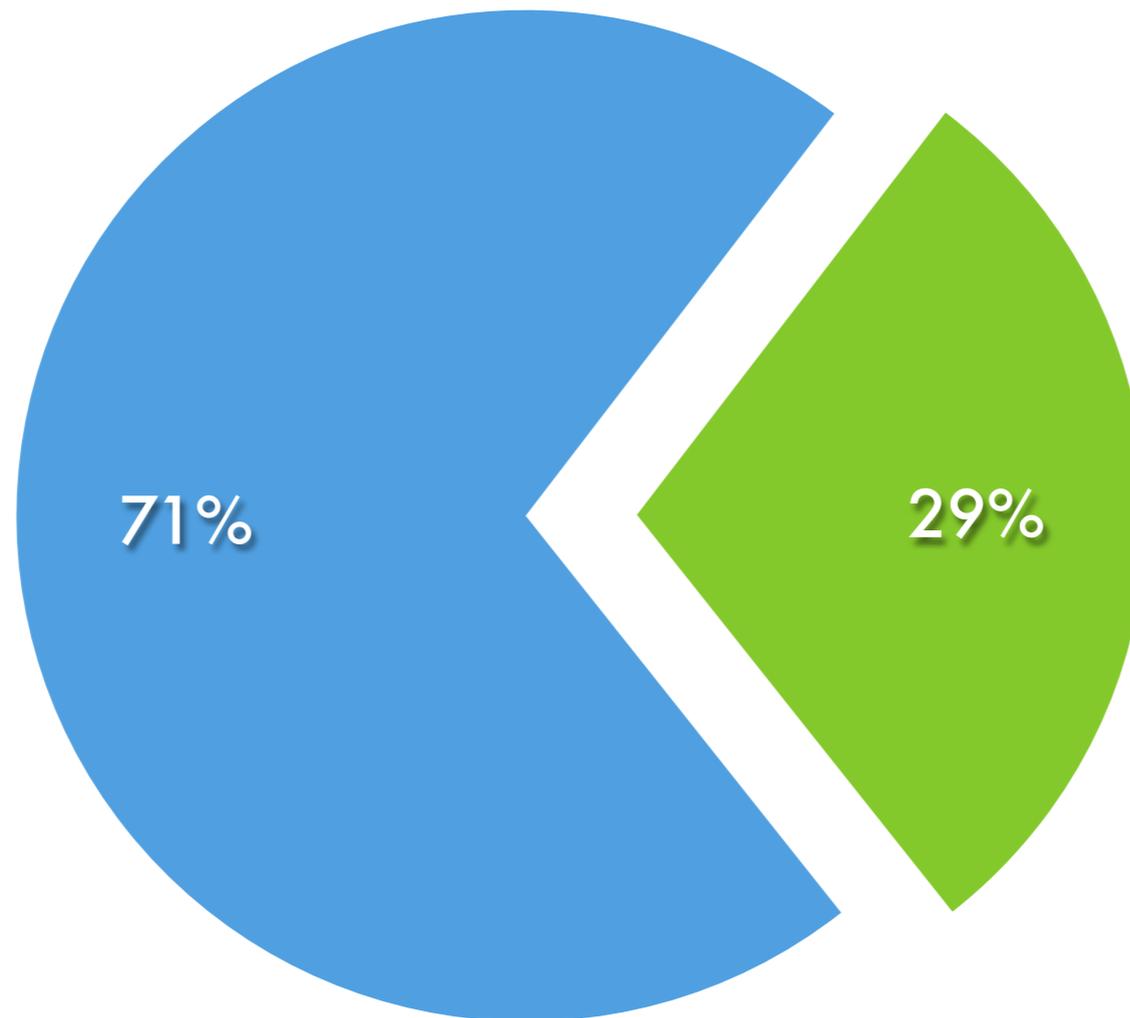

n = 71

● under 18 ● 18-21 ● 22-25 ● 26-34 ● 35+

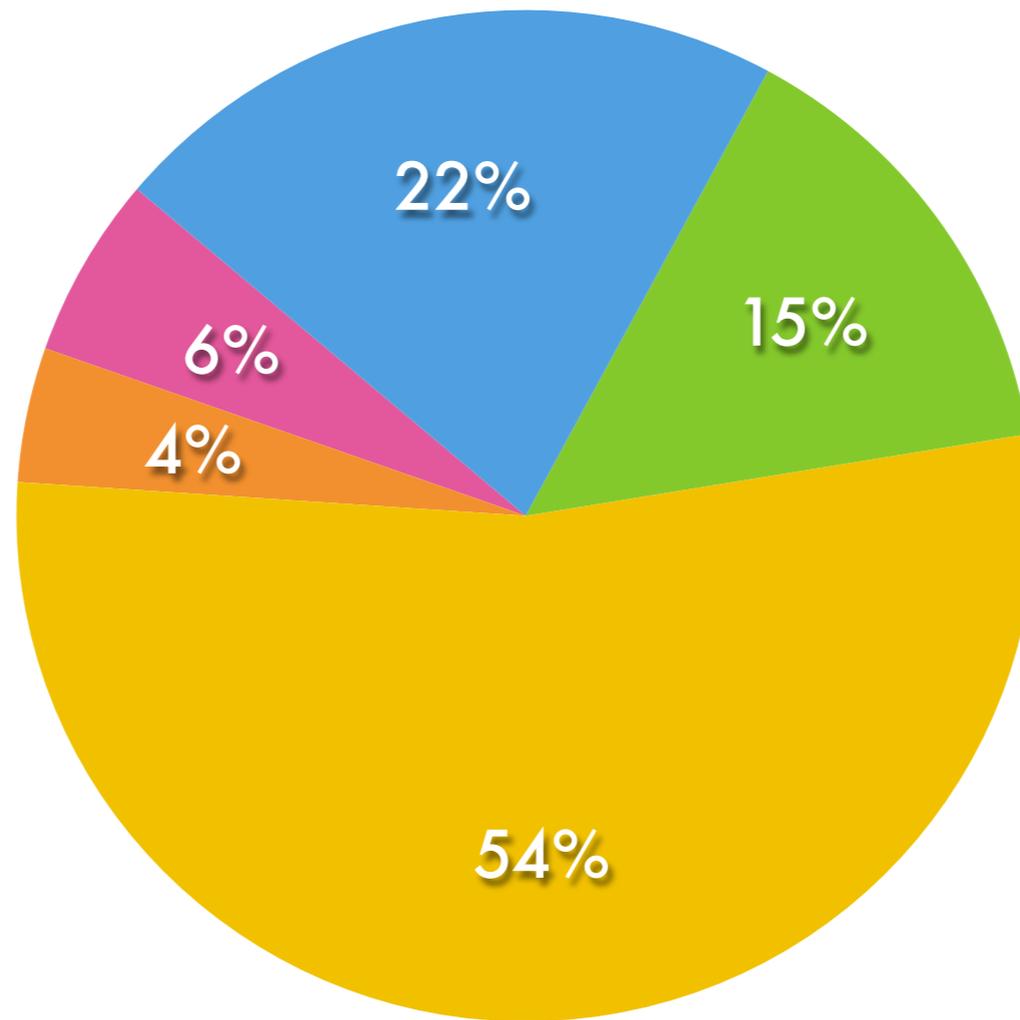

Gender

● Femal ● Male ● Transgender

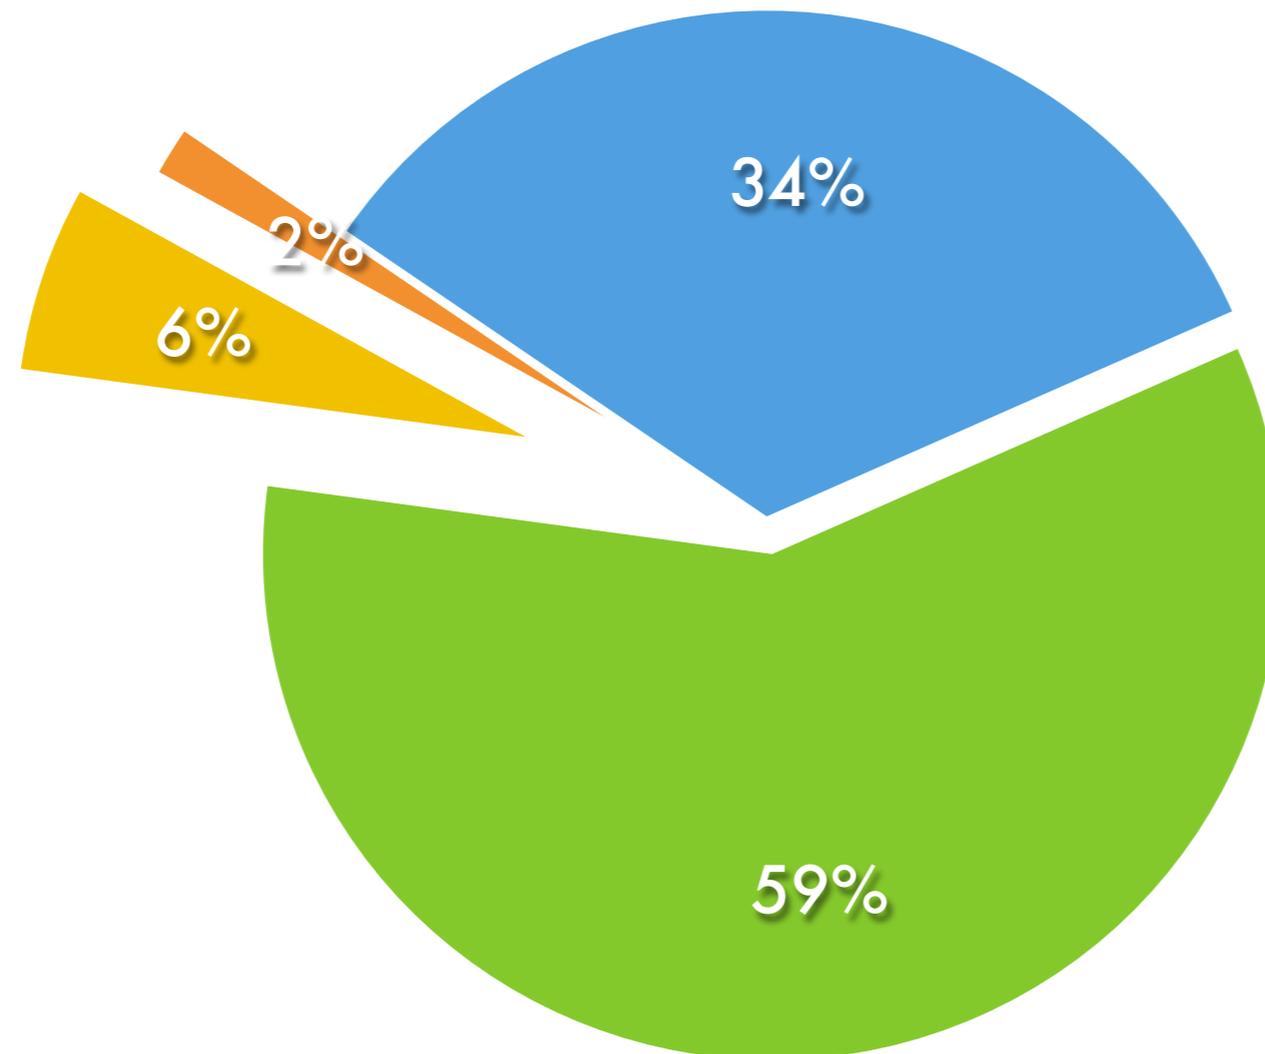

Race

Socio-Economic Status

n = 71

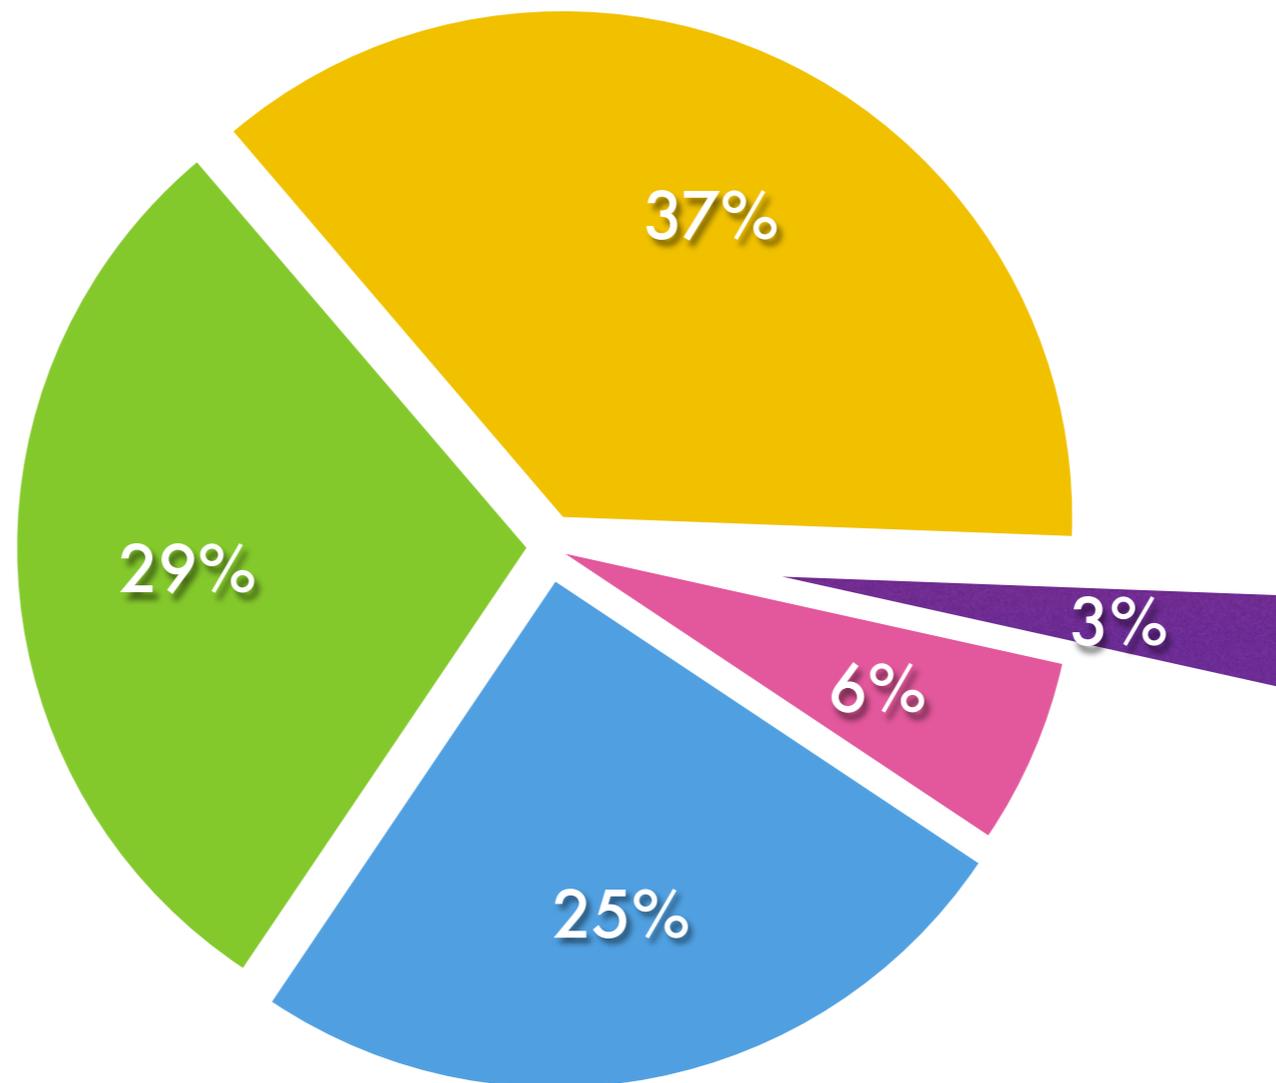

- student not working
- student professional
- student working
- student trade union

Financial Aid/Book Voucher IS Covered

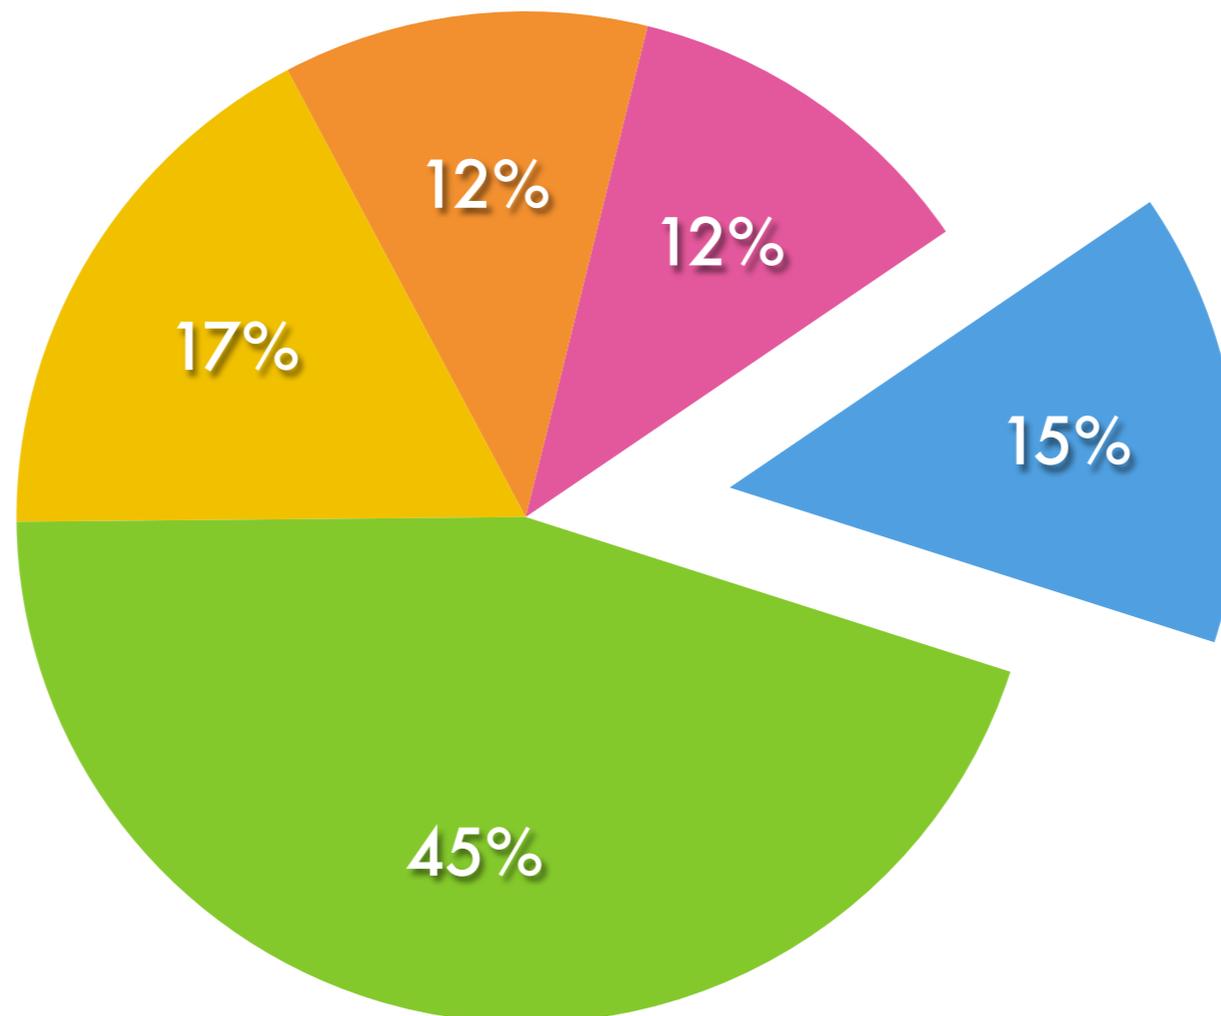

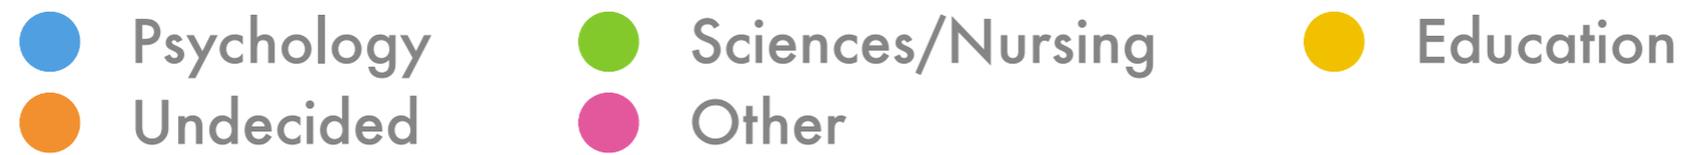

n = 1

- in full
- partially
- NOT!
- by a scholarship
- Other

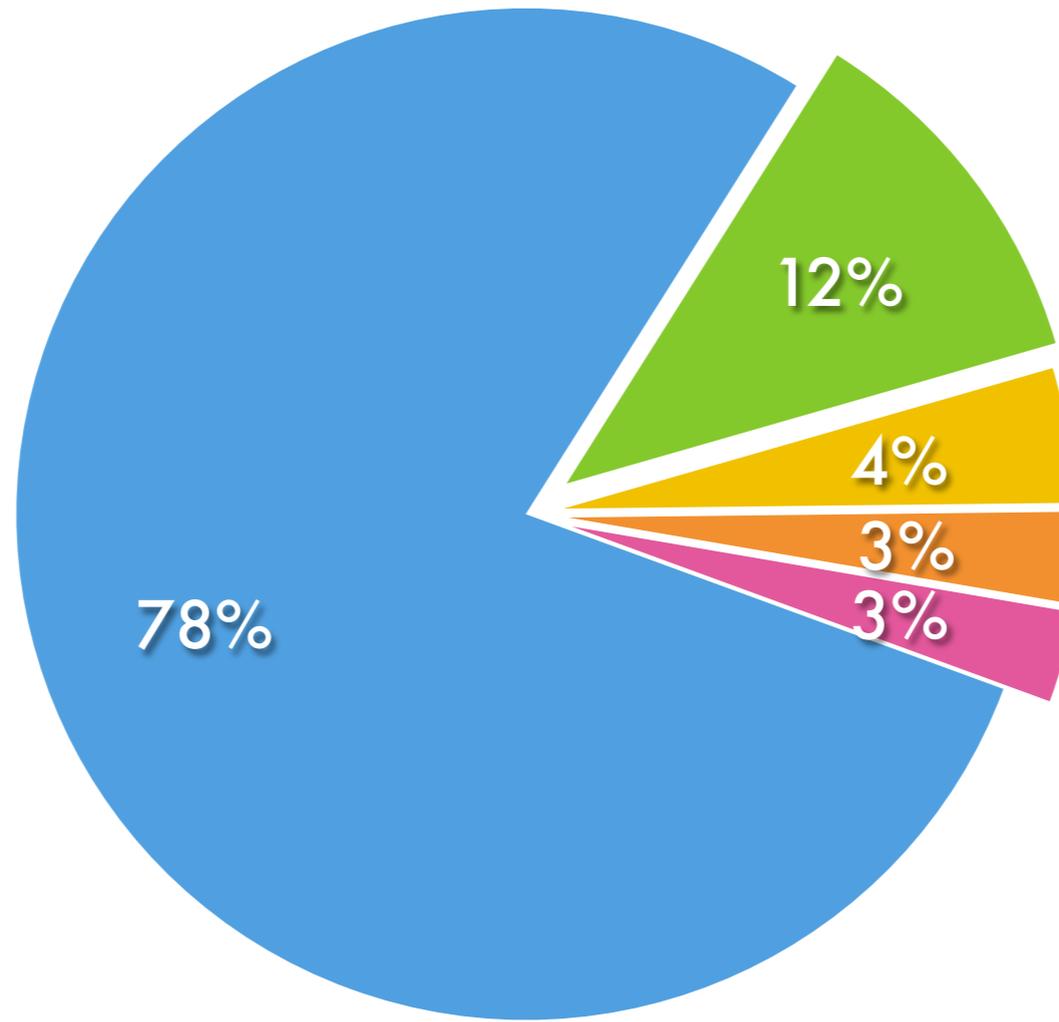

Major

n = 71

Year of School

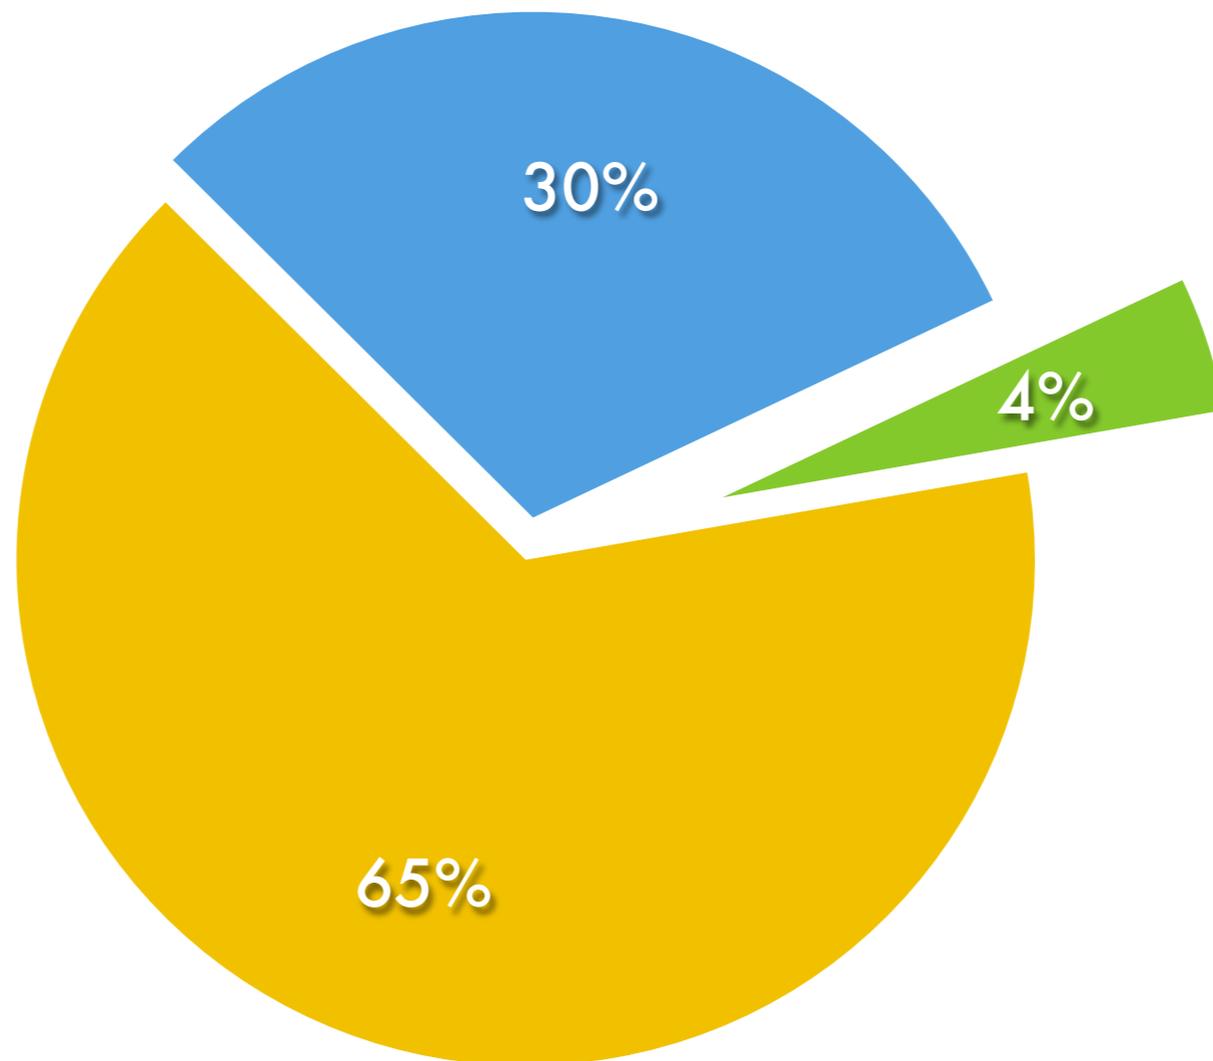

n = 71

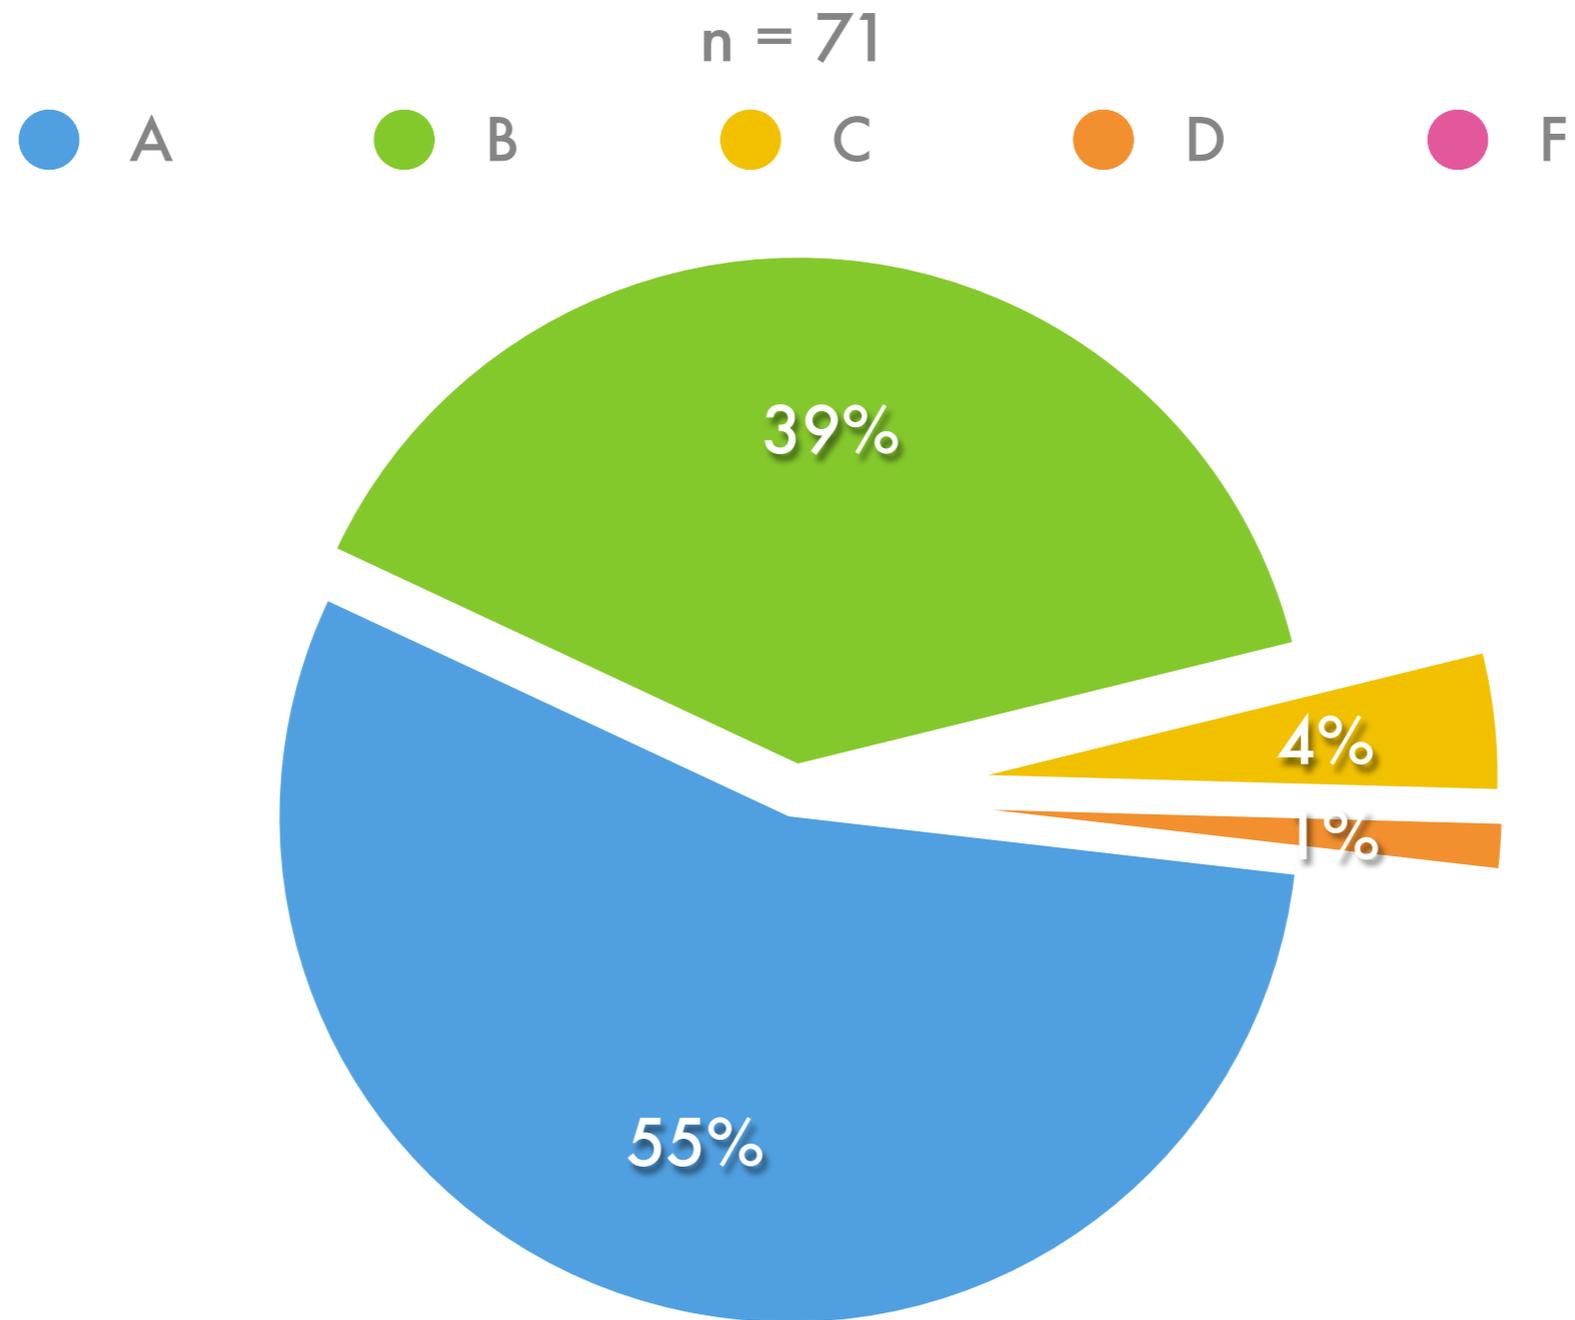

Borough Students Reside In

n = 71

- Brooklyn
- Bronx
- Staten Island
- Queens
- Manhattan

Grade Expected for PSY 100

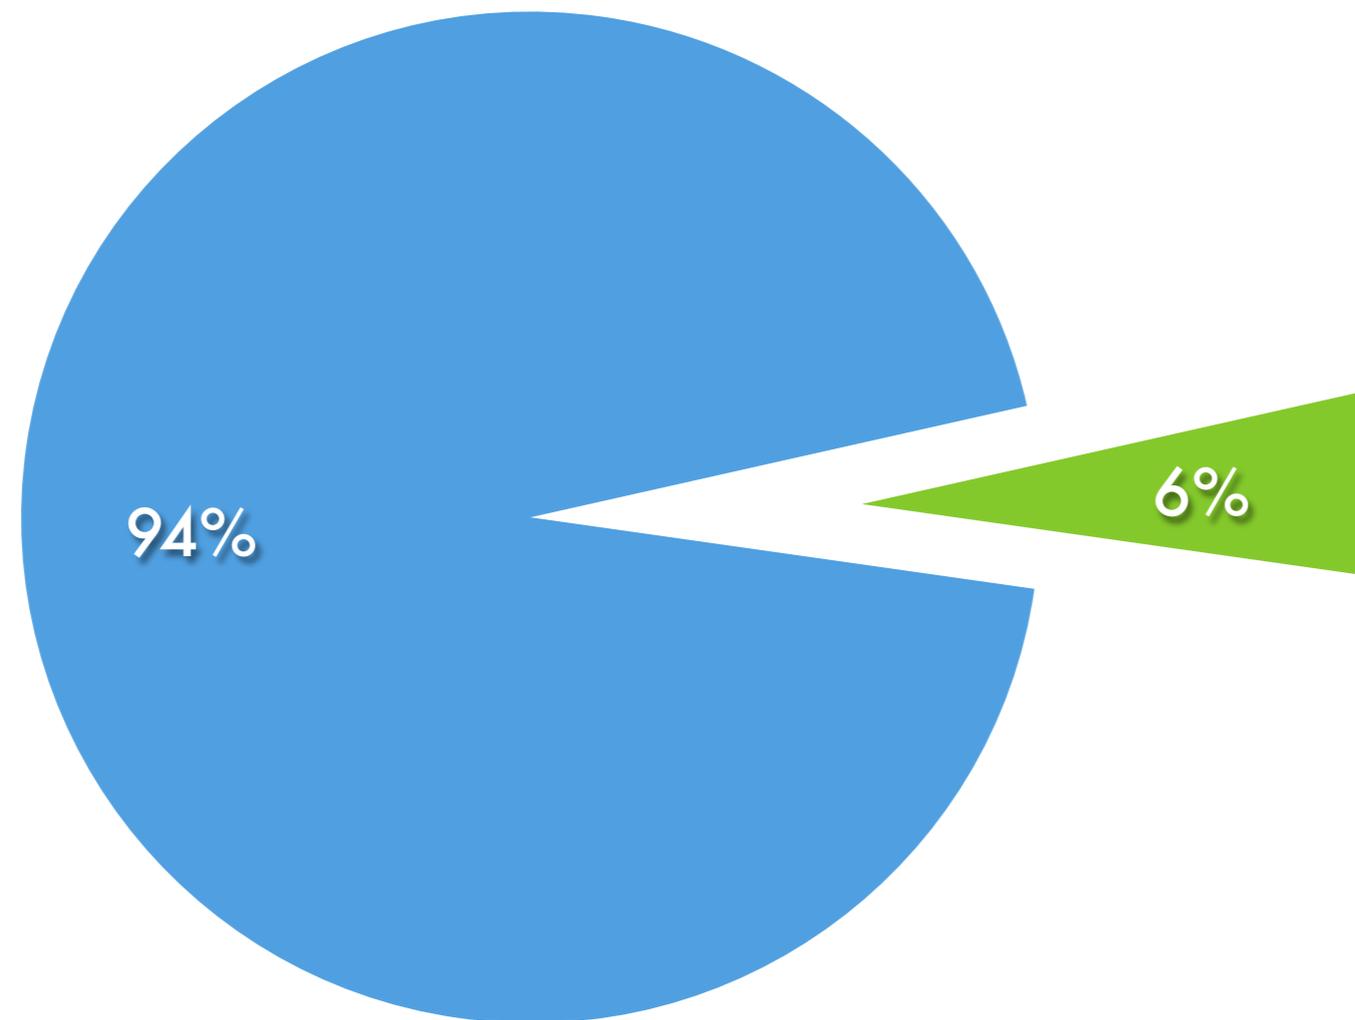

I have a disability:

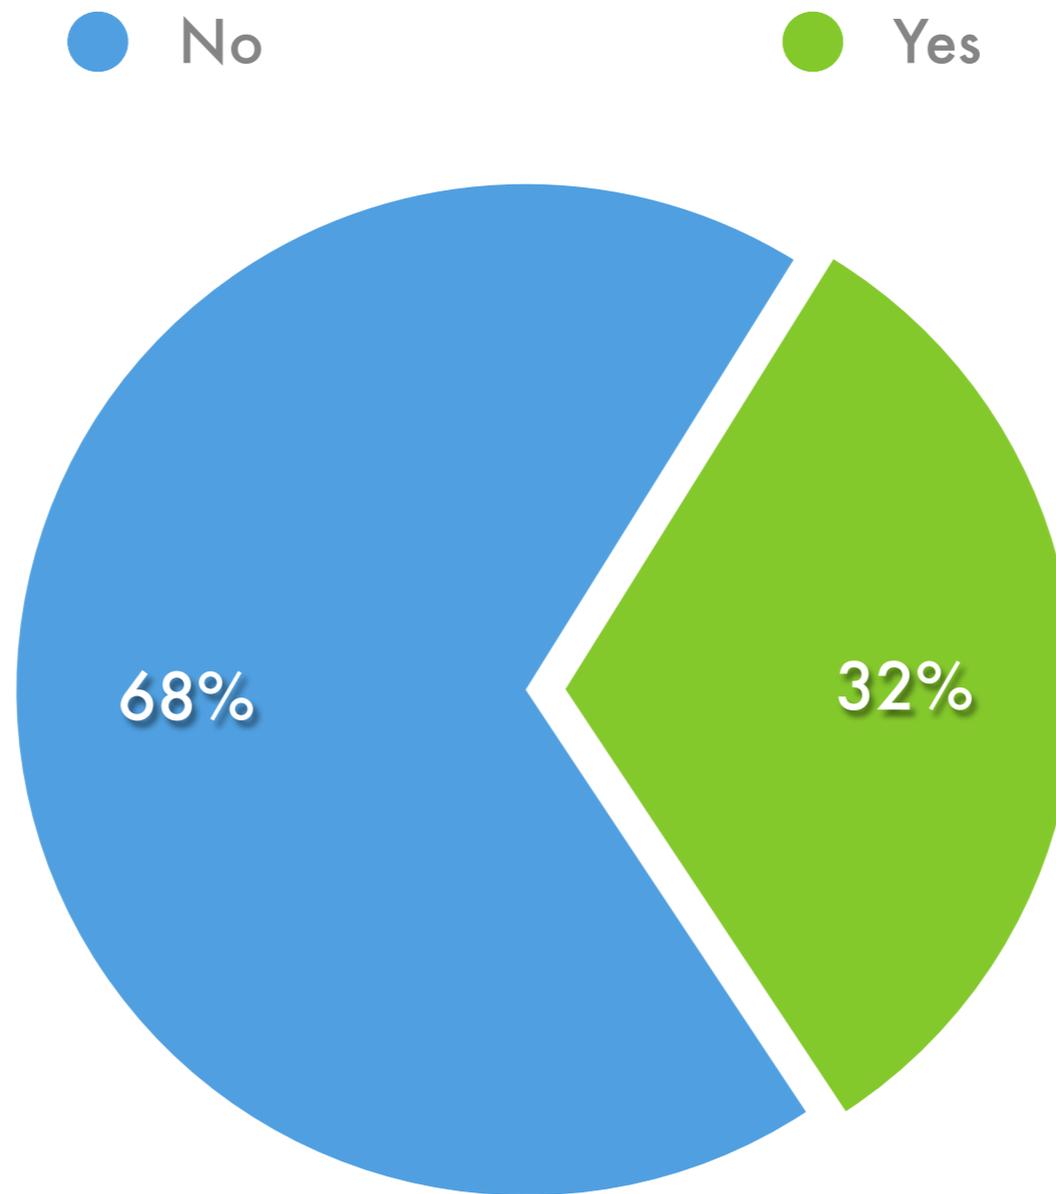

n = 71

● No

● Yes

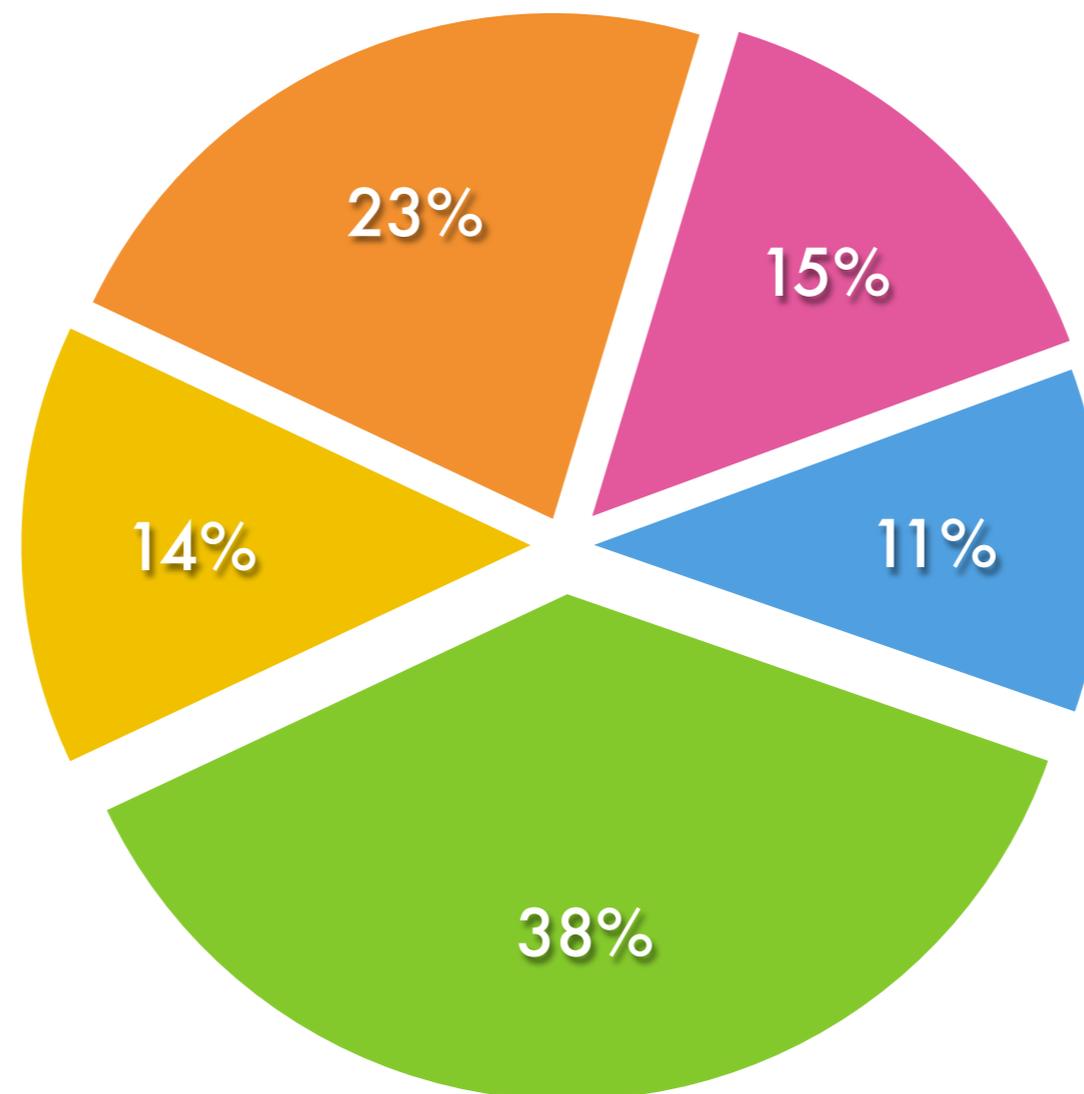

I mostly speak a language other than English

Favorite Psychological Approach

n = 71

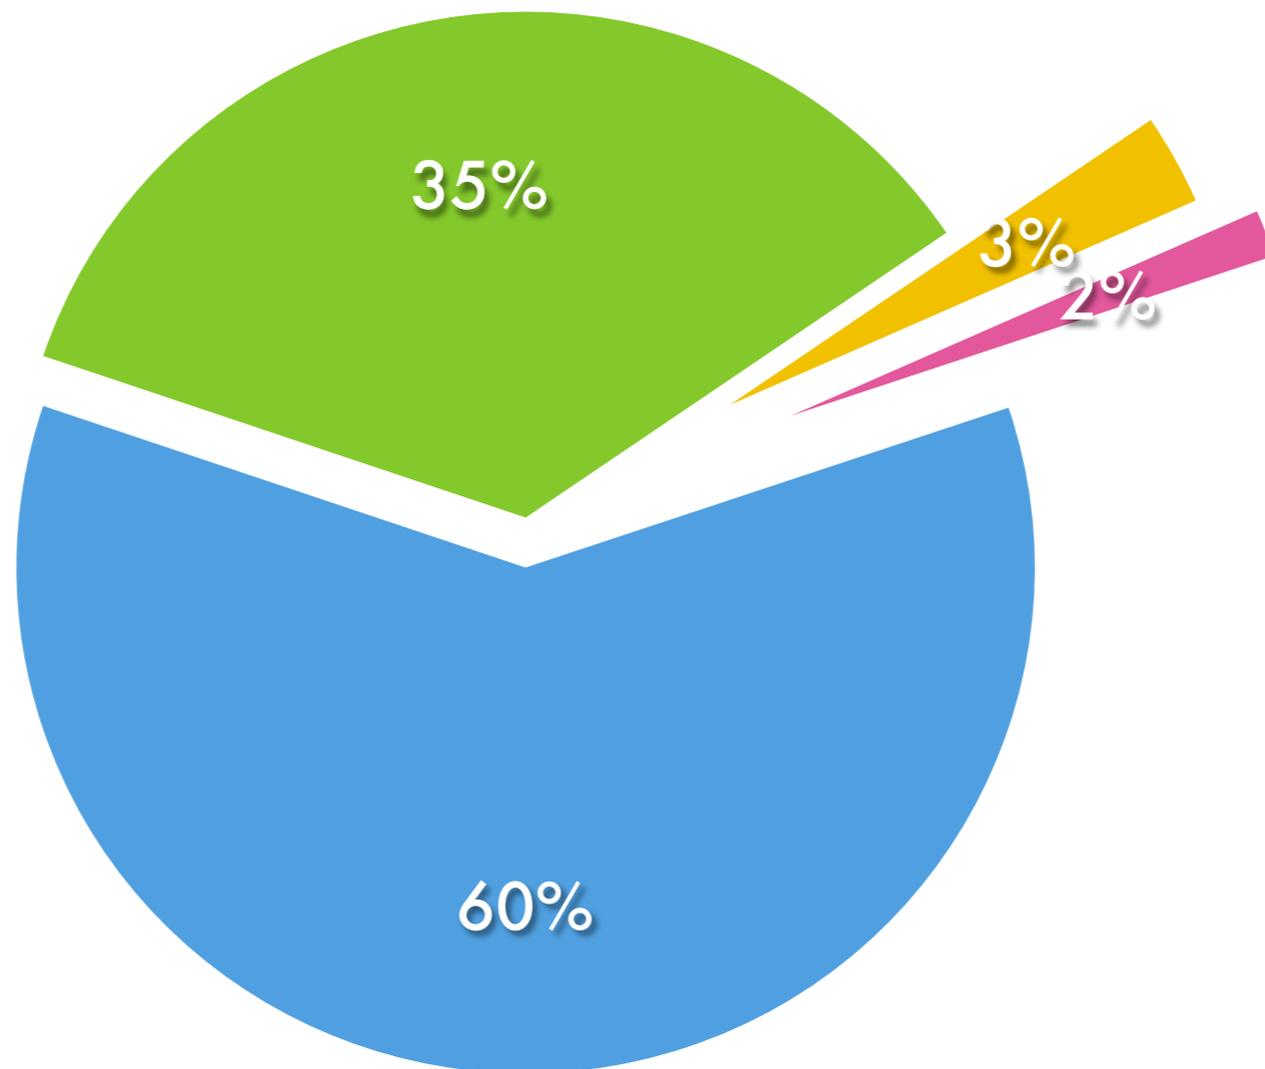

- Biological
- Behavioral
- Cognitive
- Humanistic
- Psychodynamic

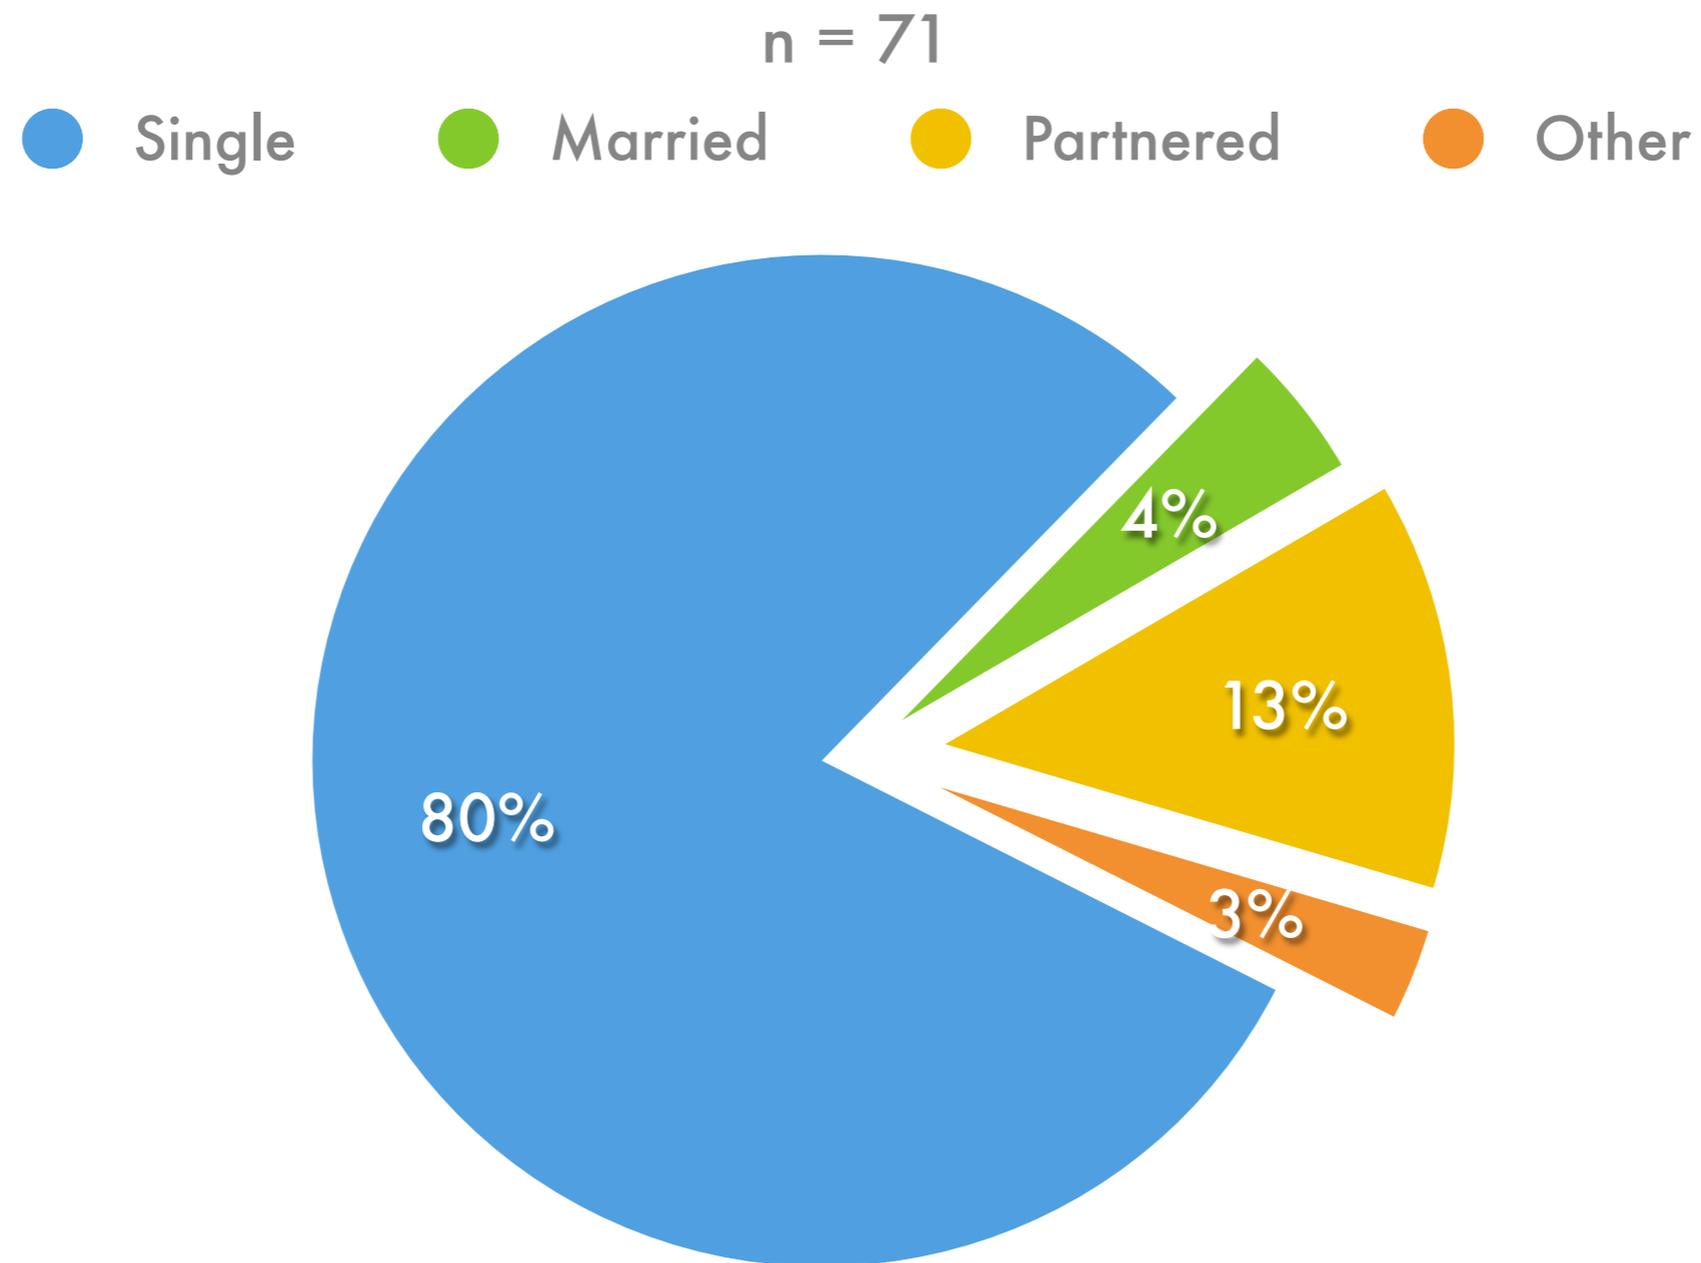

Overall Rating of Course

n = 71

- Wow! Excellent
- Fair
- I want my money back - complete waste of time
- Good
- Poor

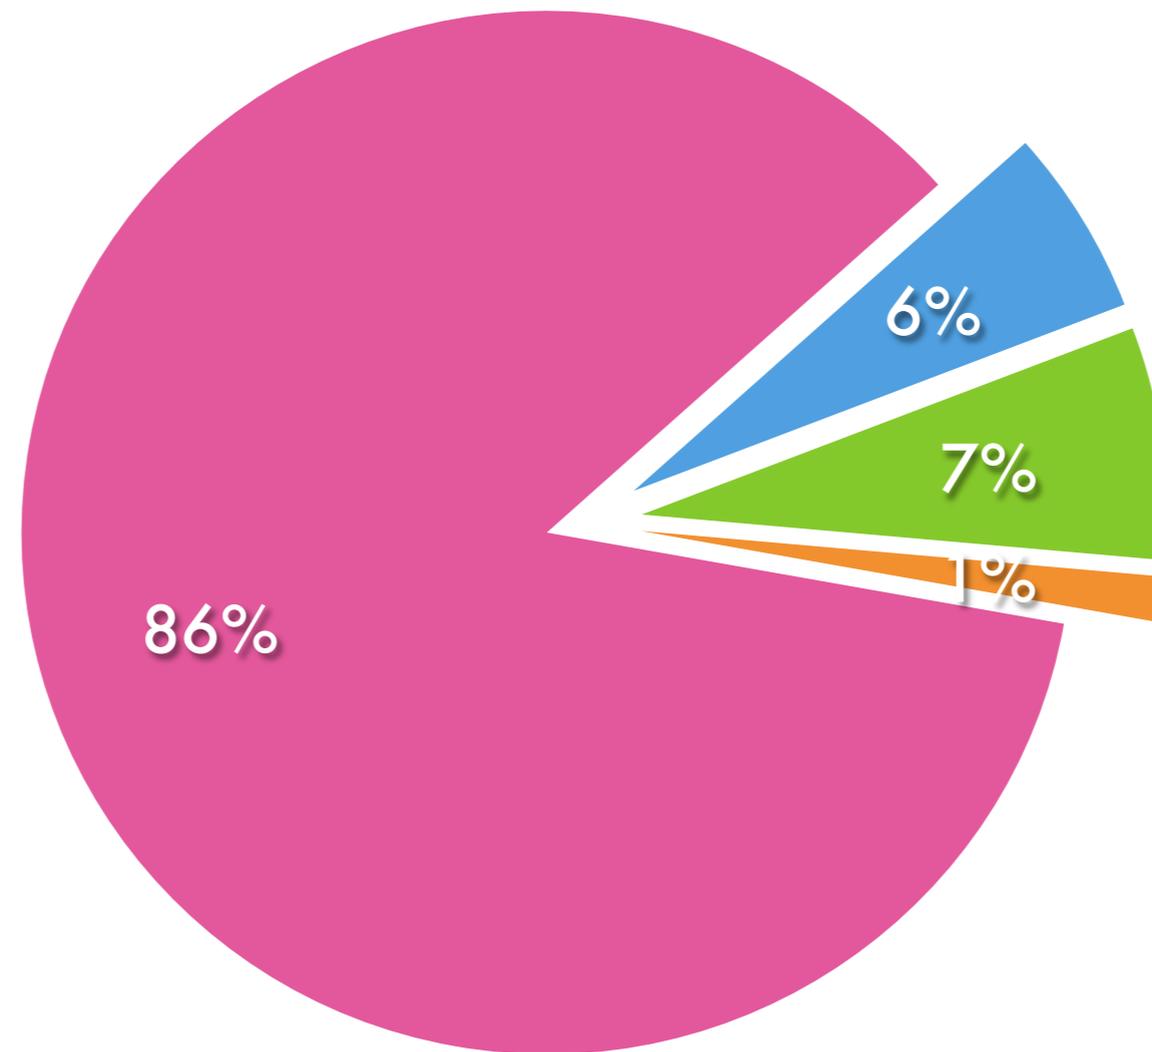

Marital Status

Children

n = 71

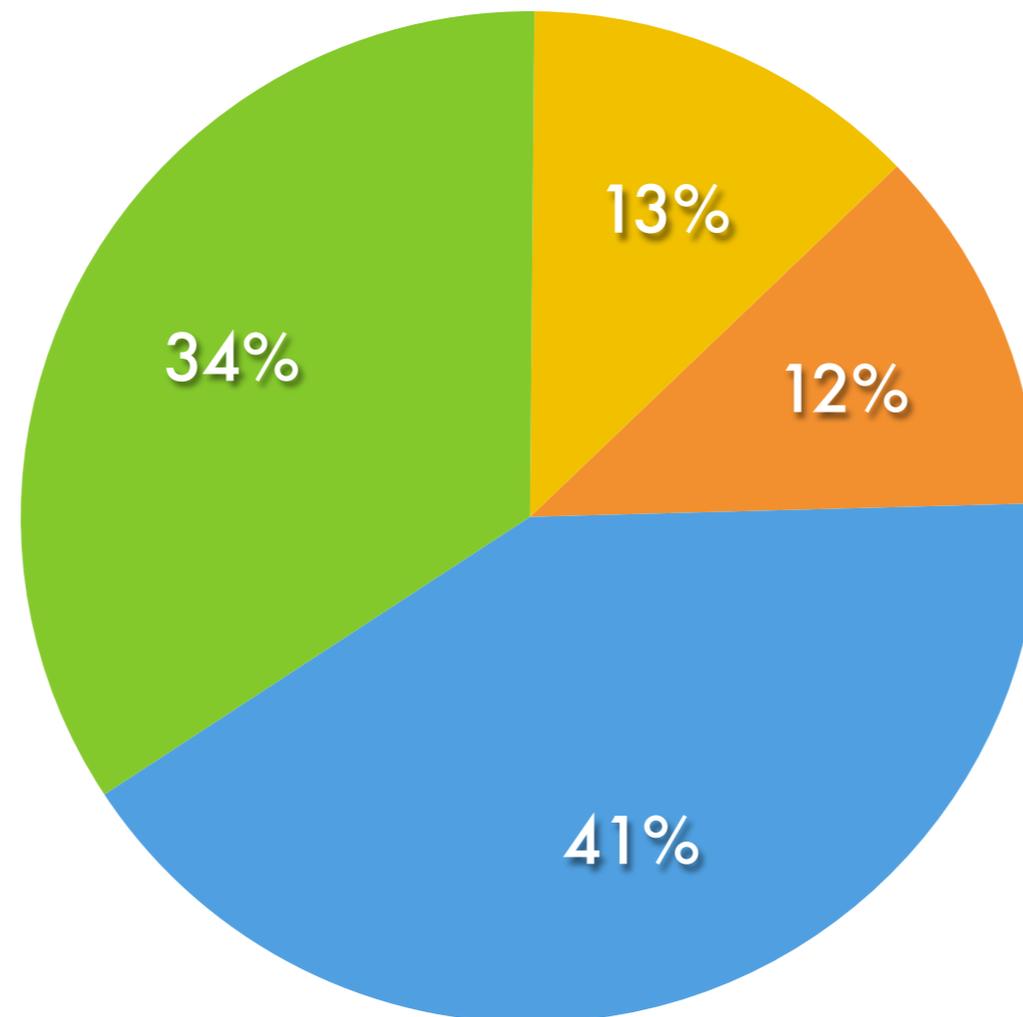

● Never ● 1 ● 2 ● 3 or more ● Someday?

Political Alignment

n = 71

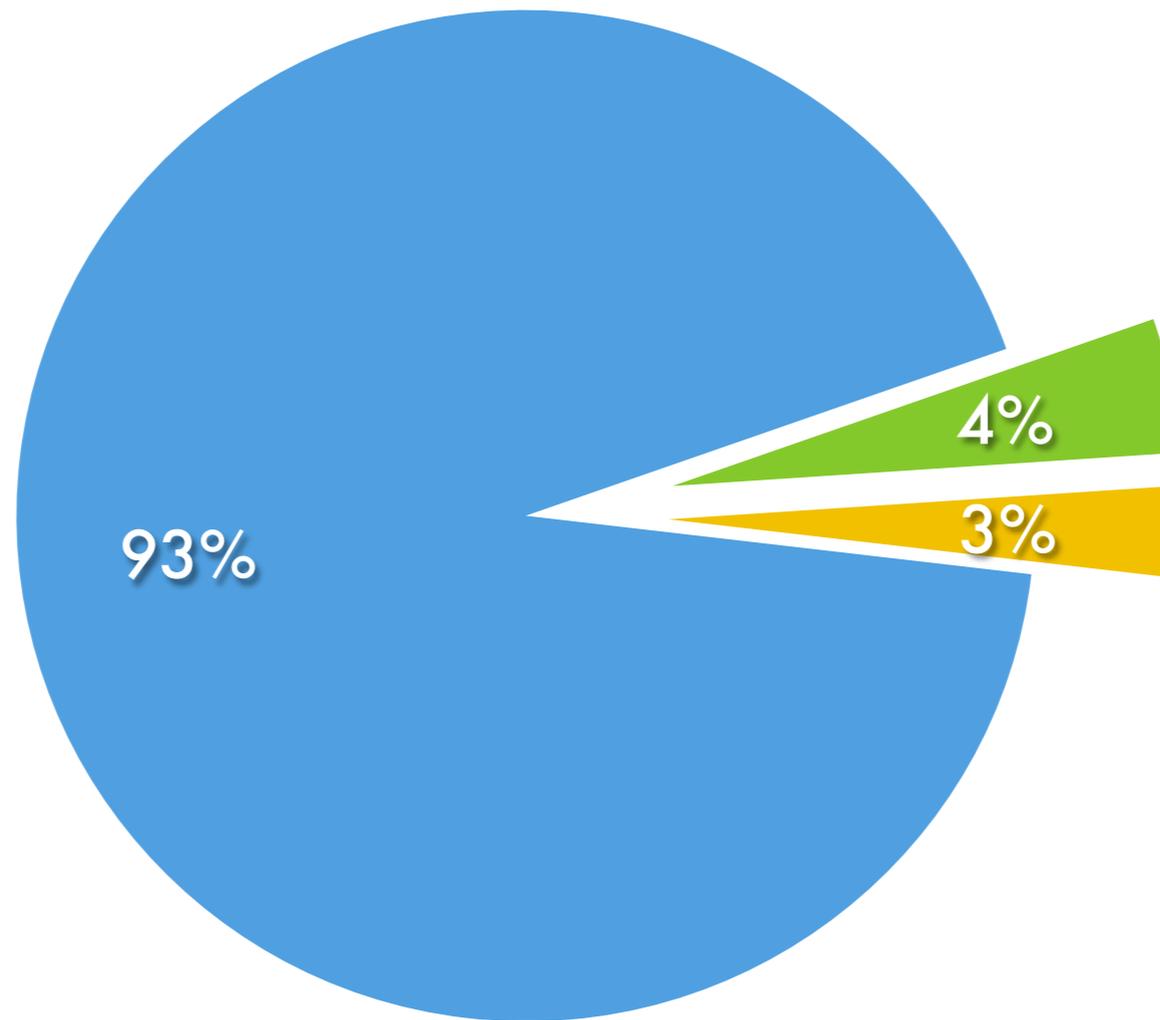

● Democrat ● Republican ● Independent ● Other

Sexual Orientation

n = 71

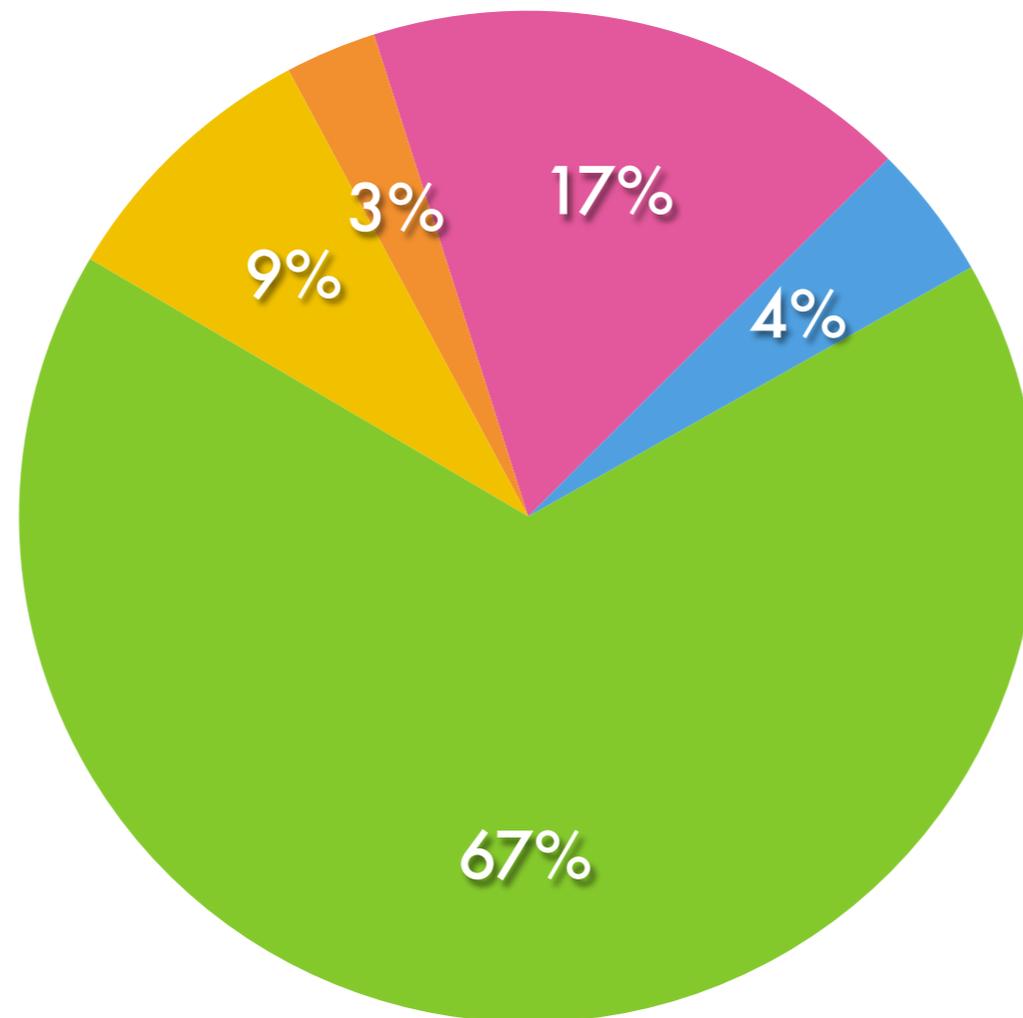

● Straight ● GLBTQ ● Why does this matter?

Religion

n = 71

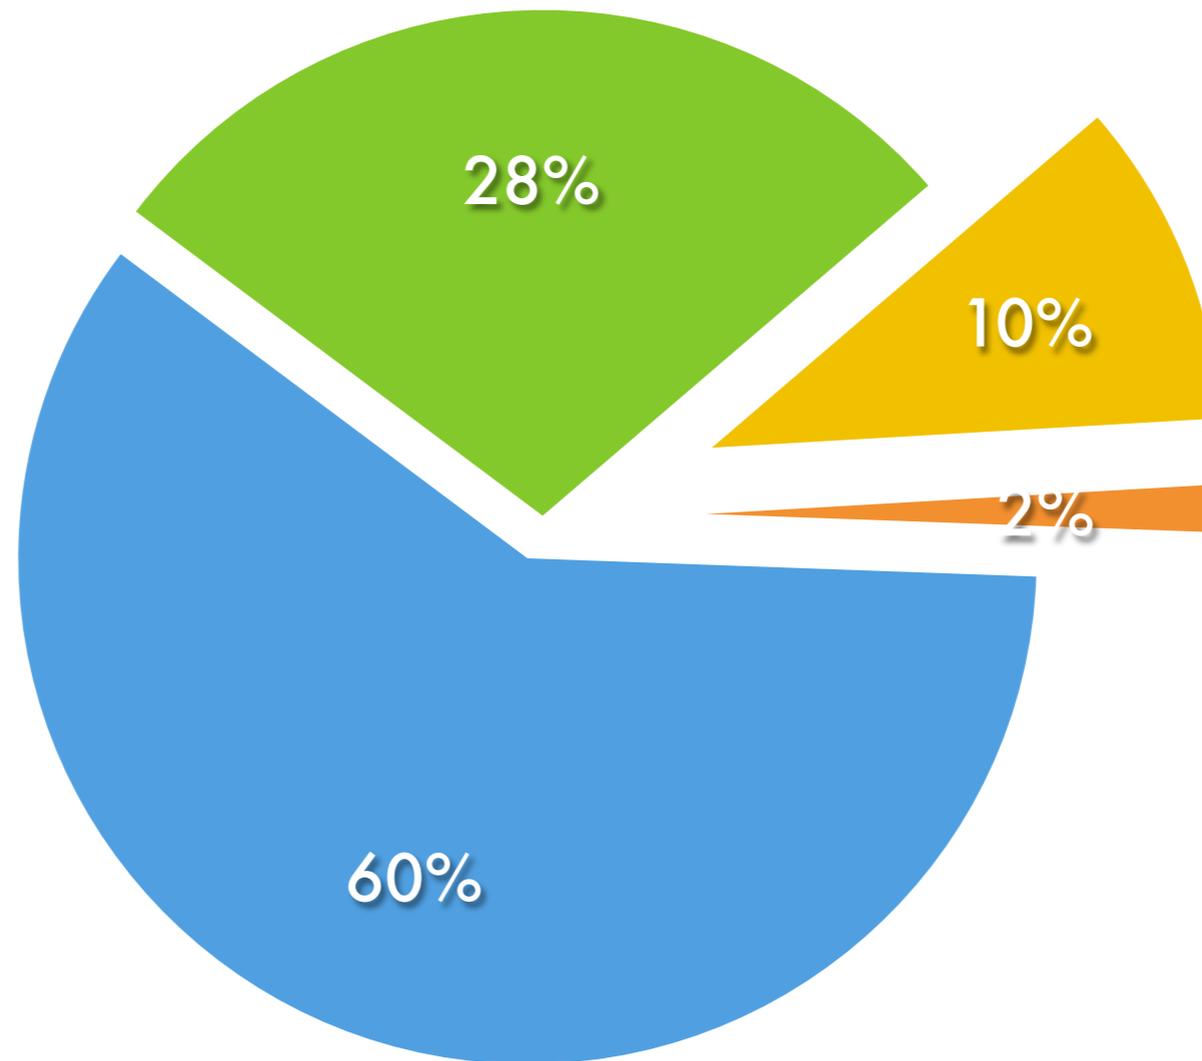

● Jewish ● Christian ● Muslim ● Pagan ● Other

Practice Safer Sex?

n = 71

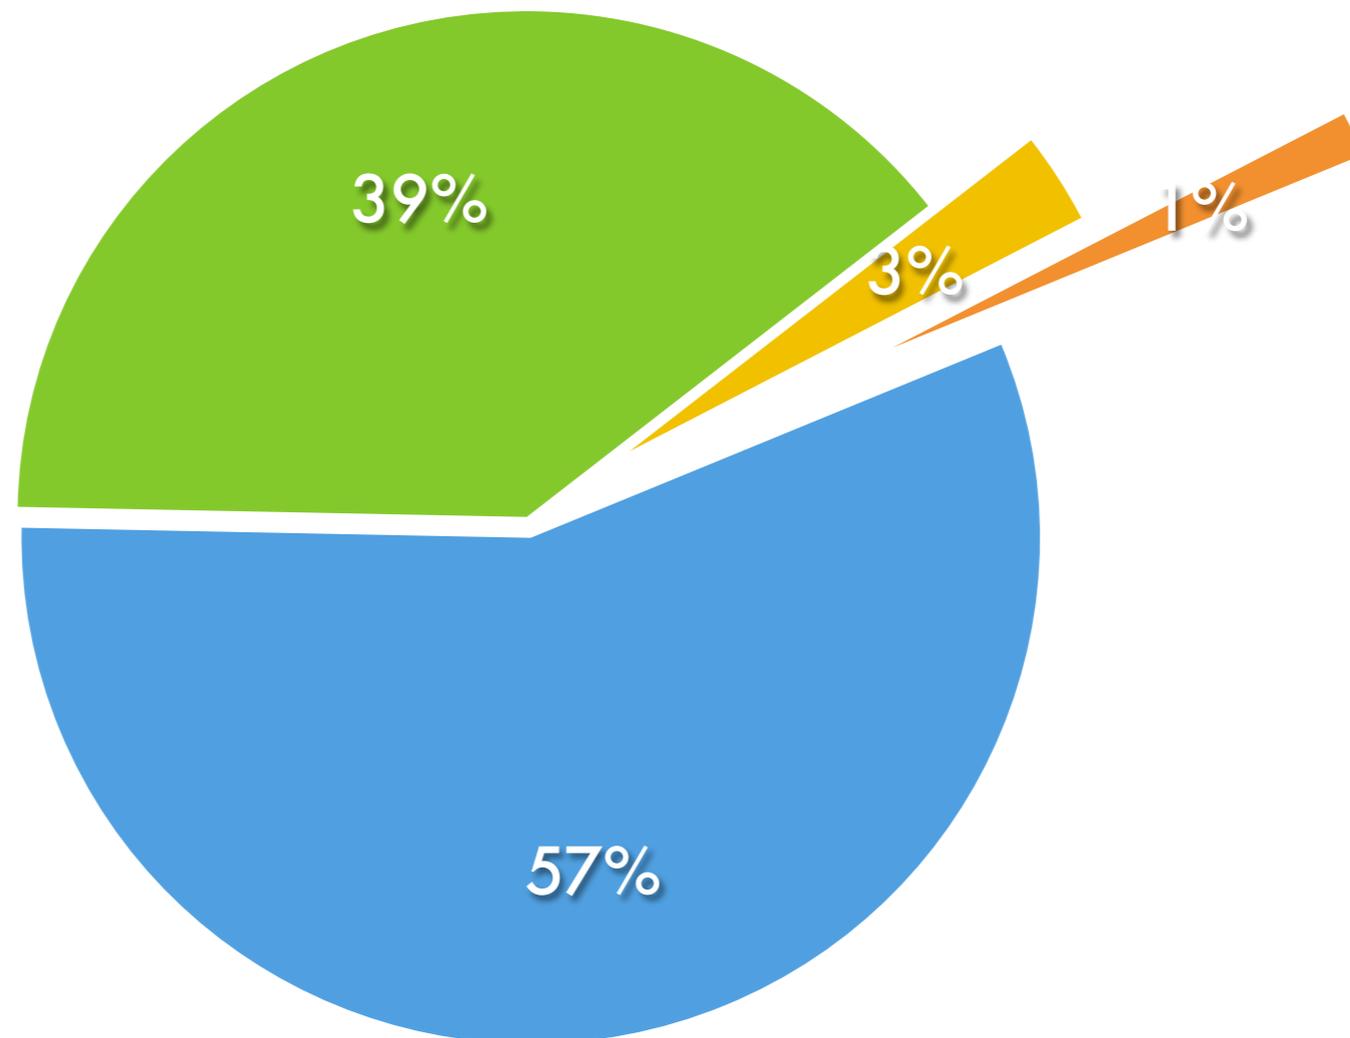

● Always ● Sometimes ● Never ● What's safer sex?

Use of Technology

n - 71

● Hourly ● Daily ● Weekly ● Monthly

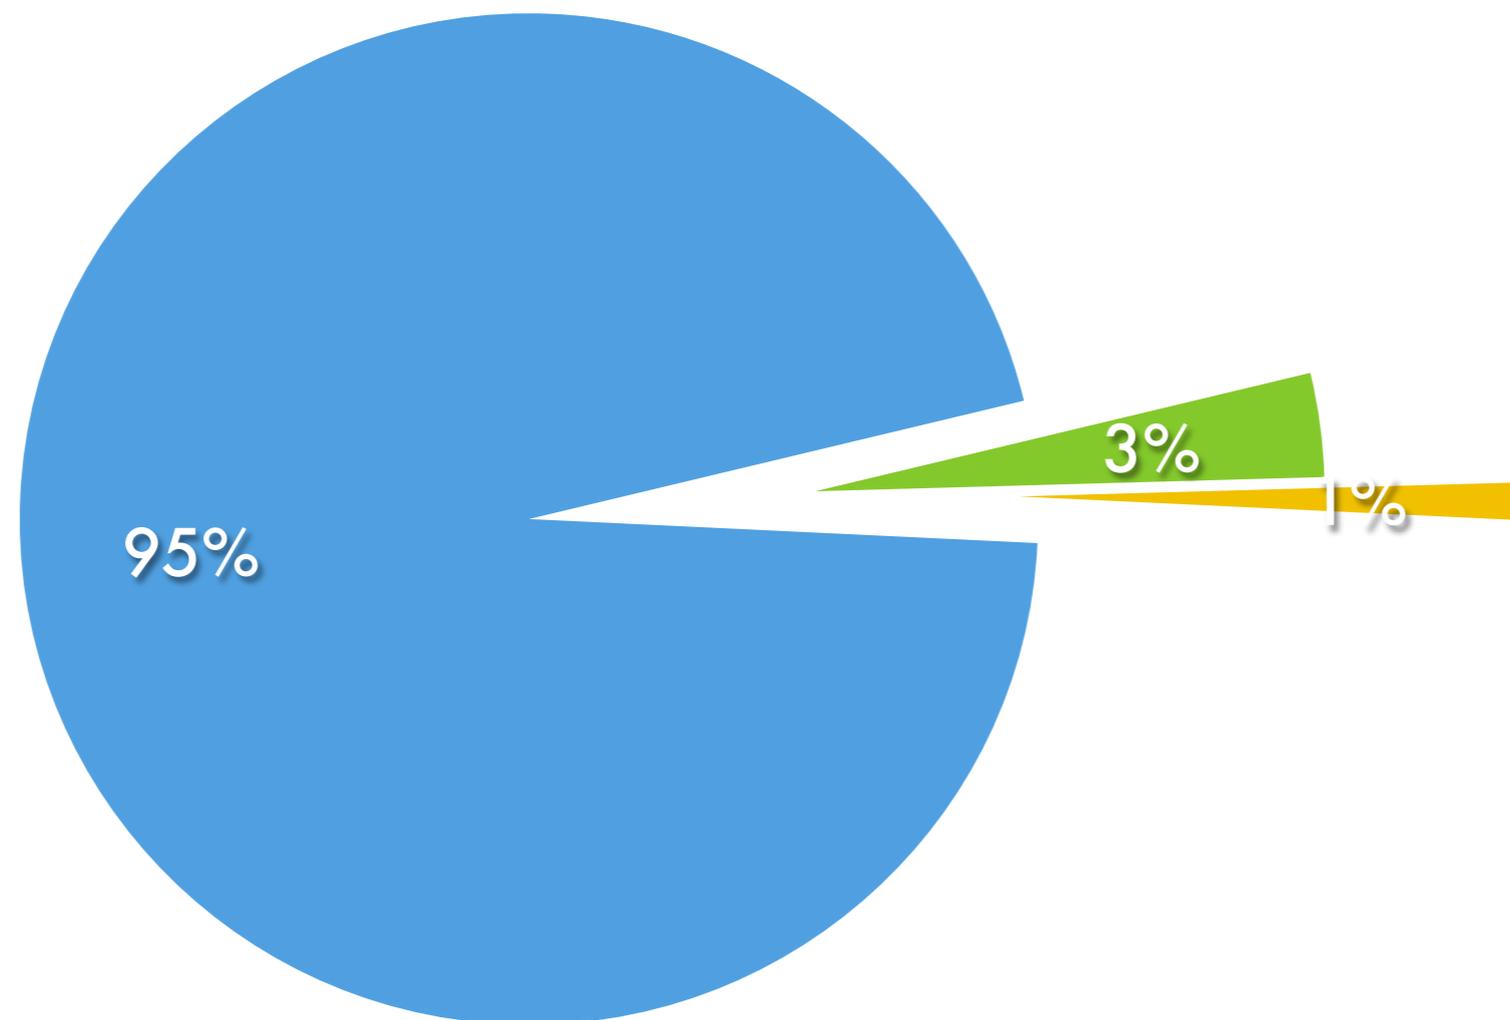

Preference

I think CSI should use iclickers

n = 71

● Yes ● No ● Could Care Less

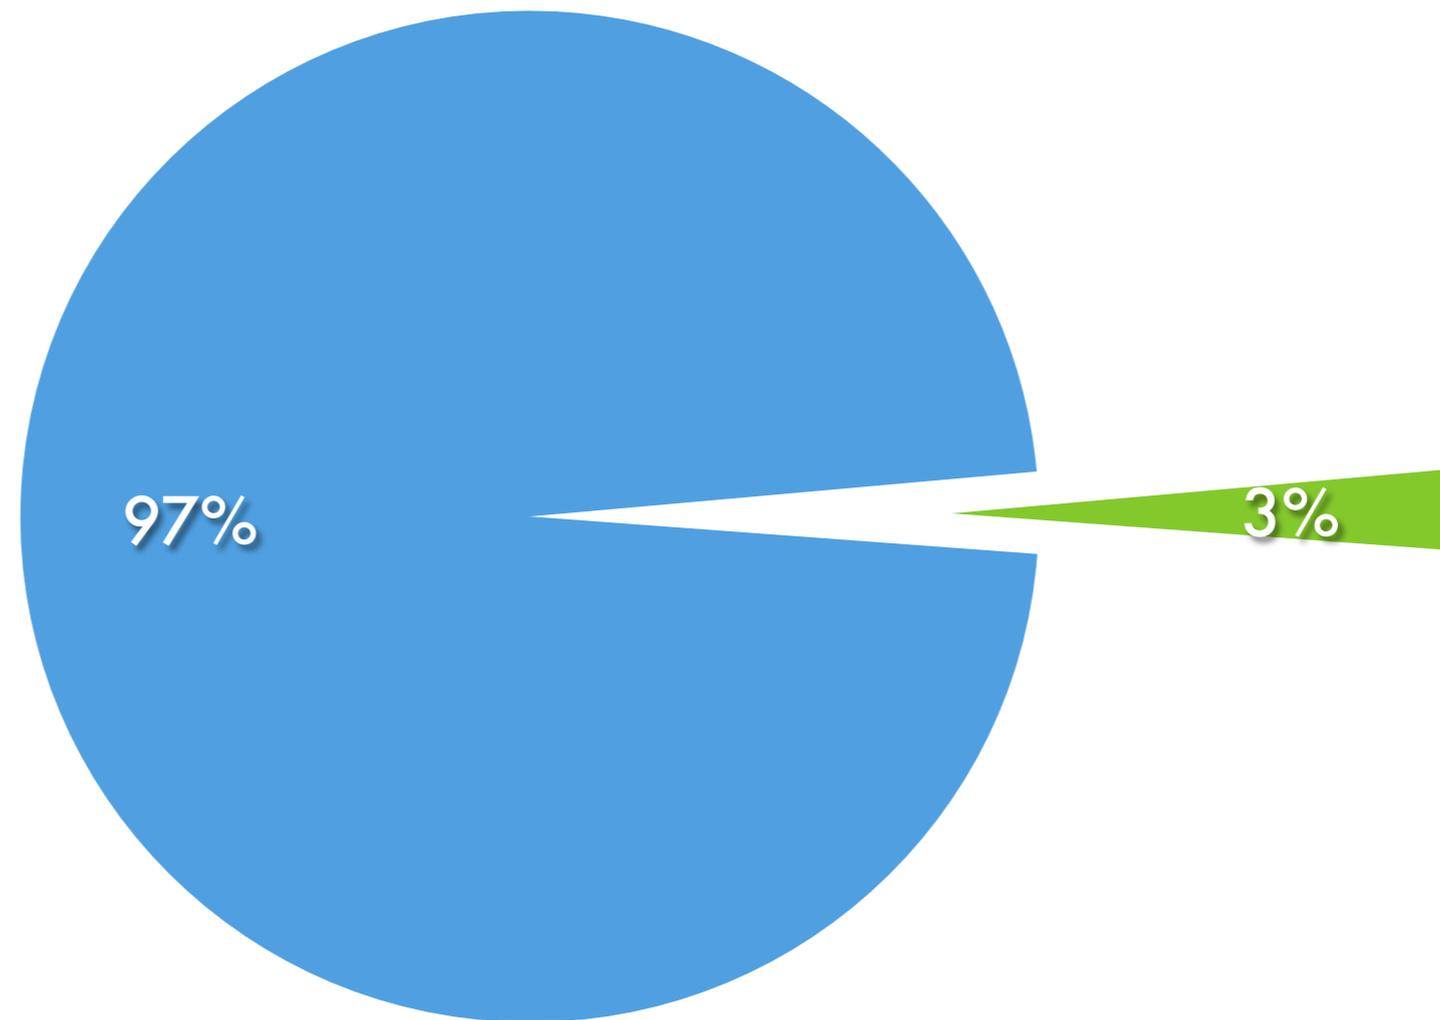

Have iclickers made class more interesting?

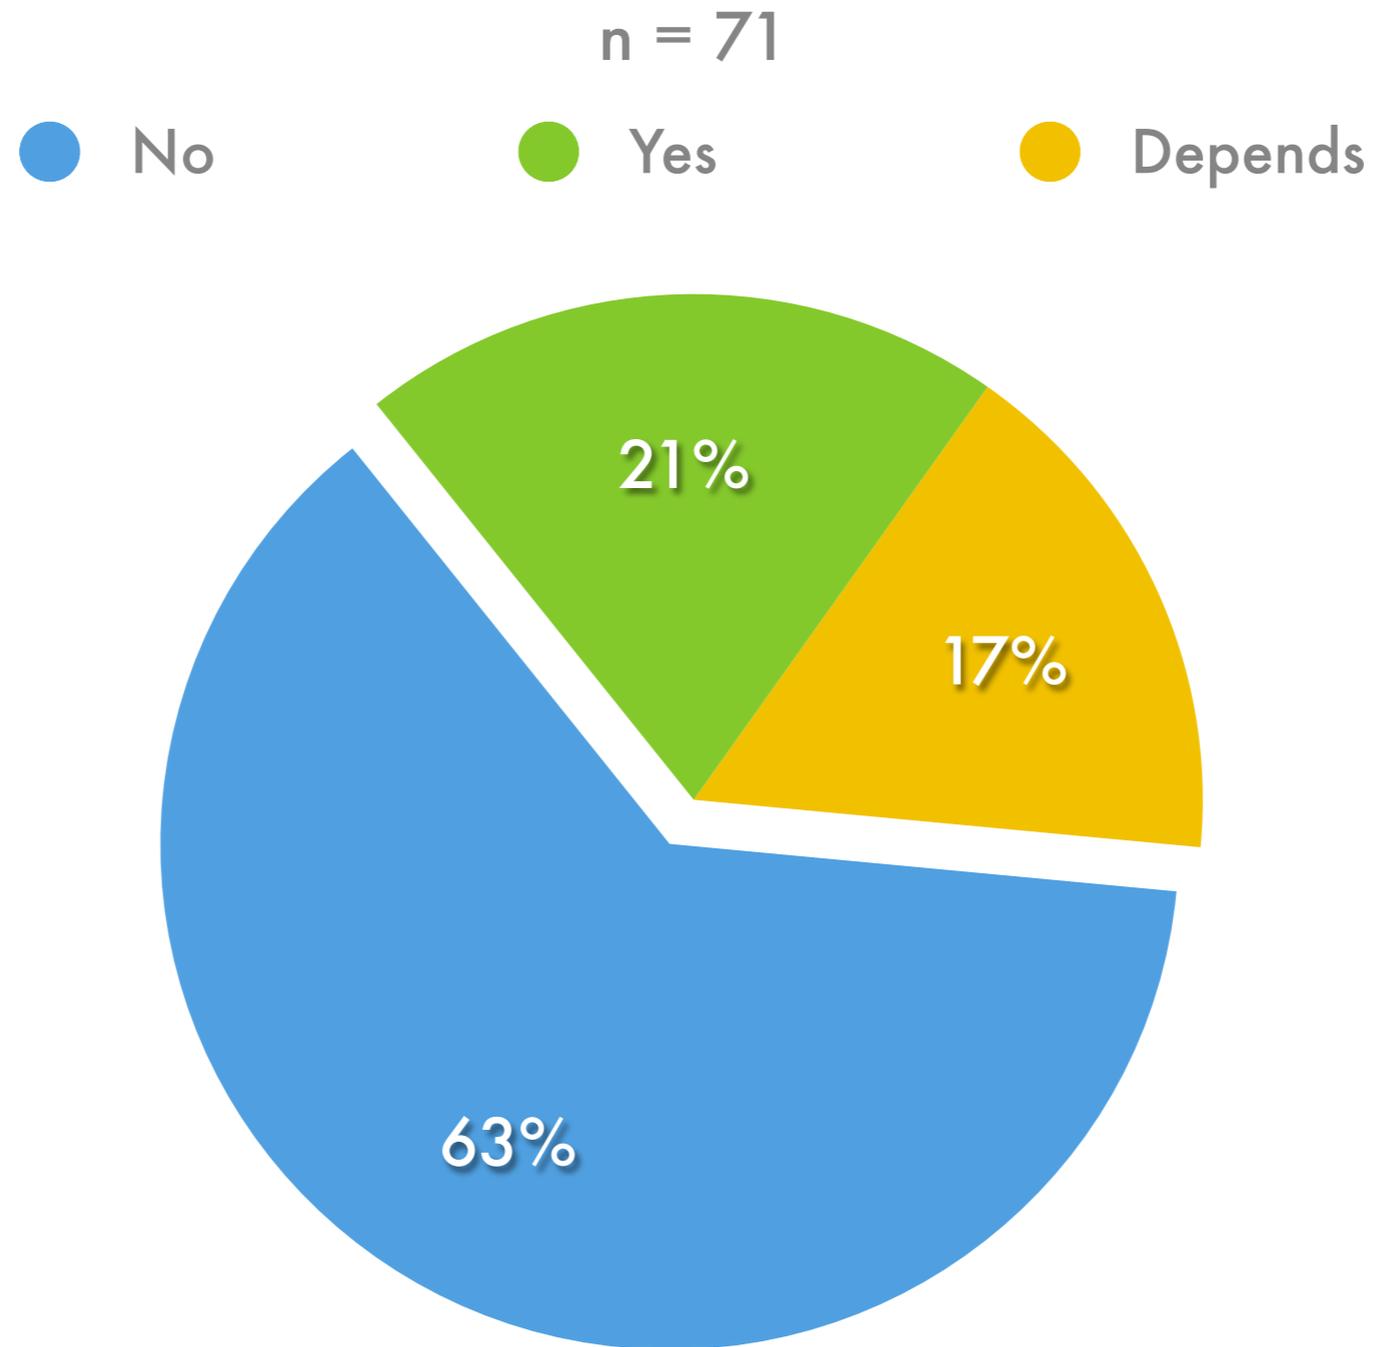

n = 71

● Yes

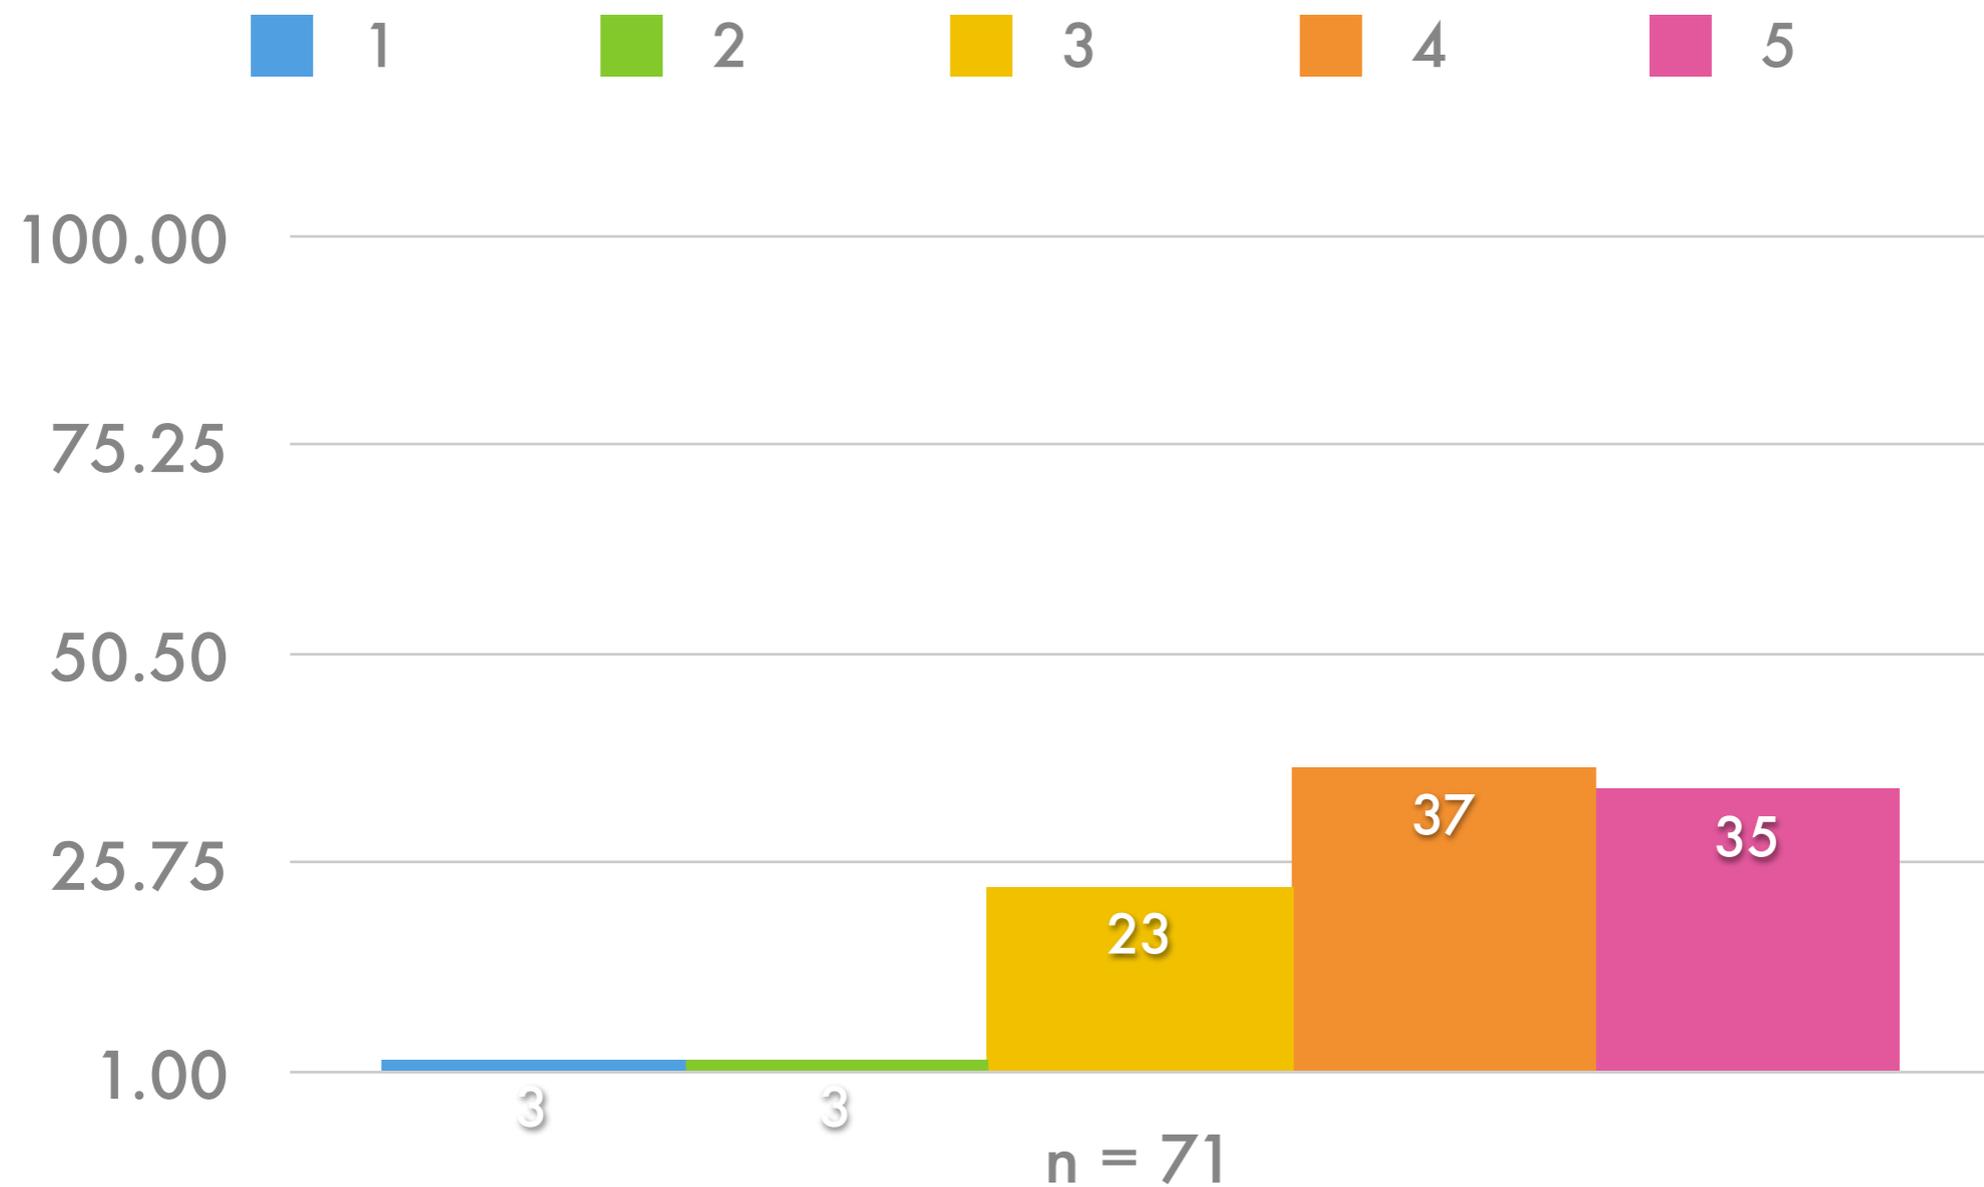

● No

Are you more likely to participate in class without the iclicker?

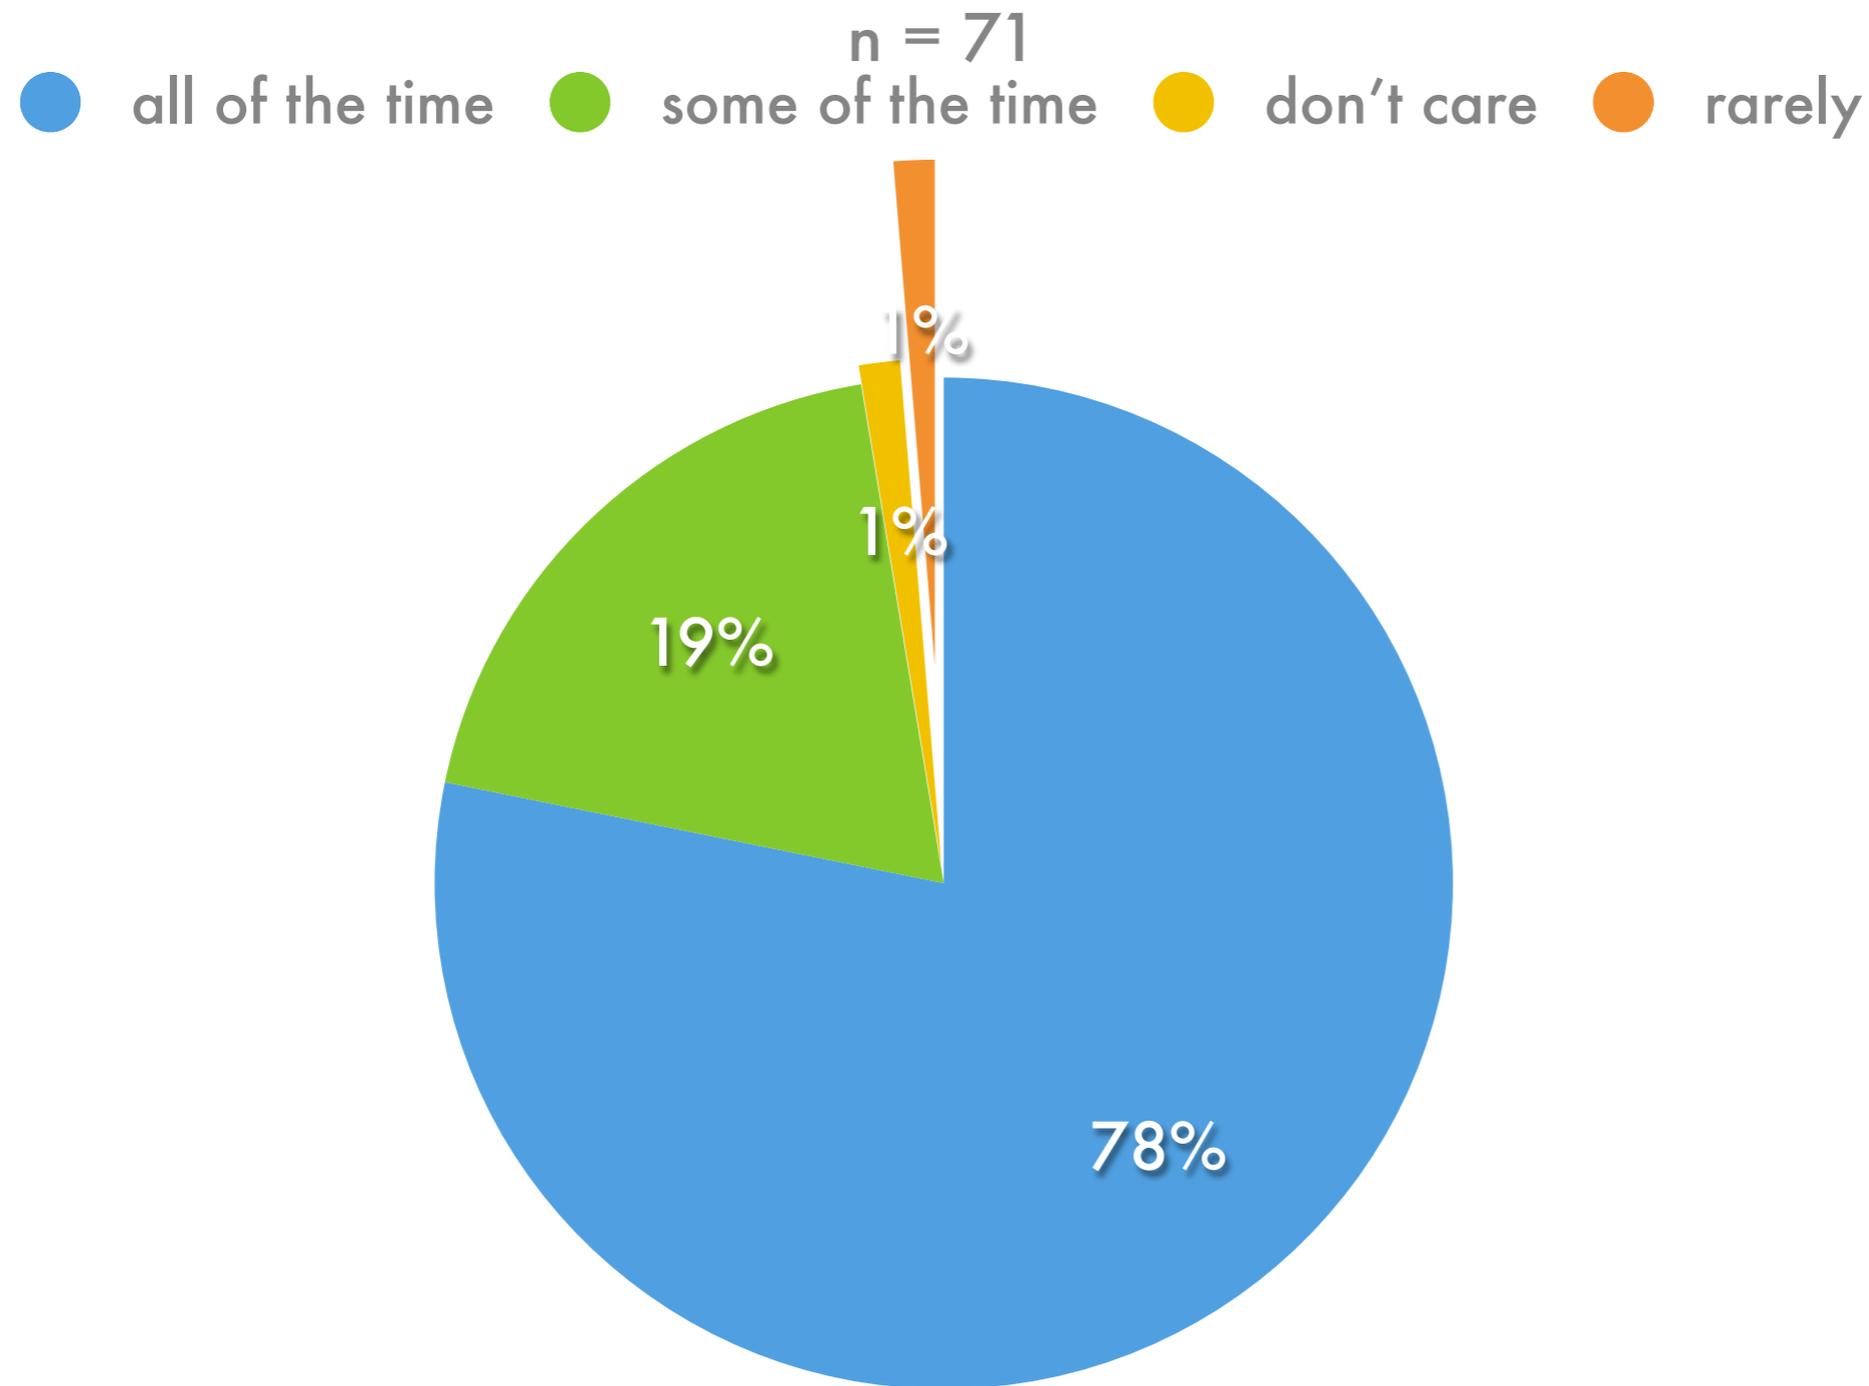

From a scale of 1-5 what would you rate the iclicker success for your experience in class, 1 being the least successful, 5 being the most successful.

Process

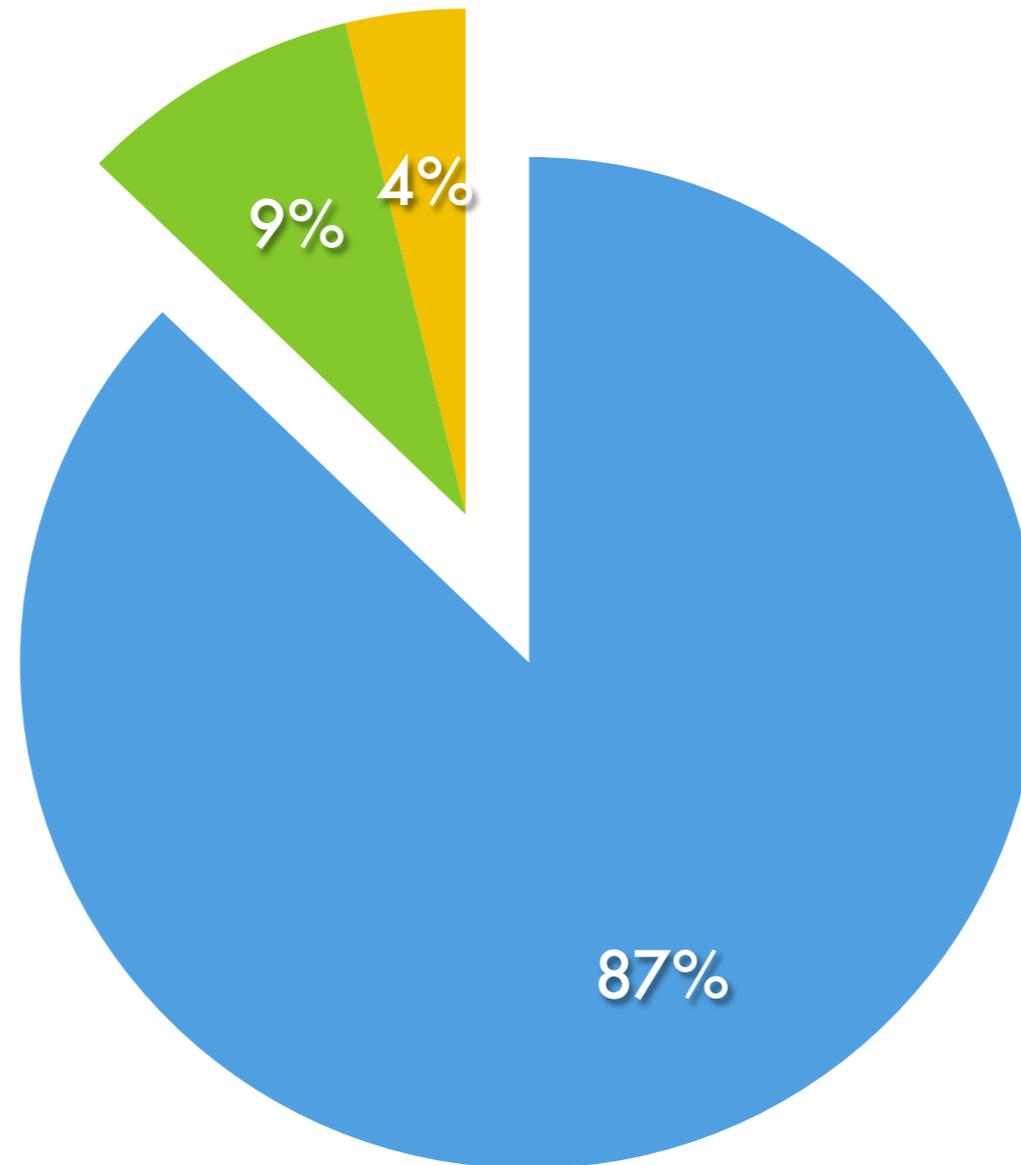

How often do you feel more comfortable revealing your honest answers to questions posed in class using the iclickers anonymously versus raising your hand?

Did the iclickers make you feel more connected to the class than in classes that have not used them?

n = 71

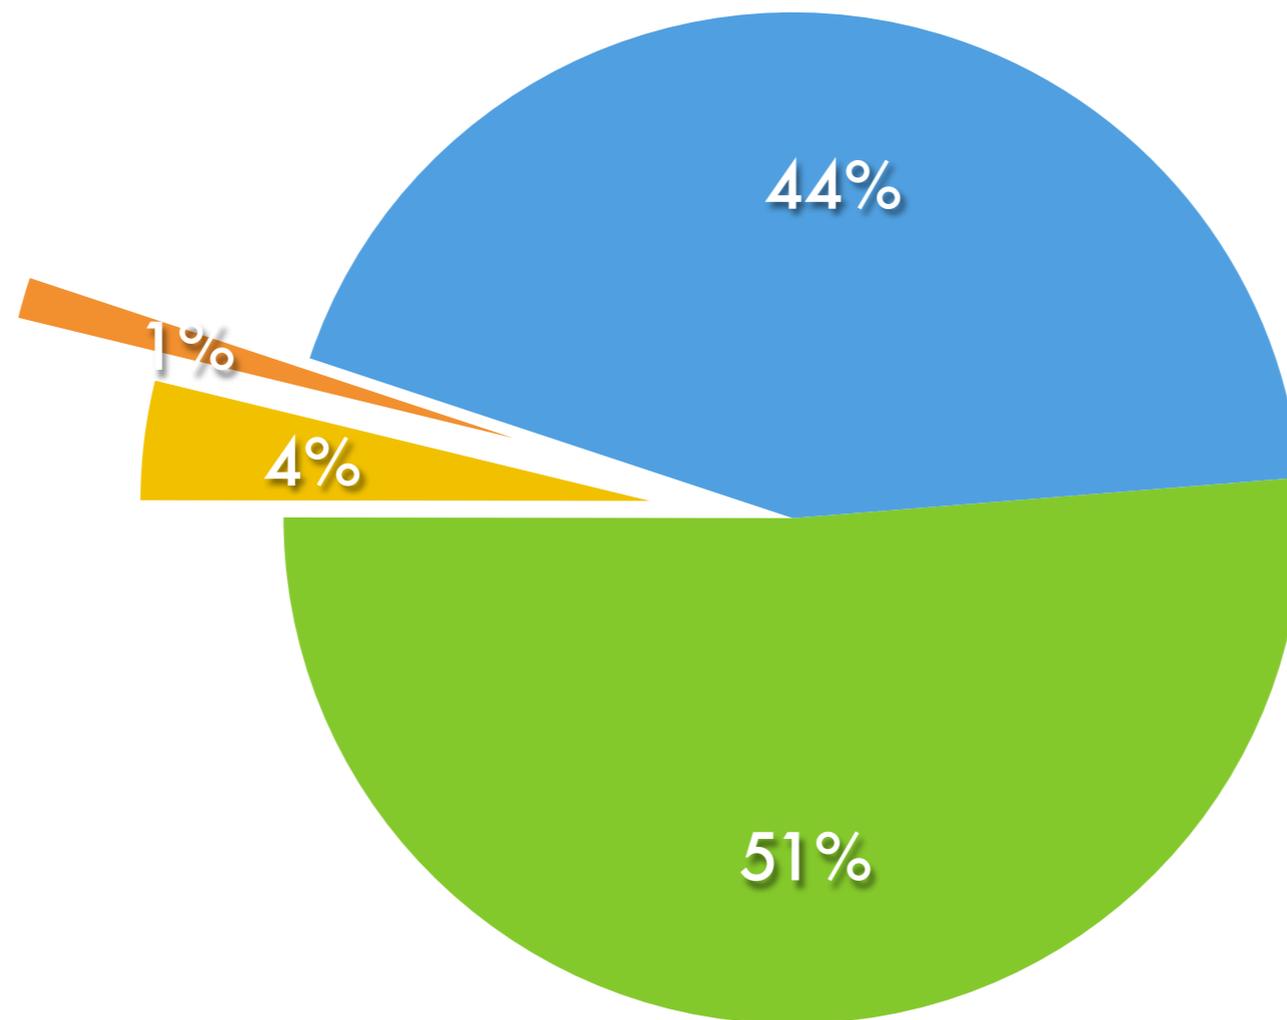

● Yes ● No ● Didn't pay attention

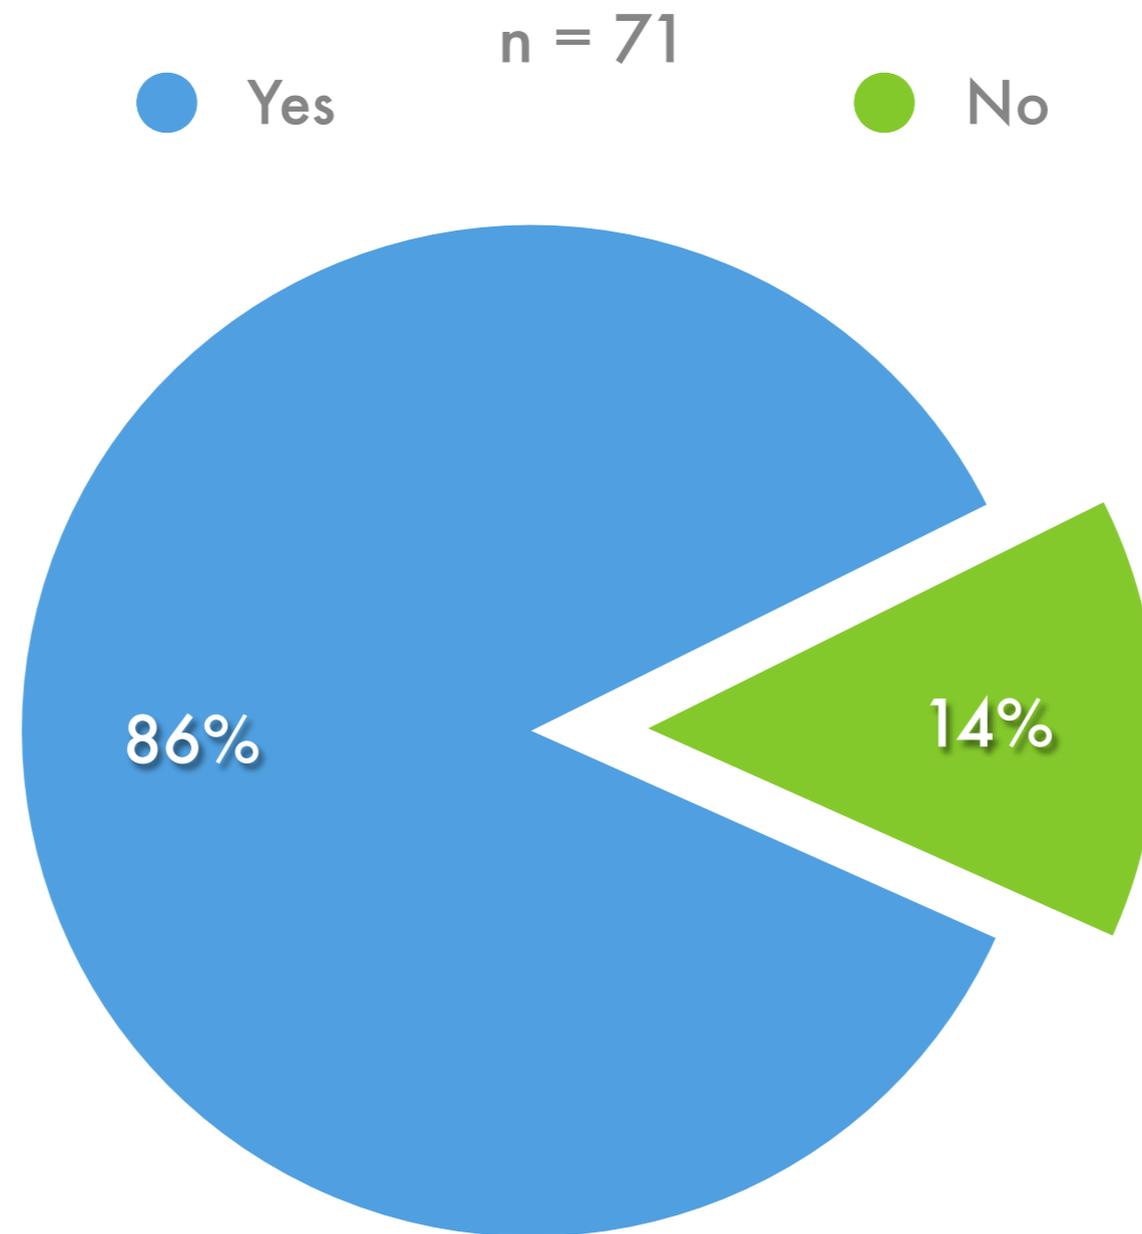

How often do you feel your class should use the iclicker?

n = 71

- All of the time
- Some of the time
- Don't Care
- Never

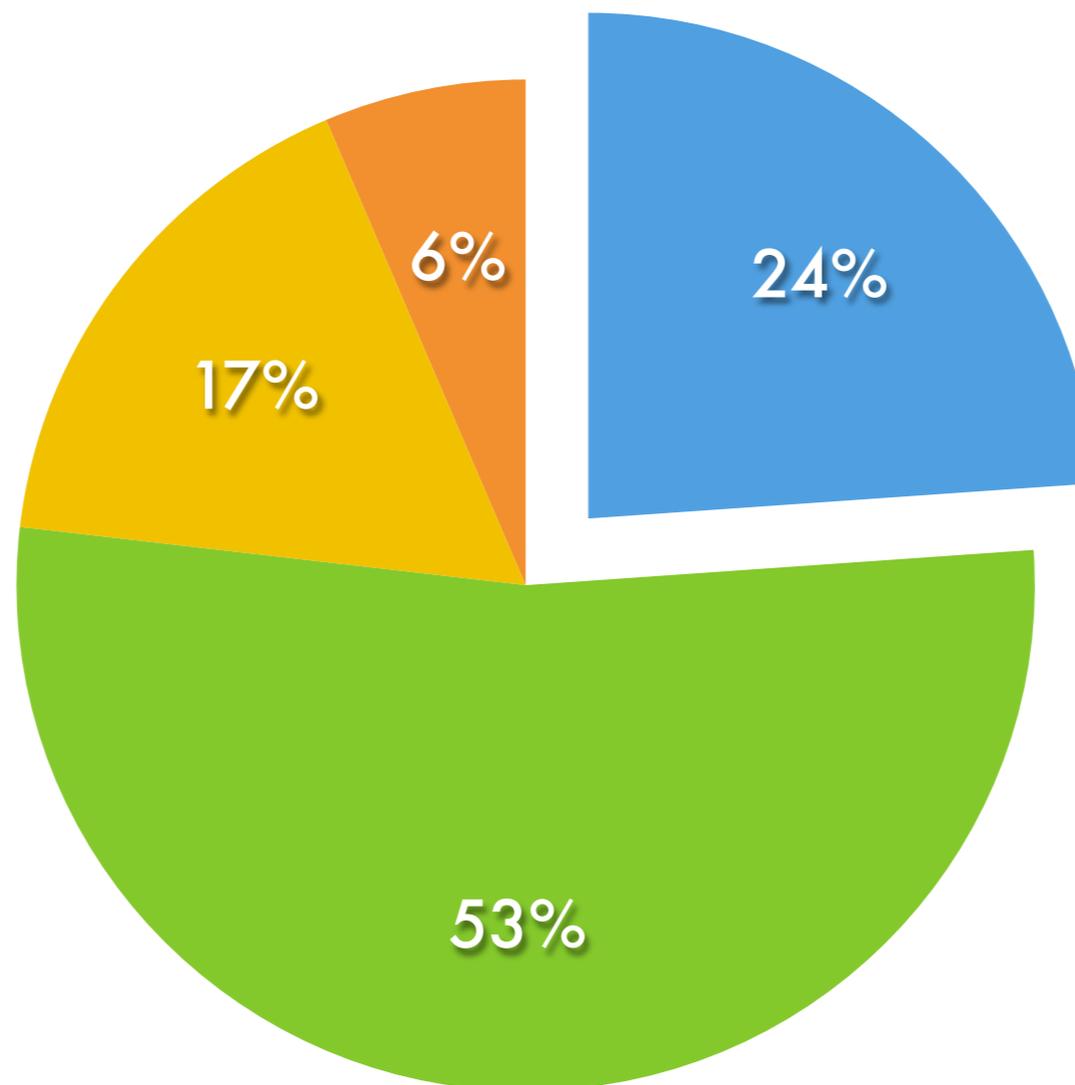

Have the iclickers provoked you to engage in class participation?

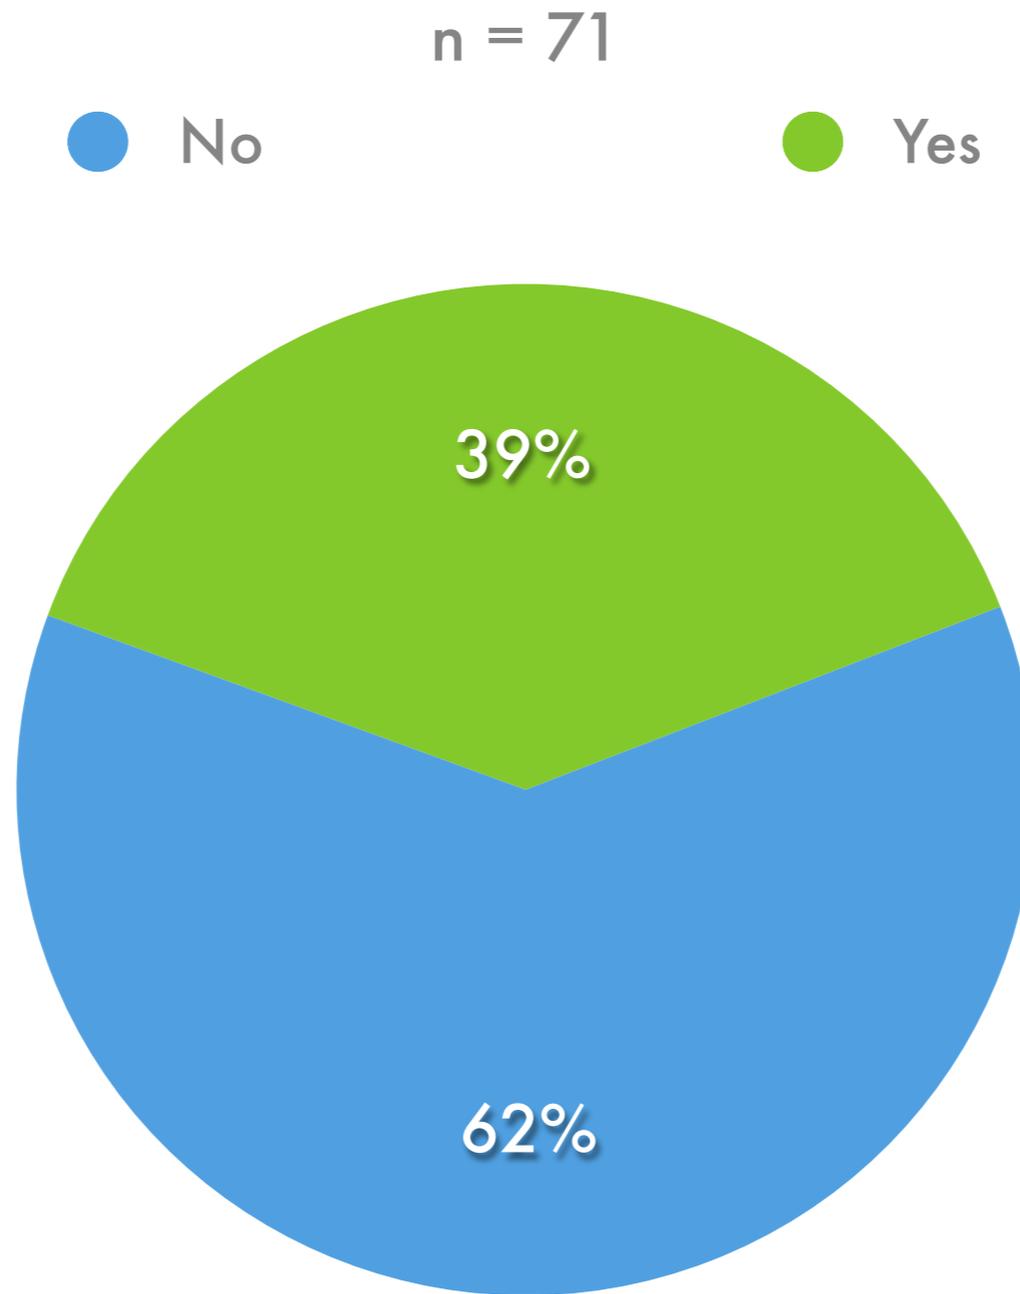

Approximately what percentage of time have you registered your answer on the clicker and wished you could go back to change it?

n = 71

● 0% ● 25% ● 50% ● 75% ● 100%

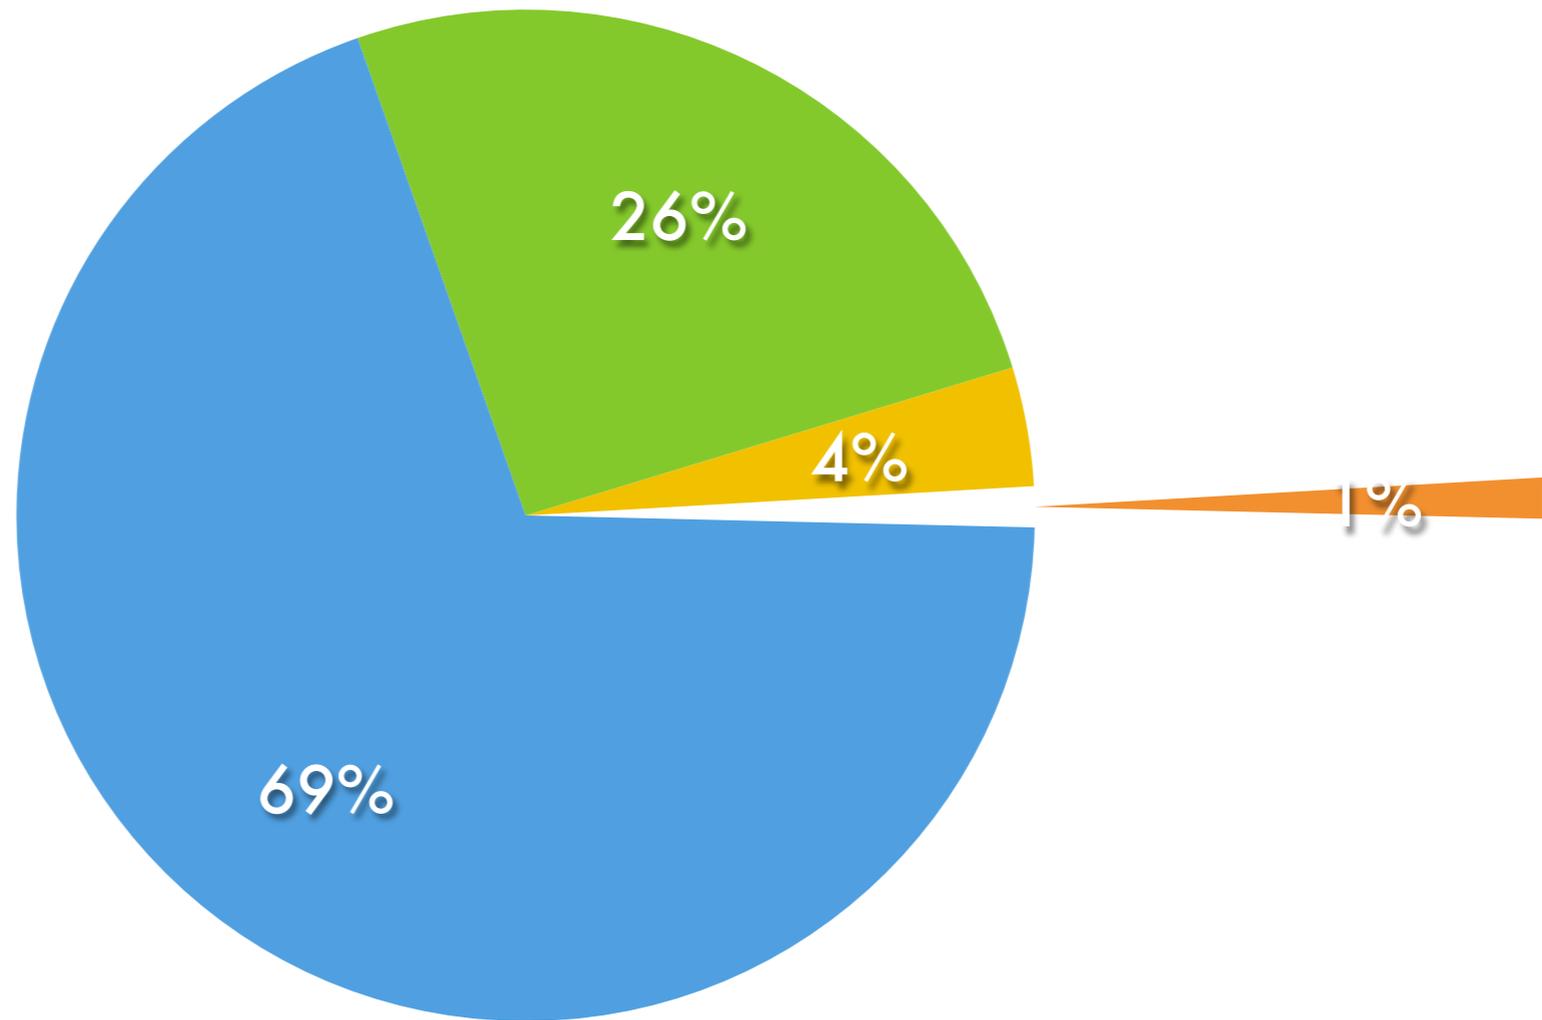

Do you think iclickers will limit student response because answers are forced choice?

How often do you think we should use the iclickers?

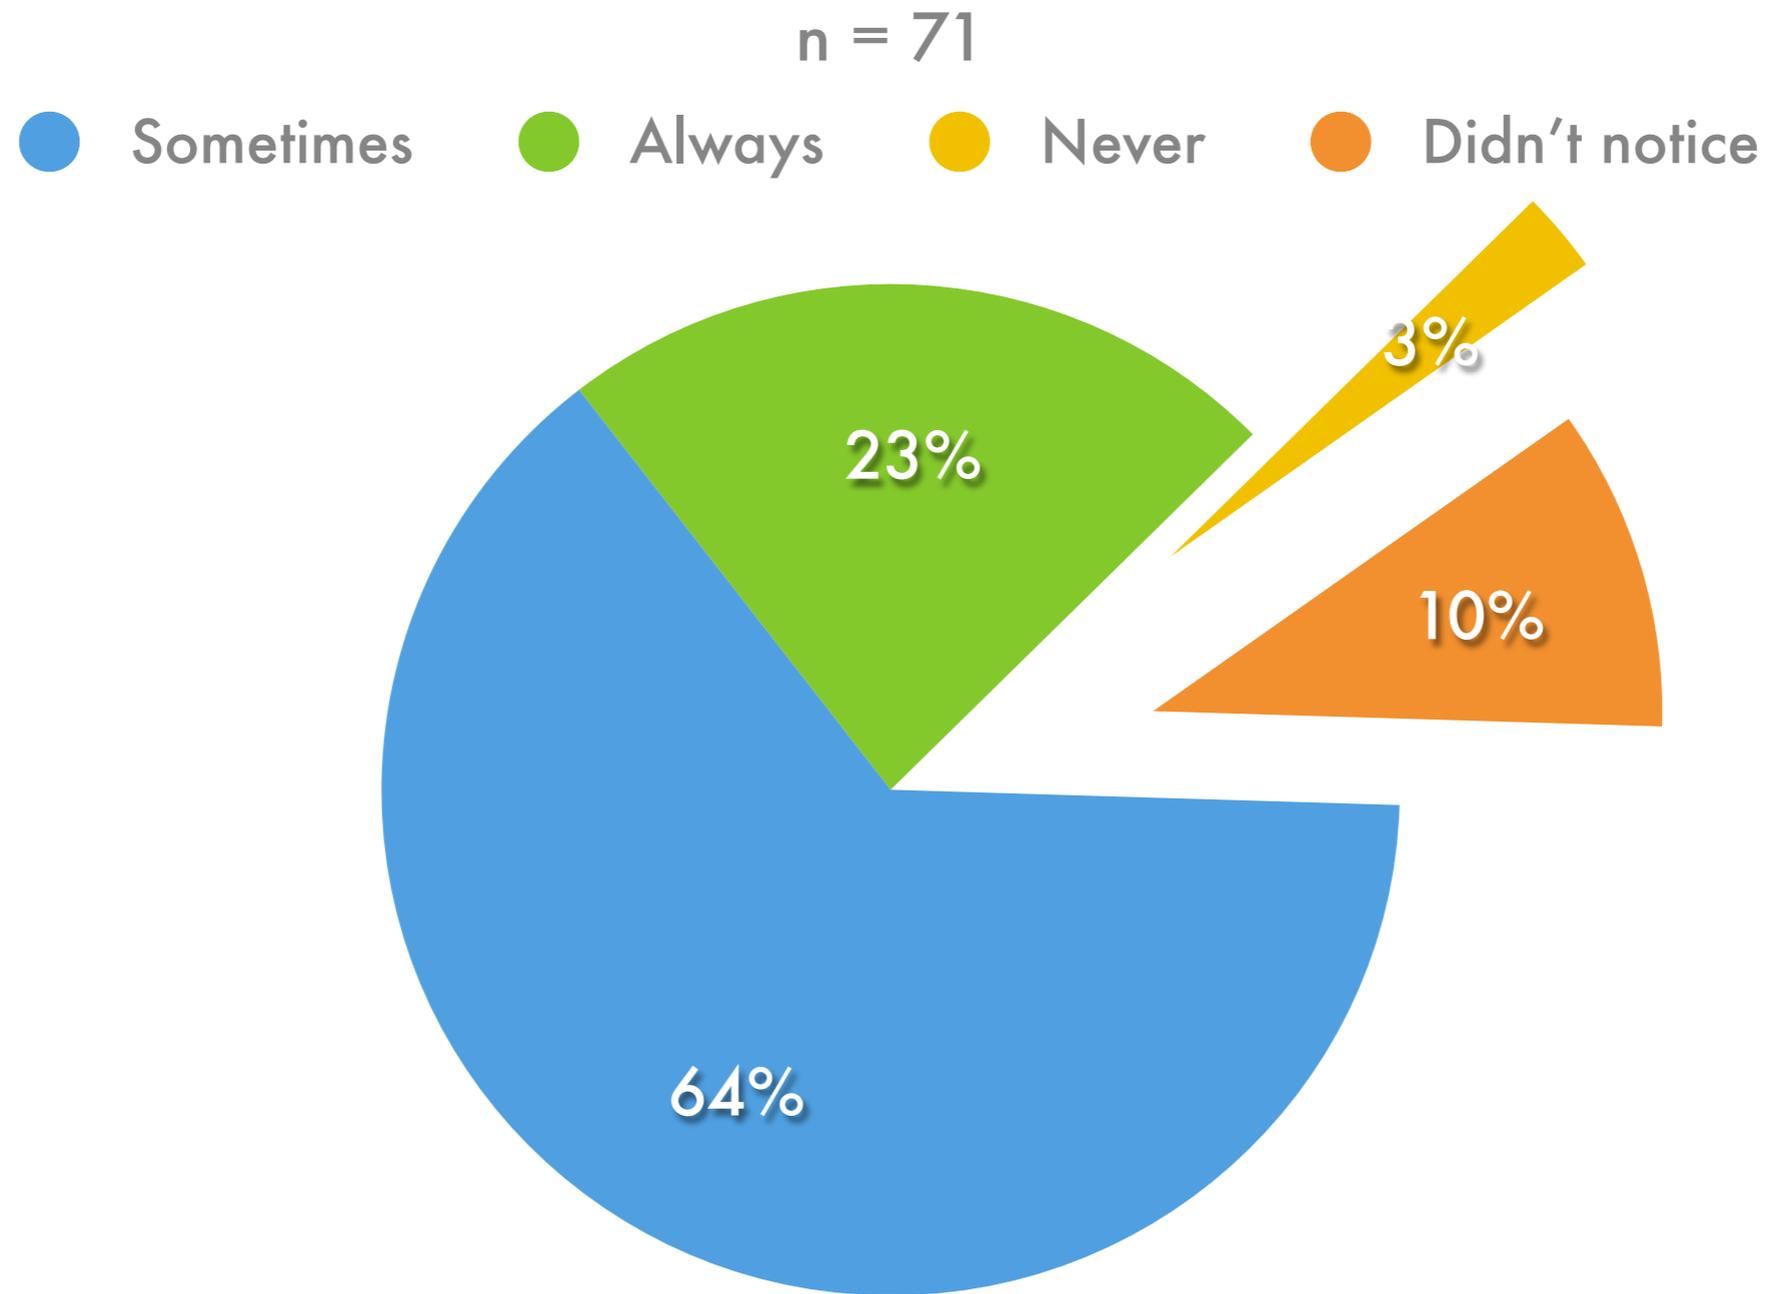

n = 71

- Every class
- Every other class
- Quizzes only
- Not at all

Learning

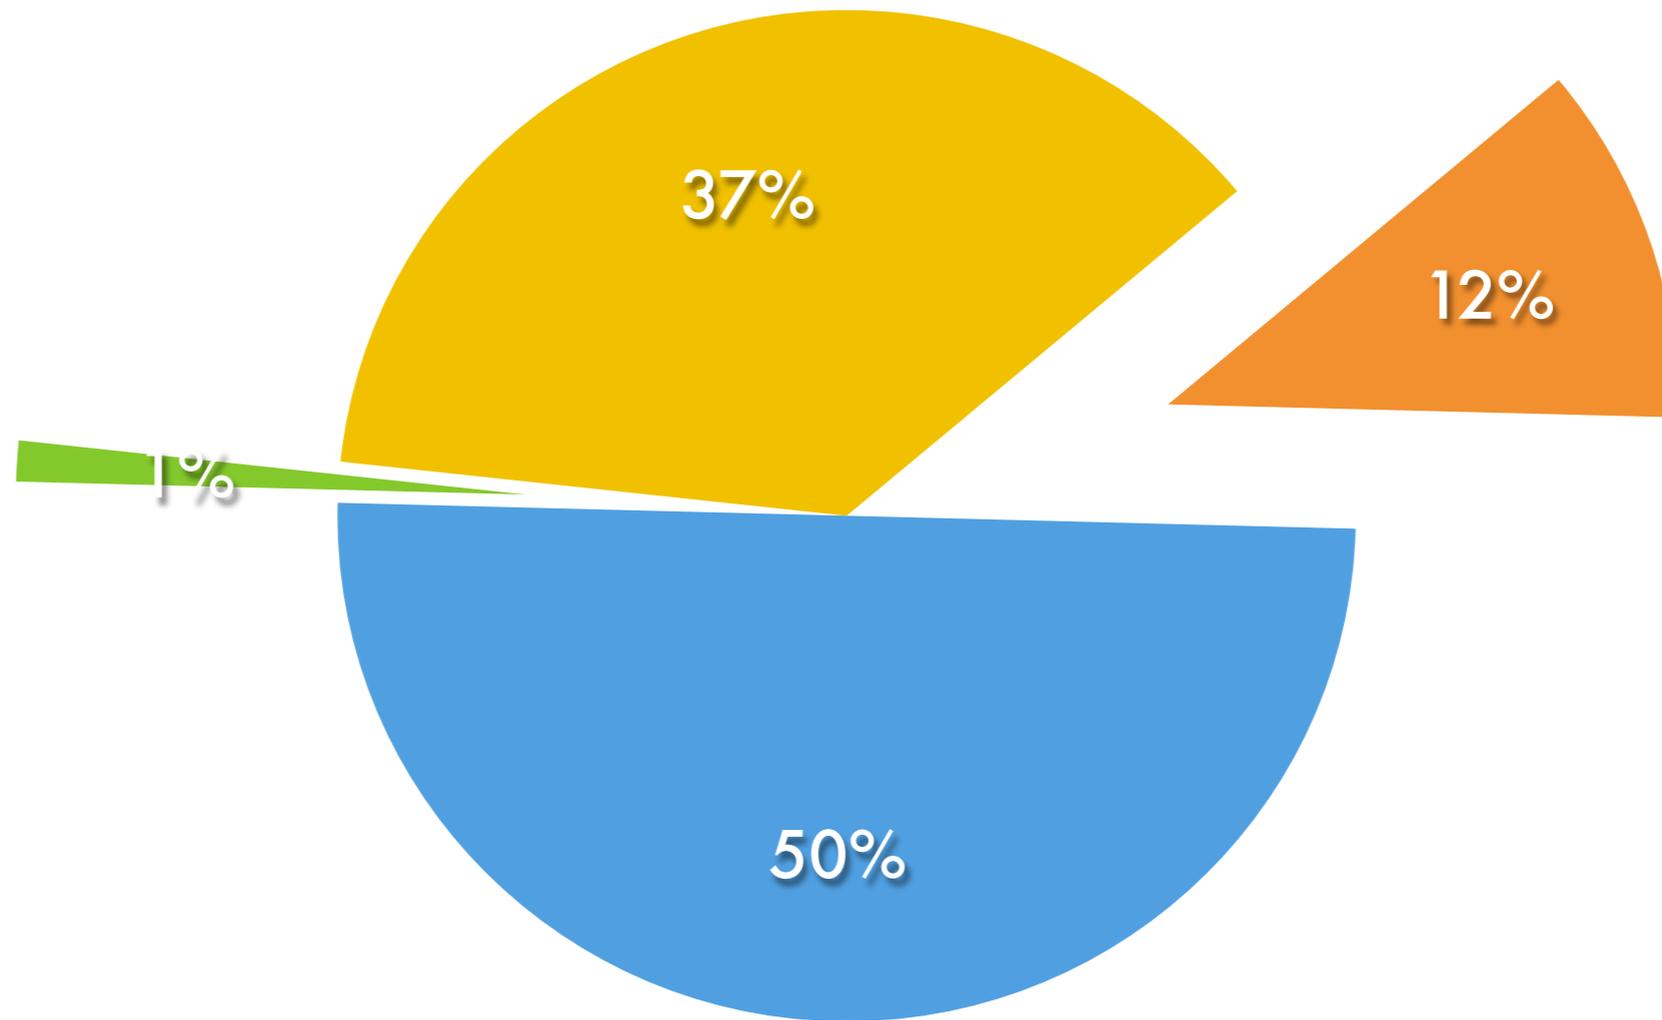

Does the iclicker make it easier for students to understand coursework?

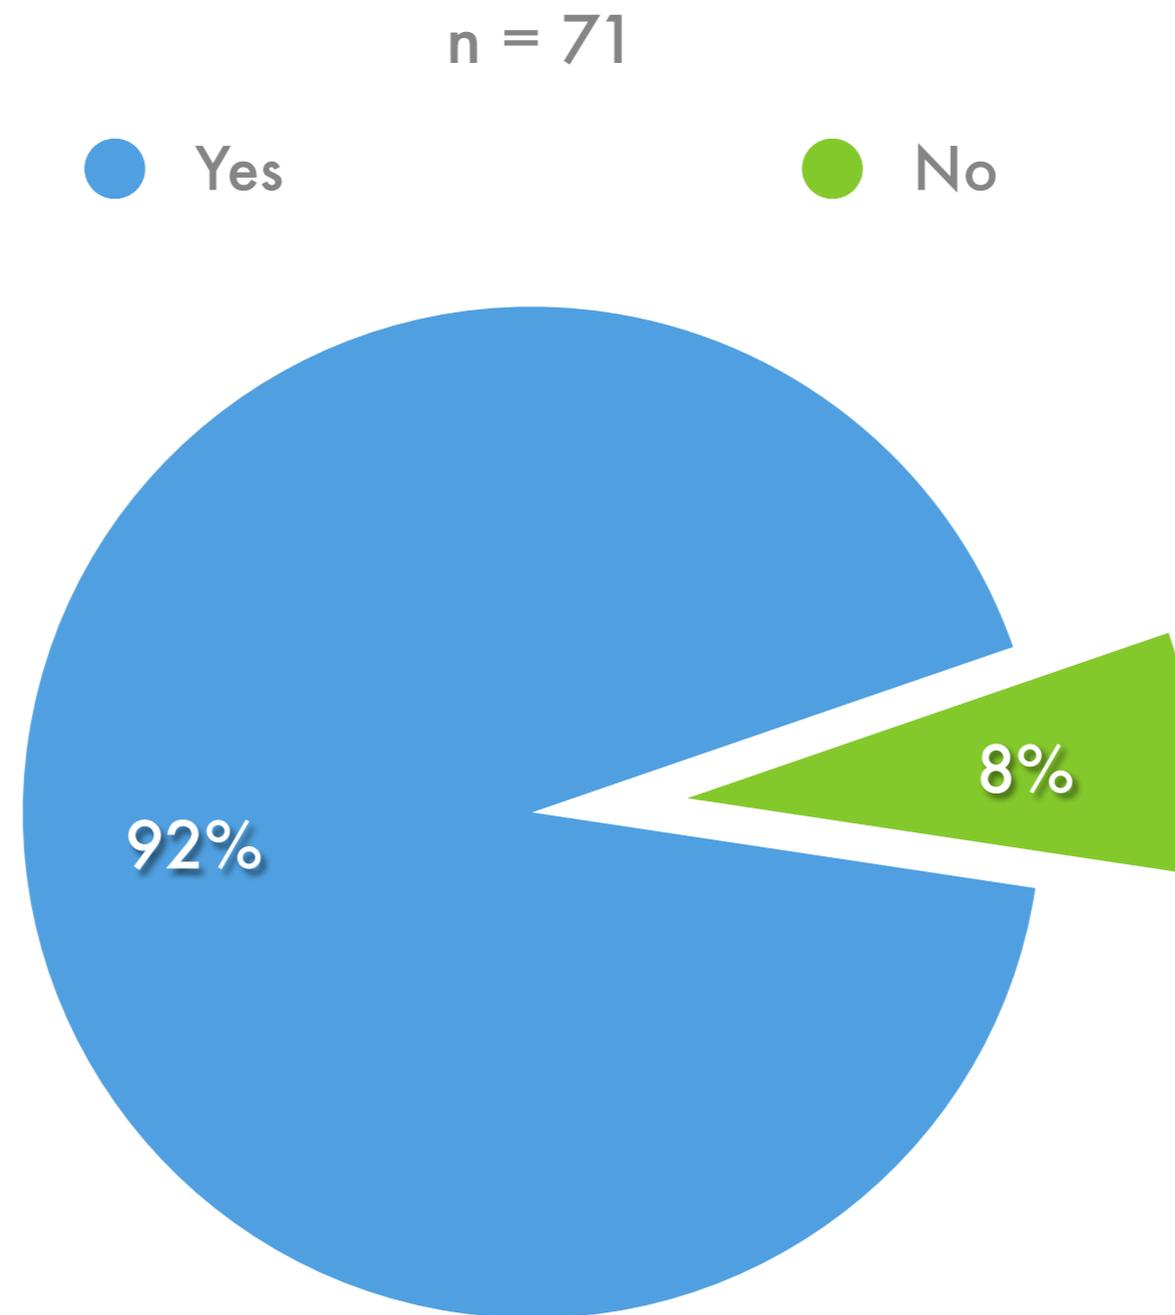

Did you notice an increase or decrease on exams after using the iclickers?

n = 71

- Increase
- Decrease
- No difference
- Am I supposed to be paying attention?

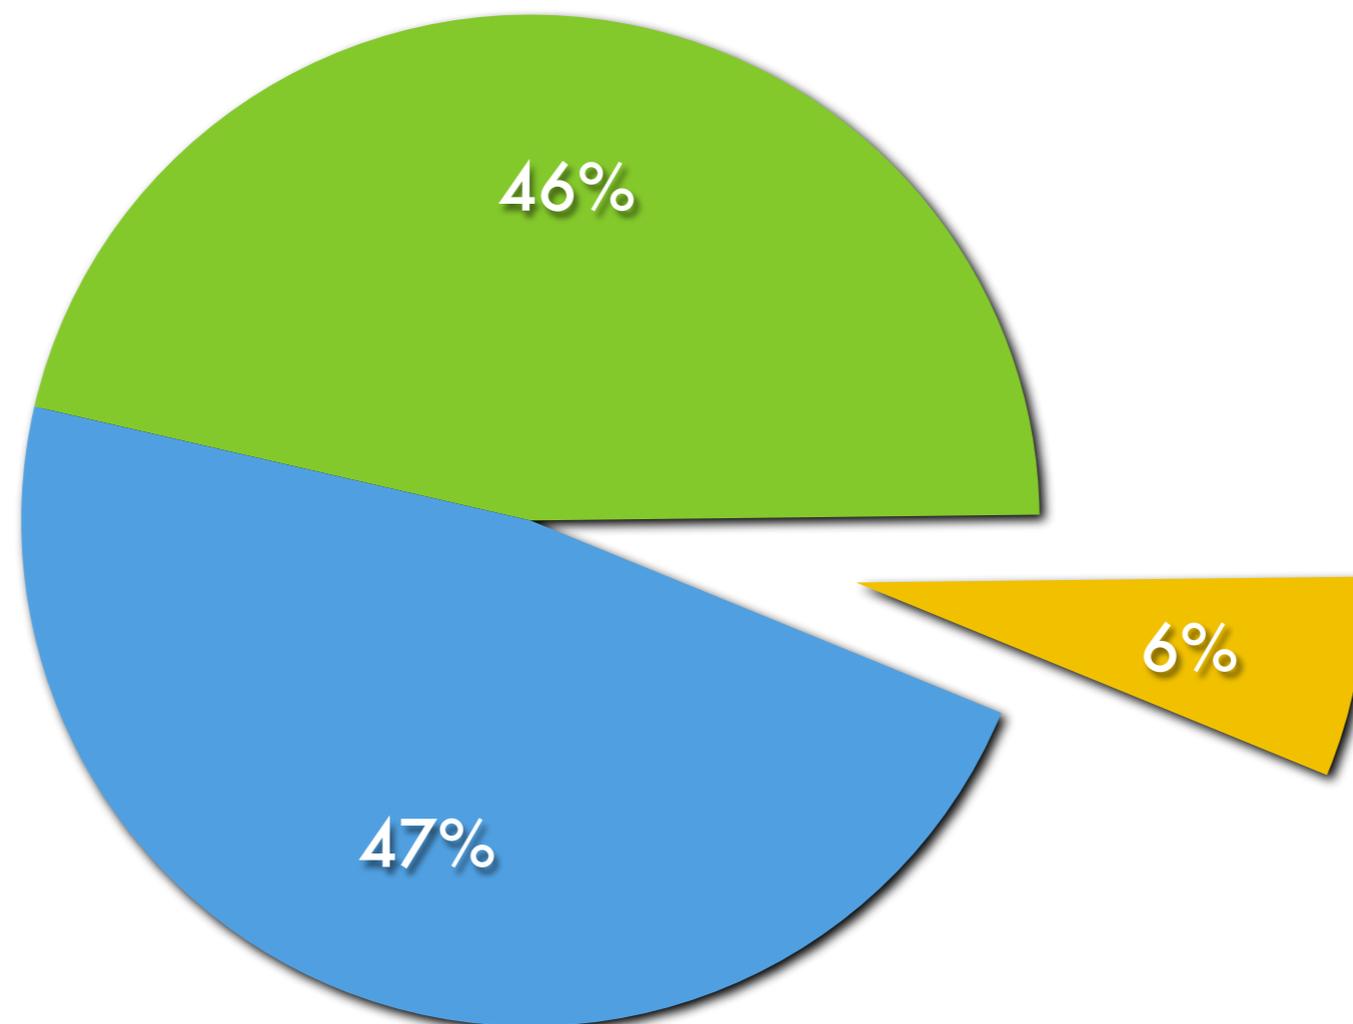

Are the iclickers educationally beneficial to students?

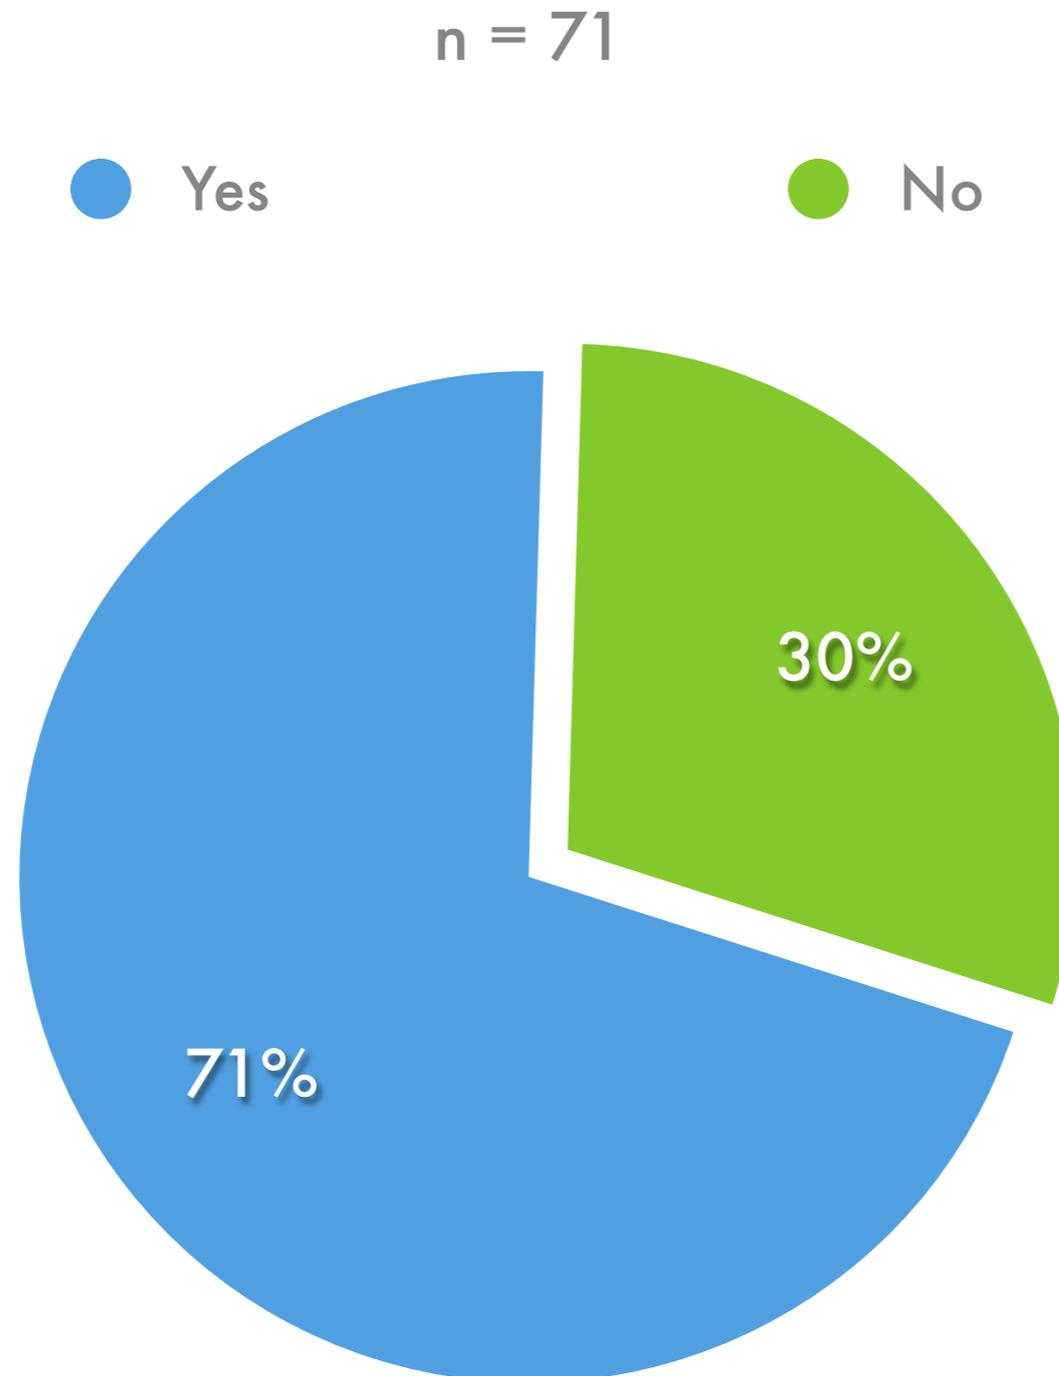

How much did the iclicker enhance your educational process?

n = 71

● A lot ● A little bit ● Not at all

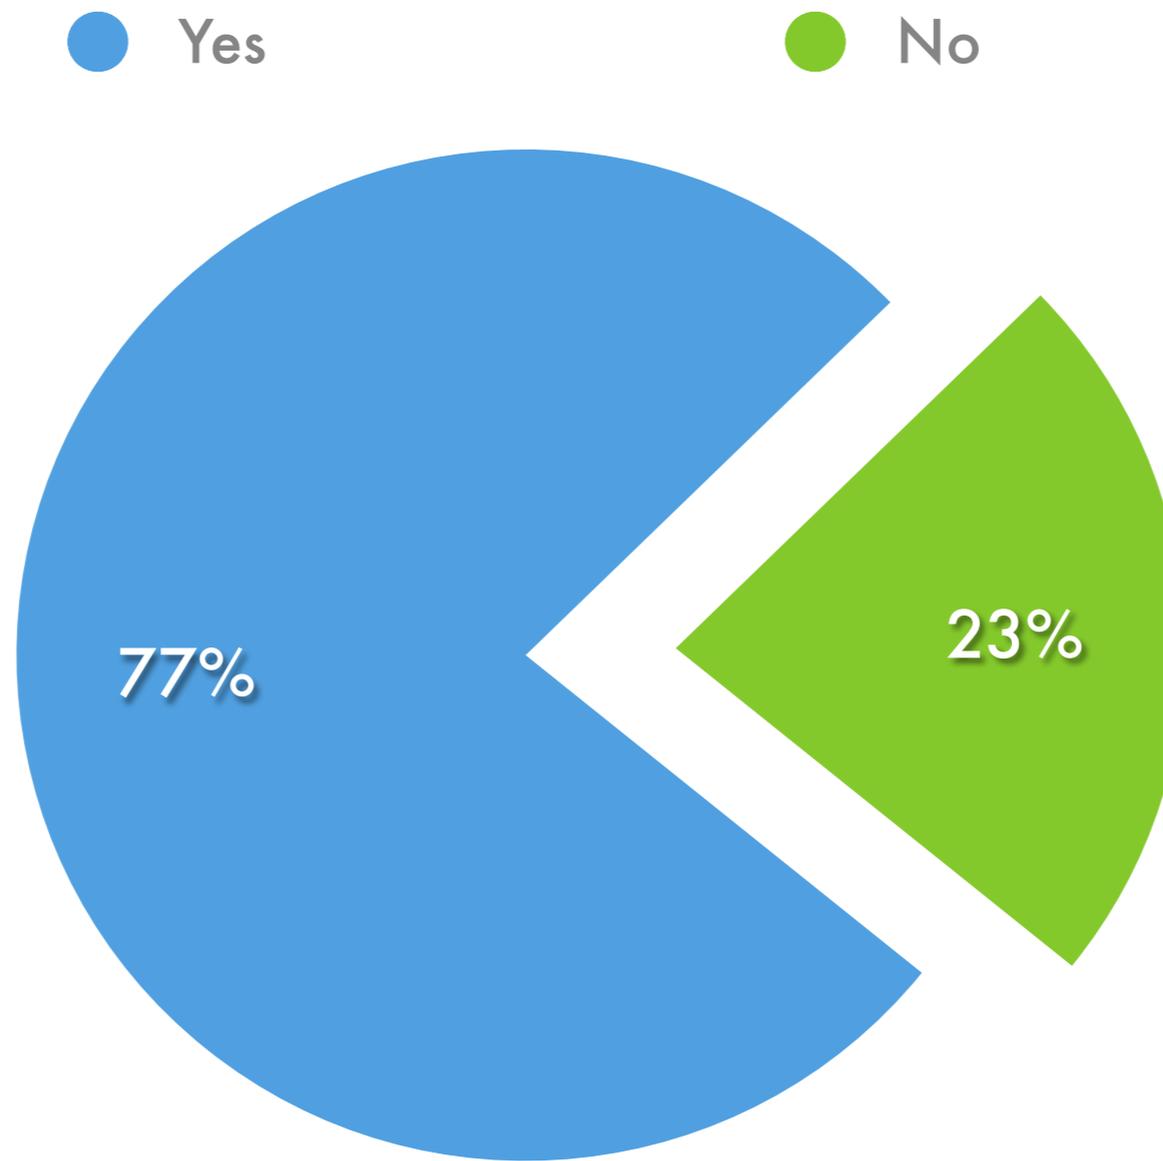

Do you believe the use of iclickers improved your ability to absorb class material better than classes you have taken without the iclicker?

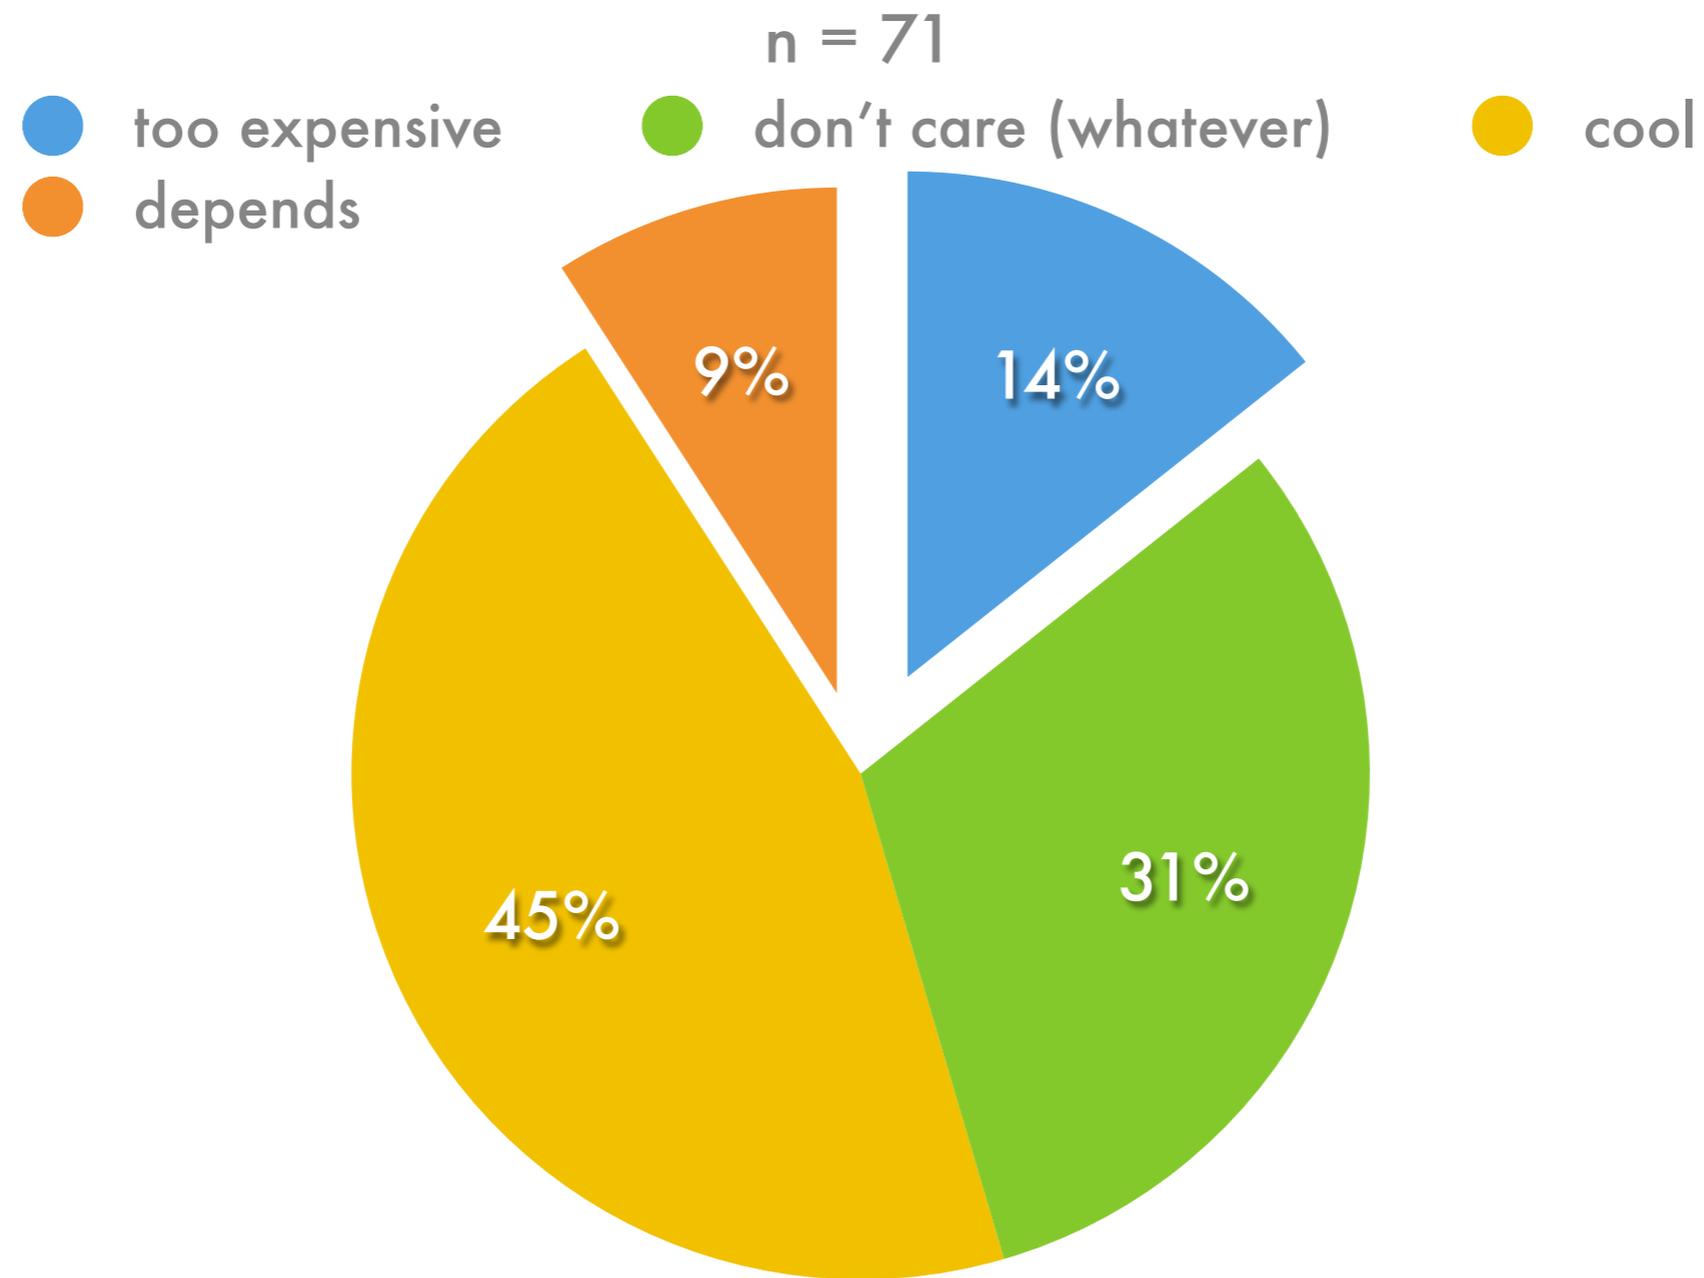

Do you think the iclickers should be registered in your name so it can be used for tests?

n = 71

Supply/Demand/Cost

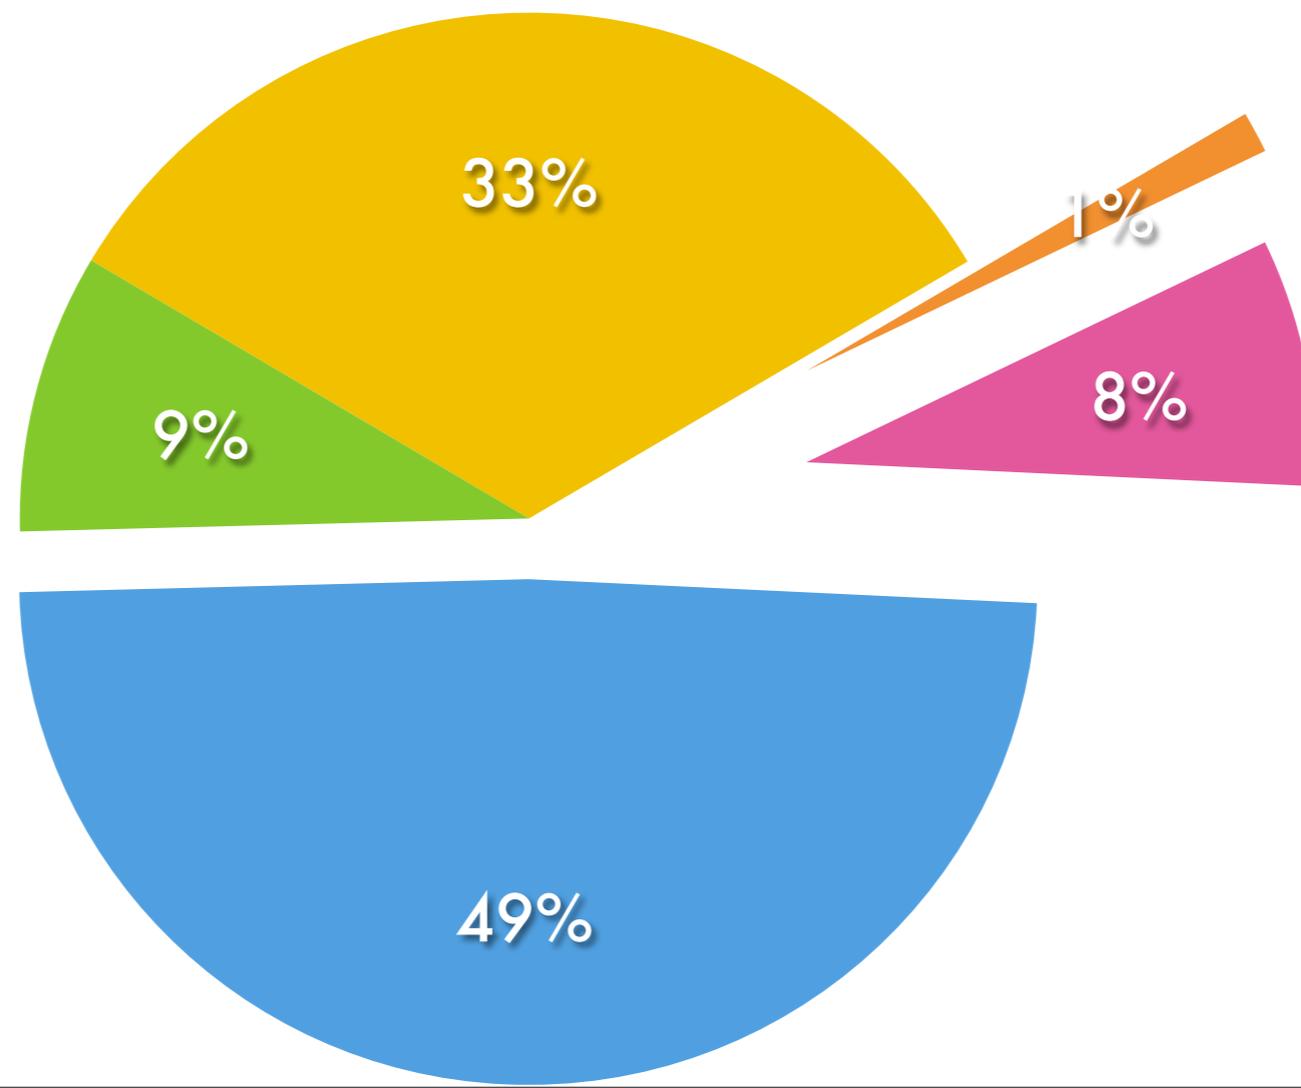

How do you feel about the iclickers at \$20 a clicker?

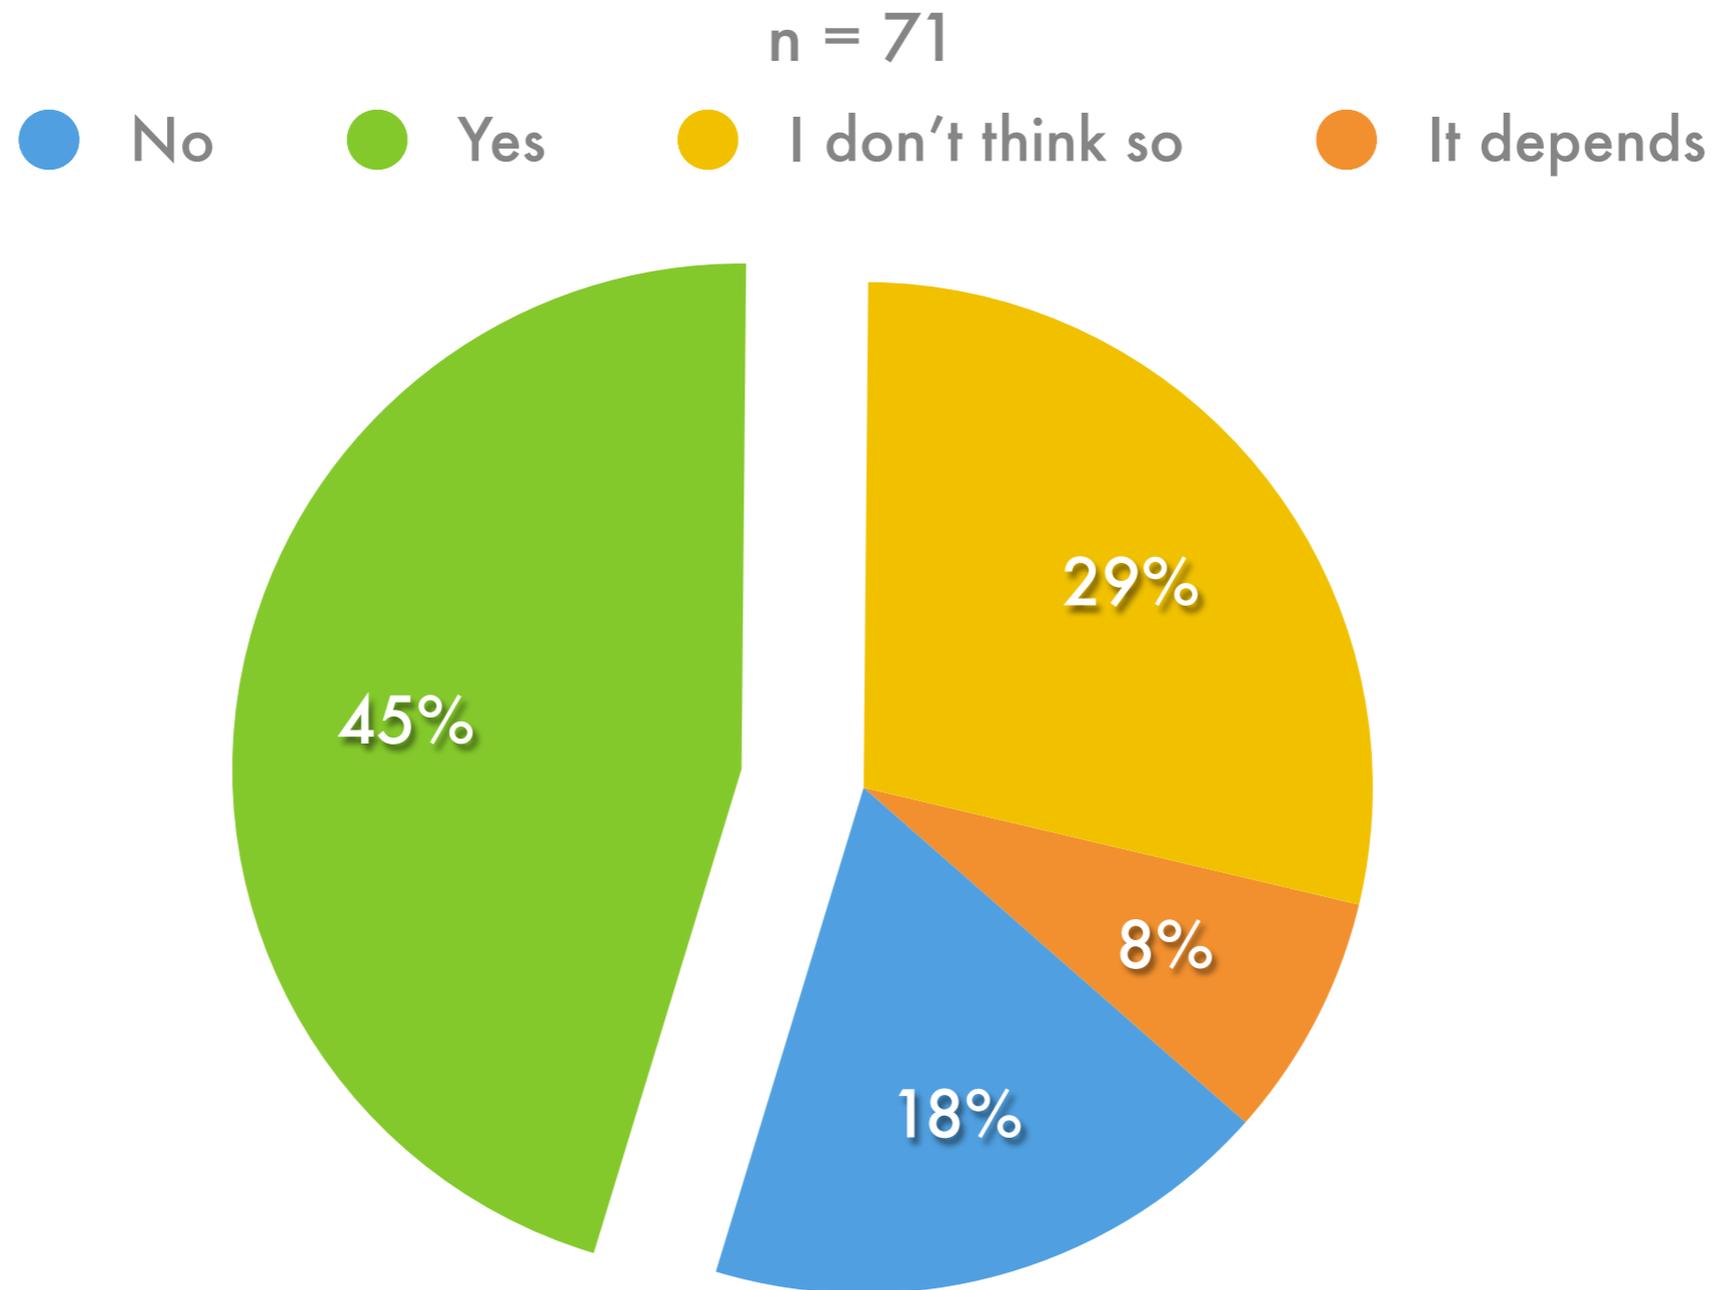

As a student I am willing to:

n = 71

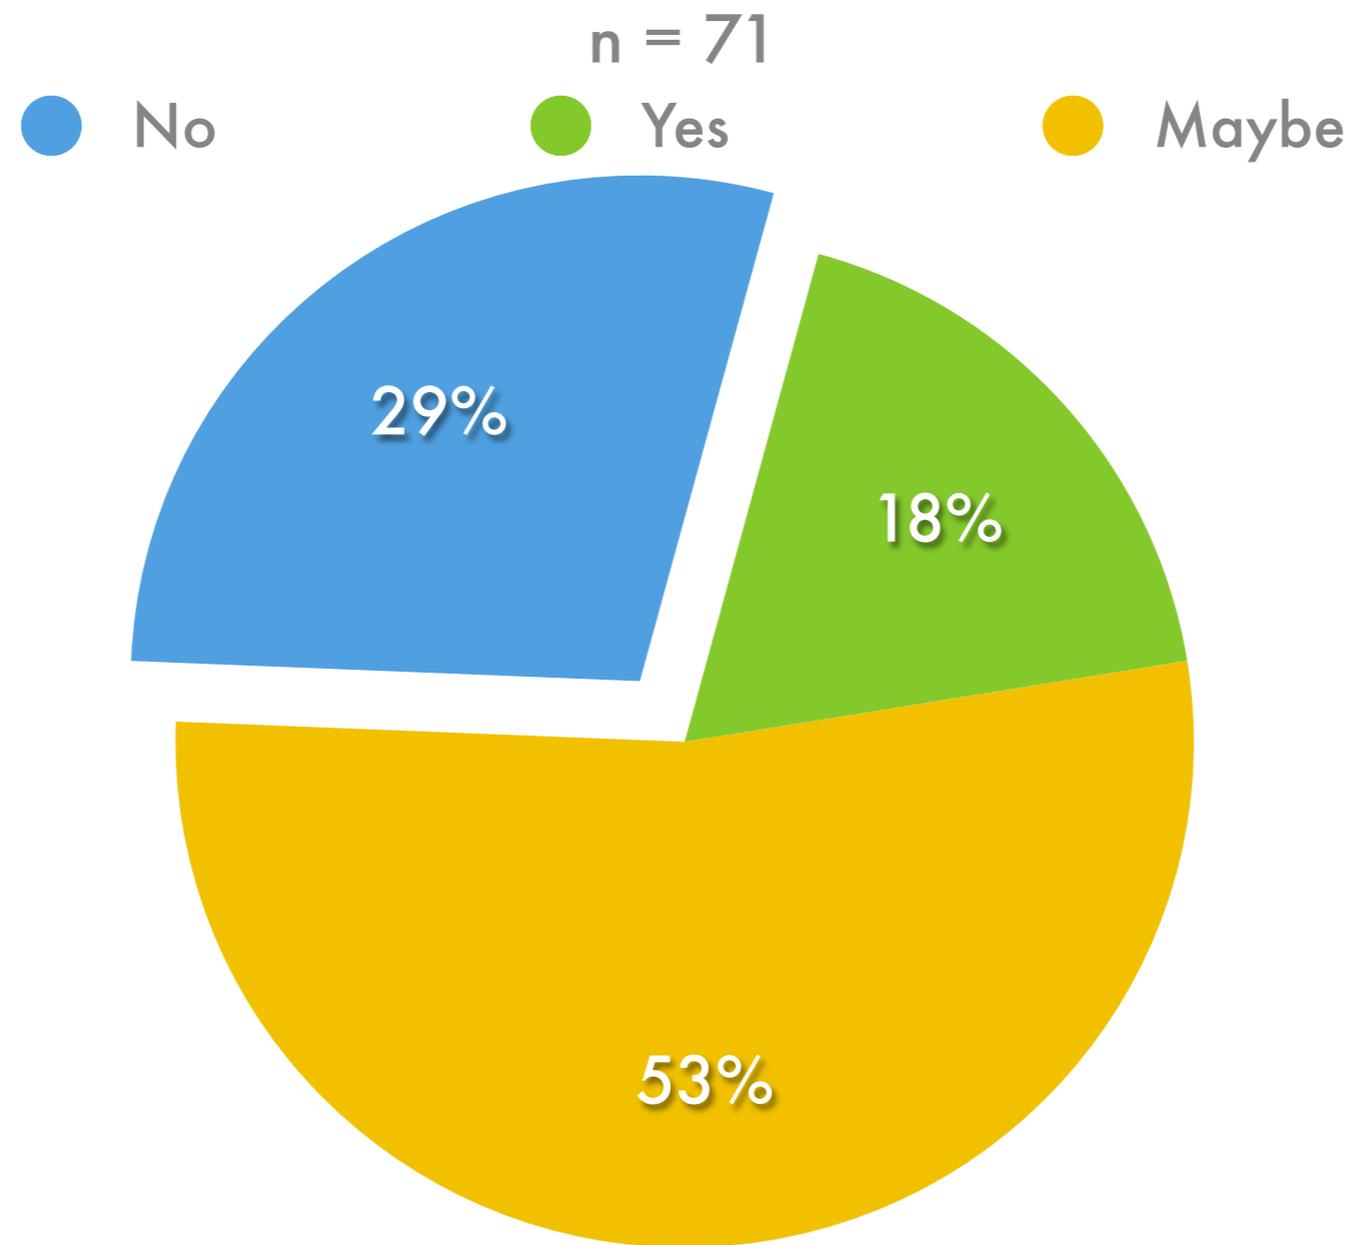

- buy a clicker
- borrow a clicker
- like I have a choice
- lease a clicker
- none of the above

If you forgot your iclicker would that affect your participation?

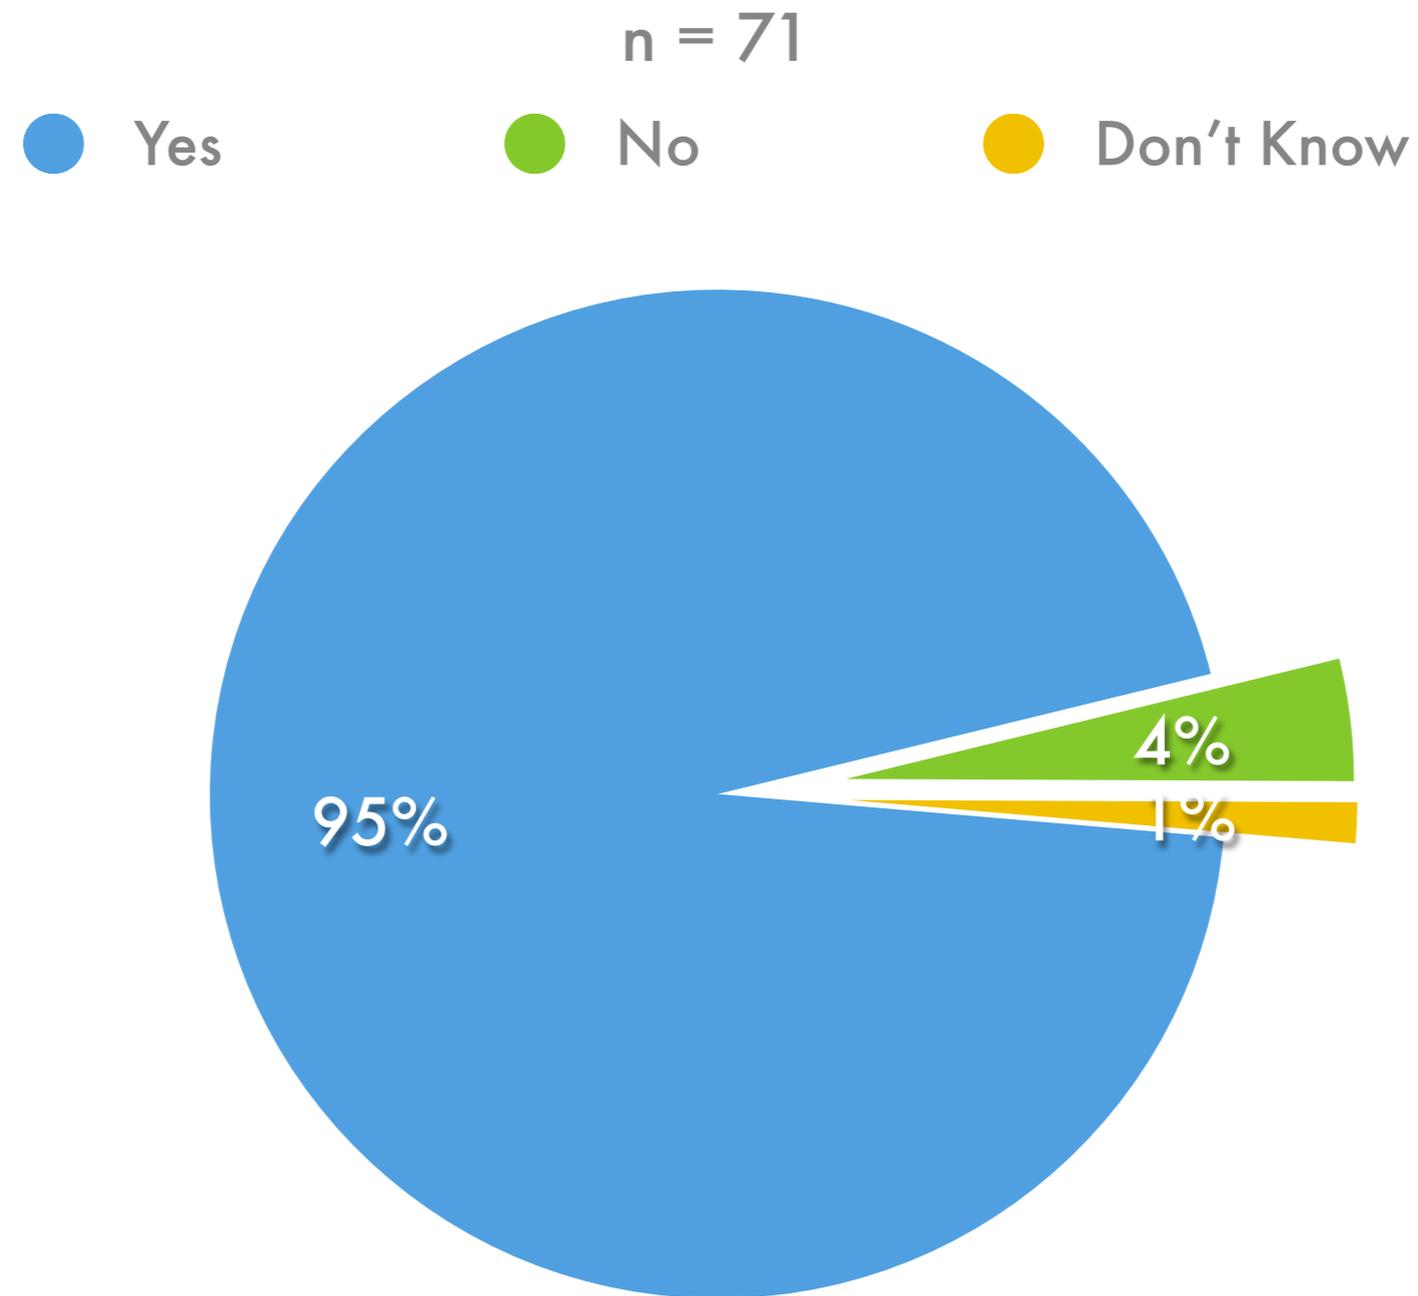

If you lost your iclicker would you be willing to buy another one?

the iclicker itself

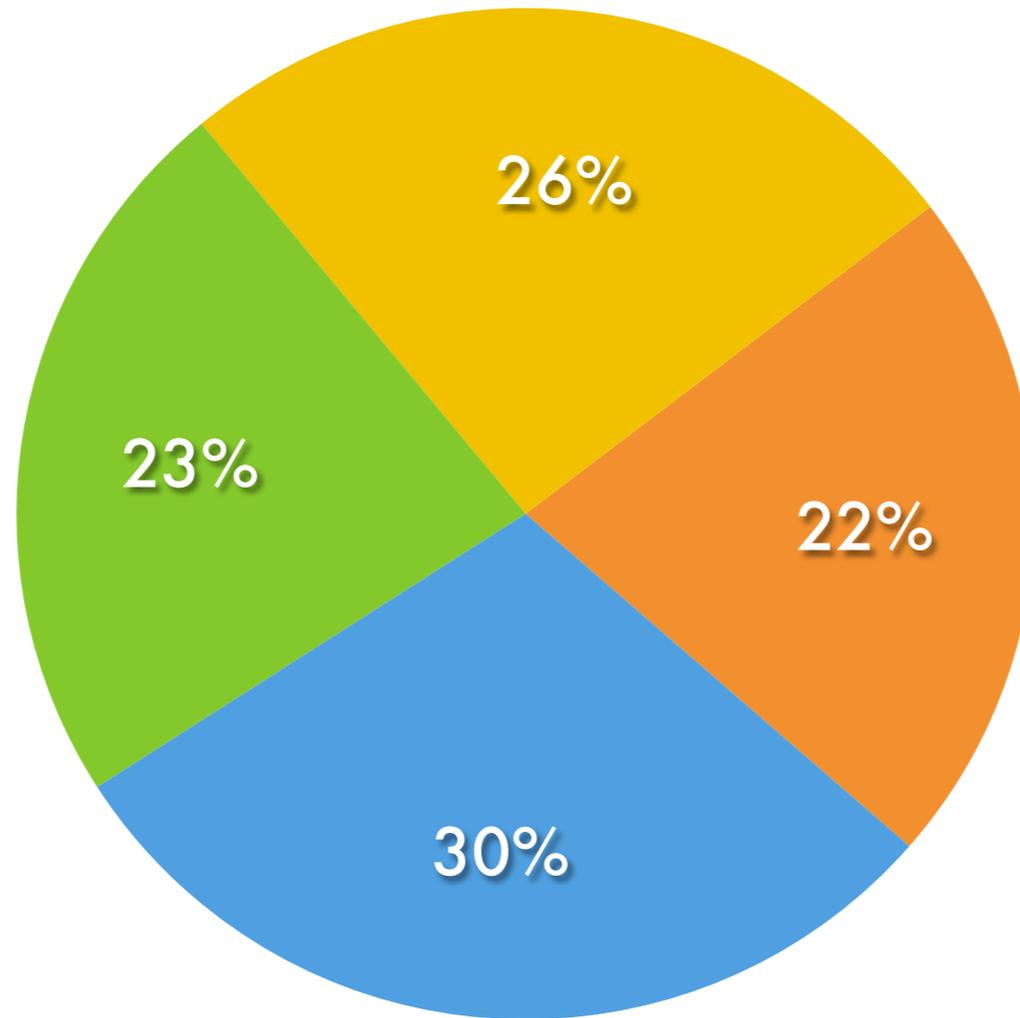

In general, does your iclicker function properly?

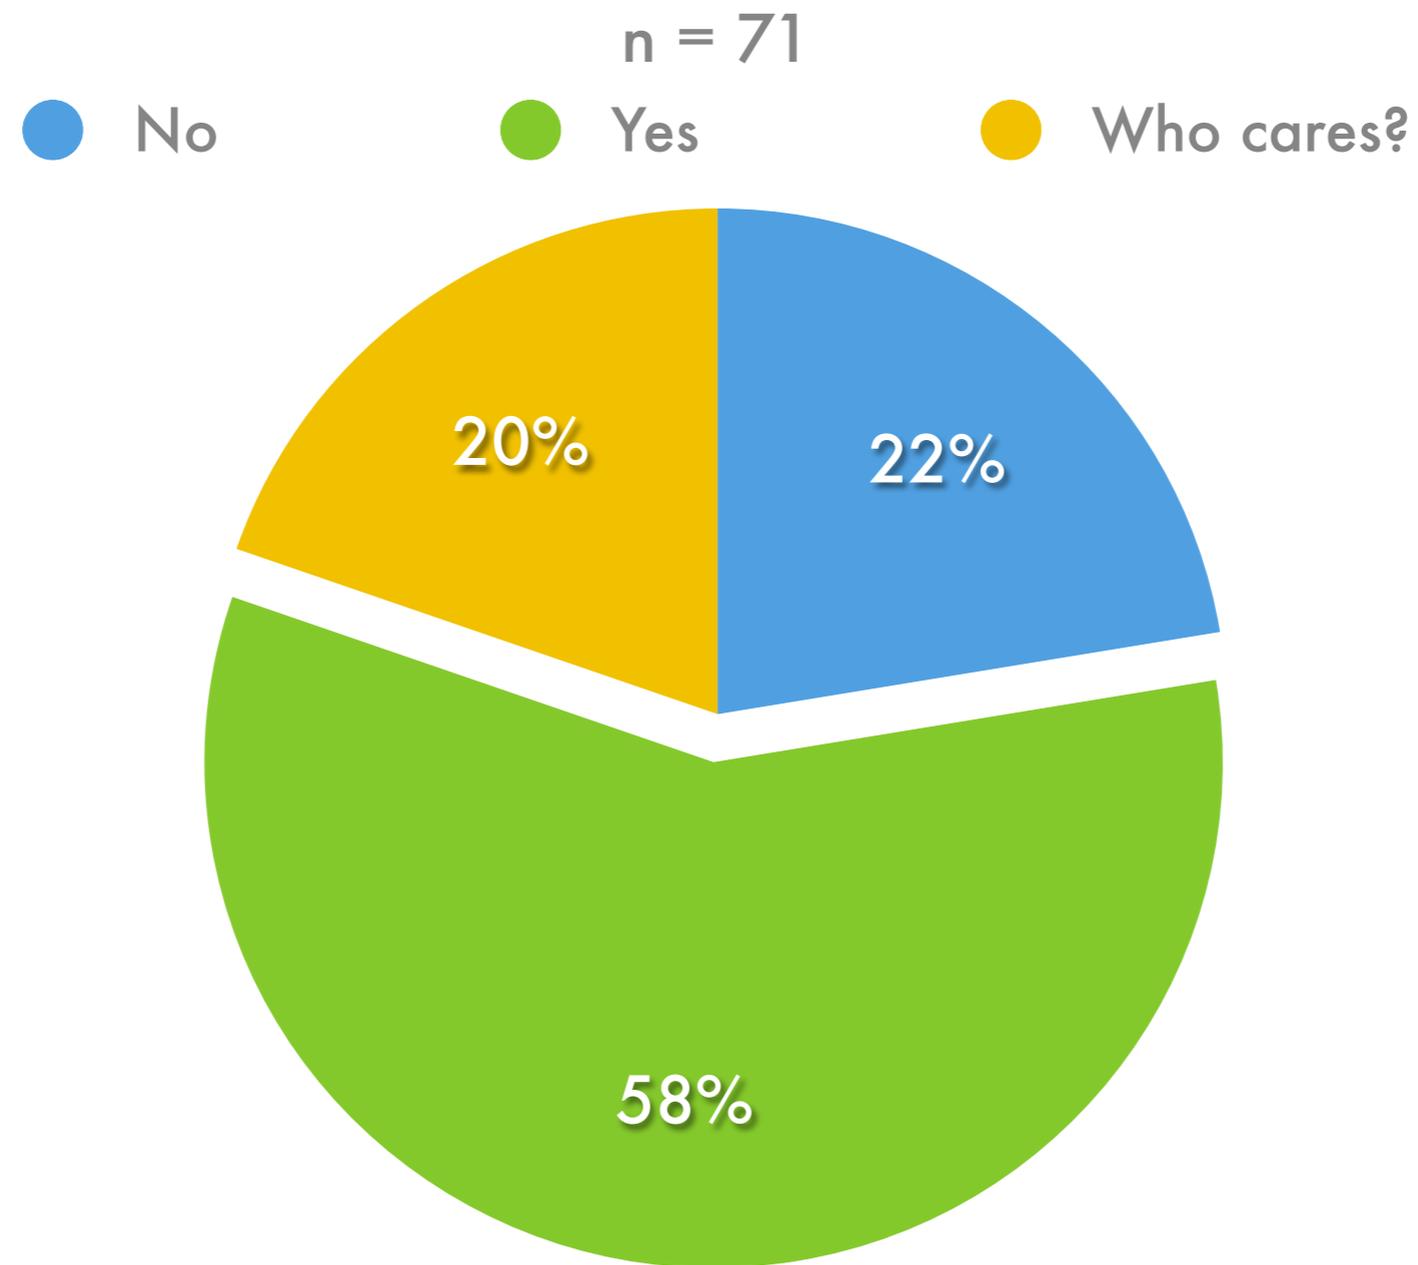

How many times in the last 15 weeks has your class experienced technical difficulties with the iclickers?

n = 71

● Never ● Once ● Twice ● More than 3 times

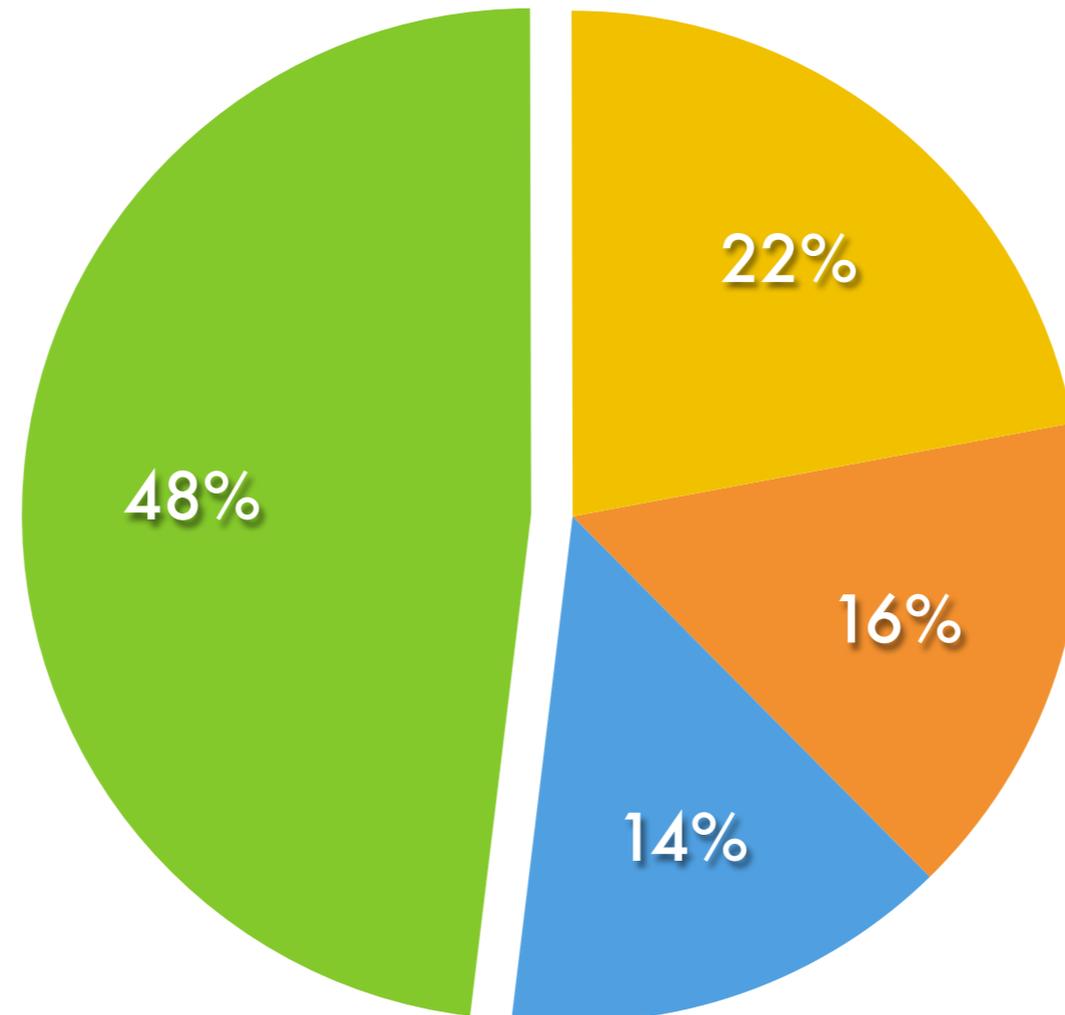

Are iclickers aesthetically pleasing

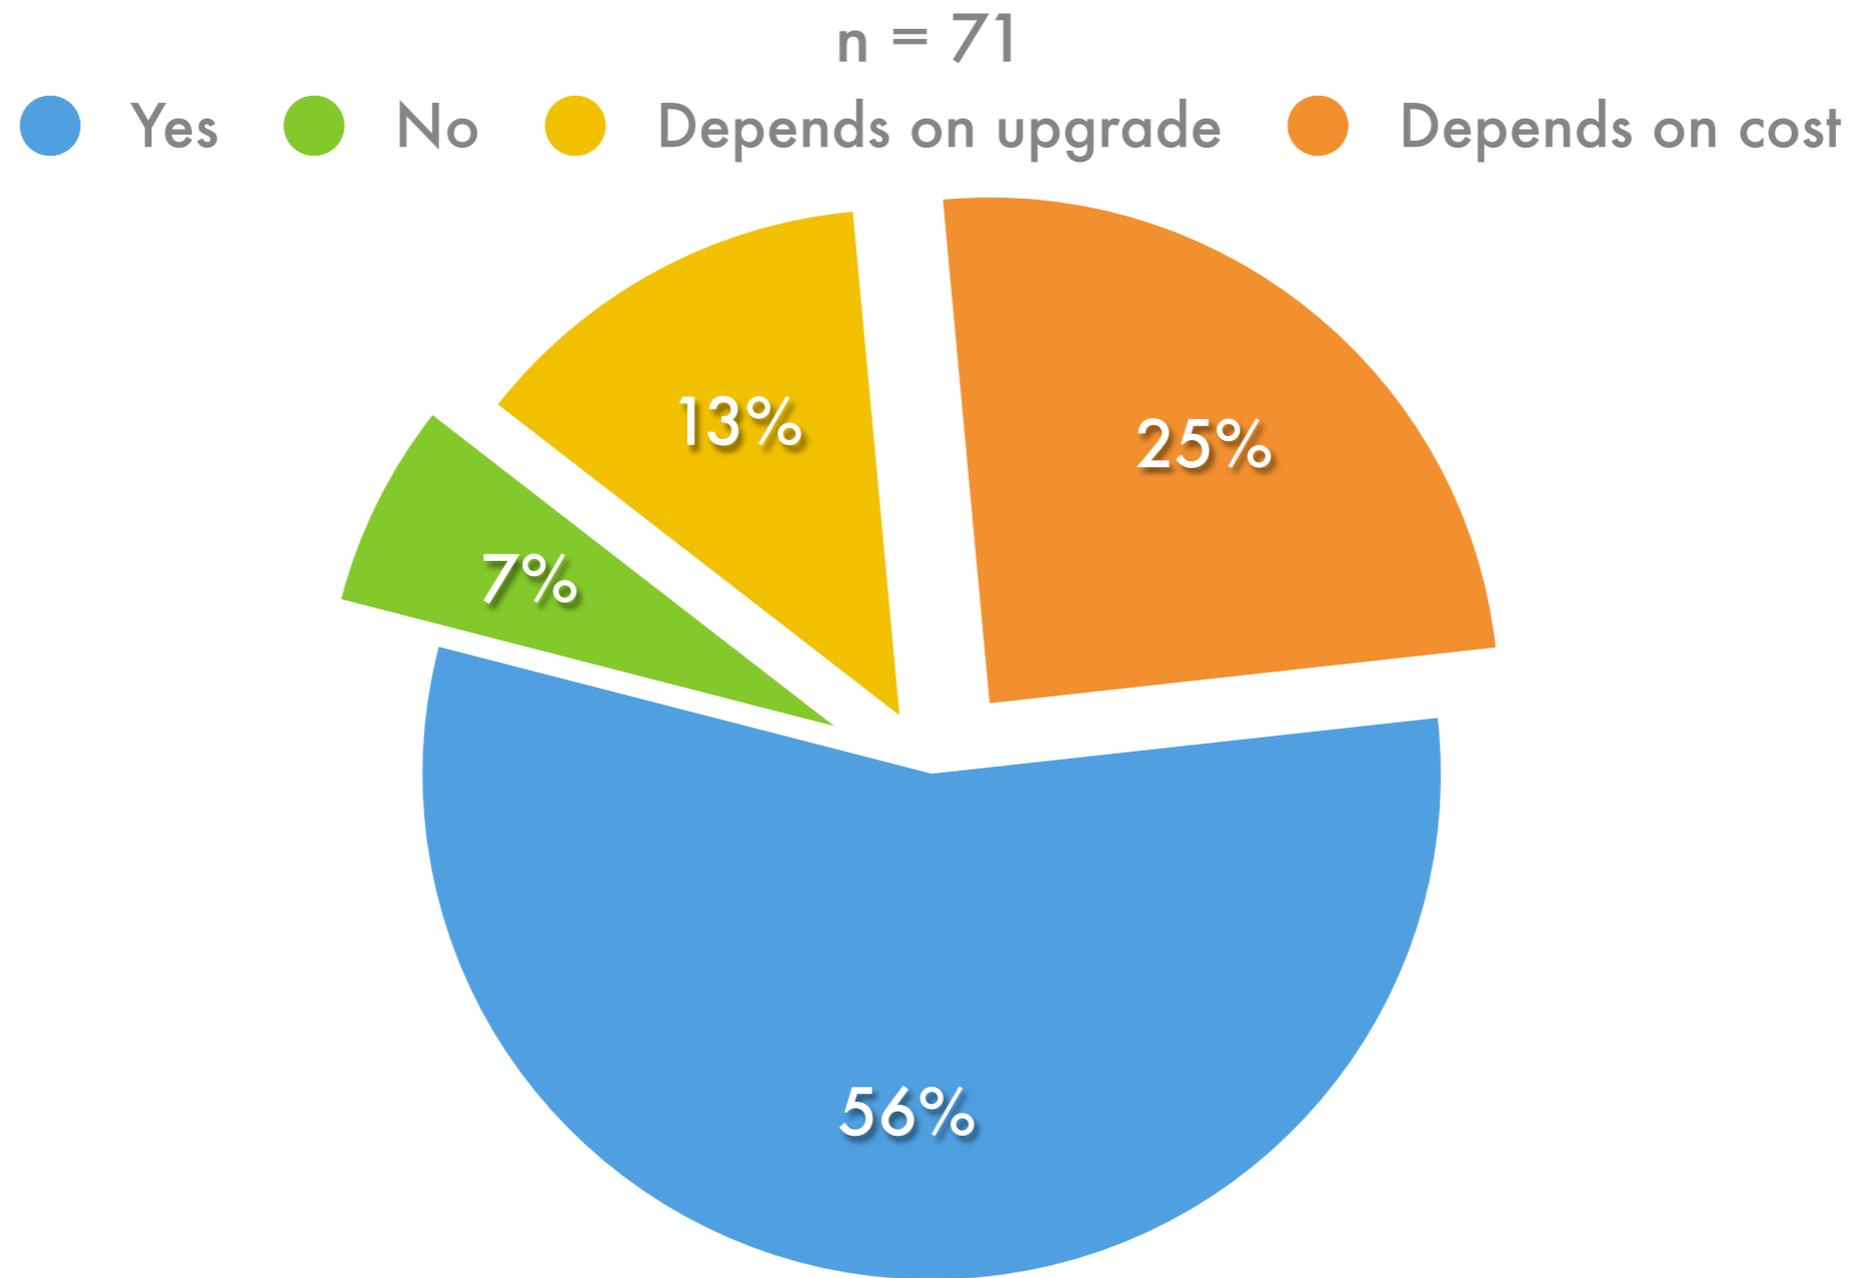

If you could personalize your iclicker would you be more wiling to buy one?

n = 71

- No
- Yes
- Depends
- How much is this going to cost me?

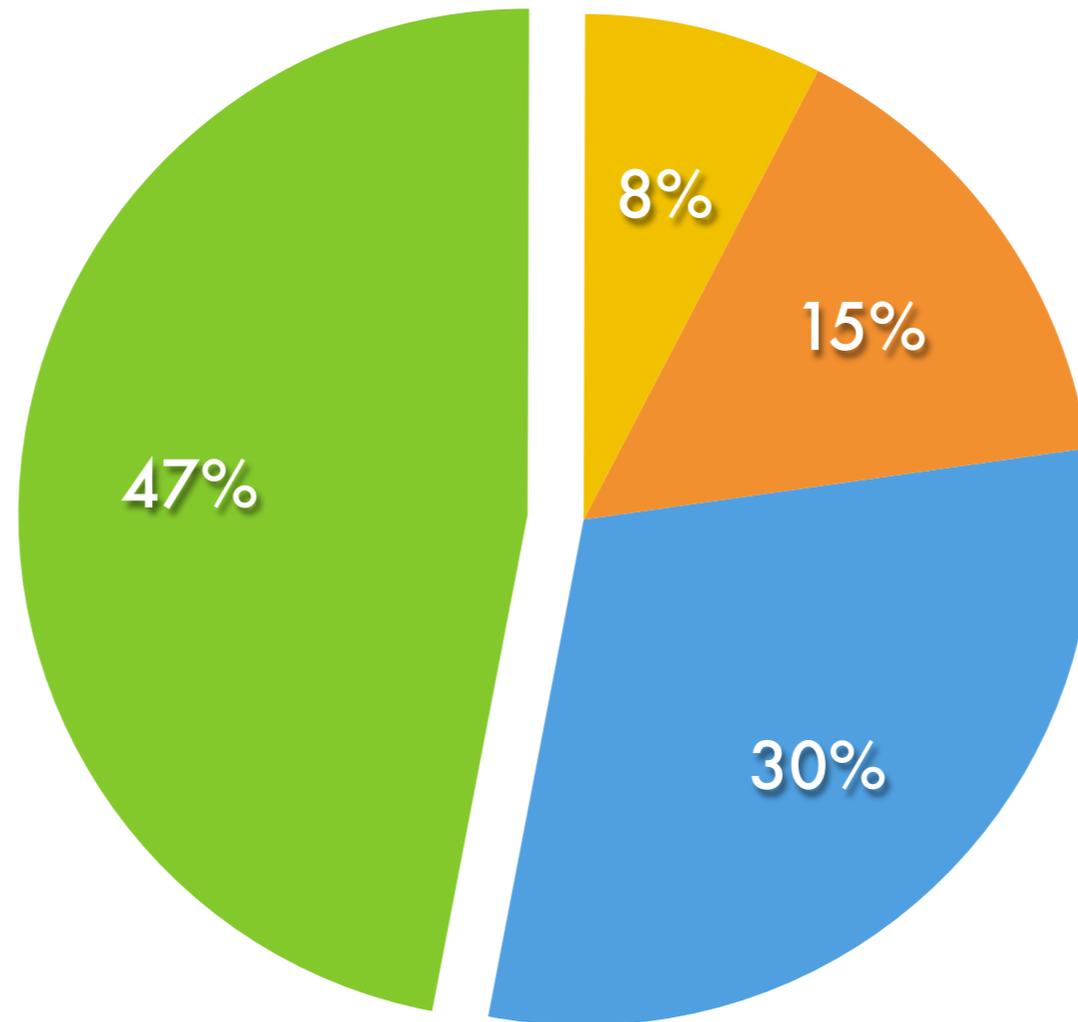

If upgraded versions of the iclicker were available would you be willing to buy a newer model (i.e. with a screen)?

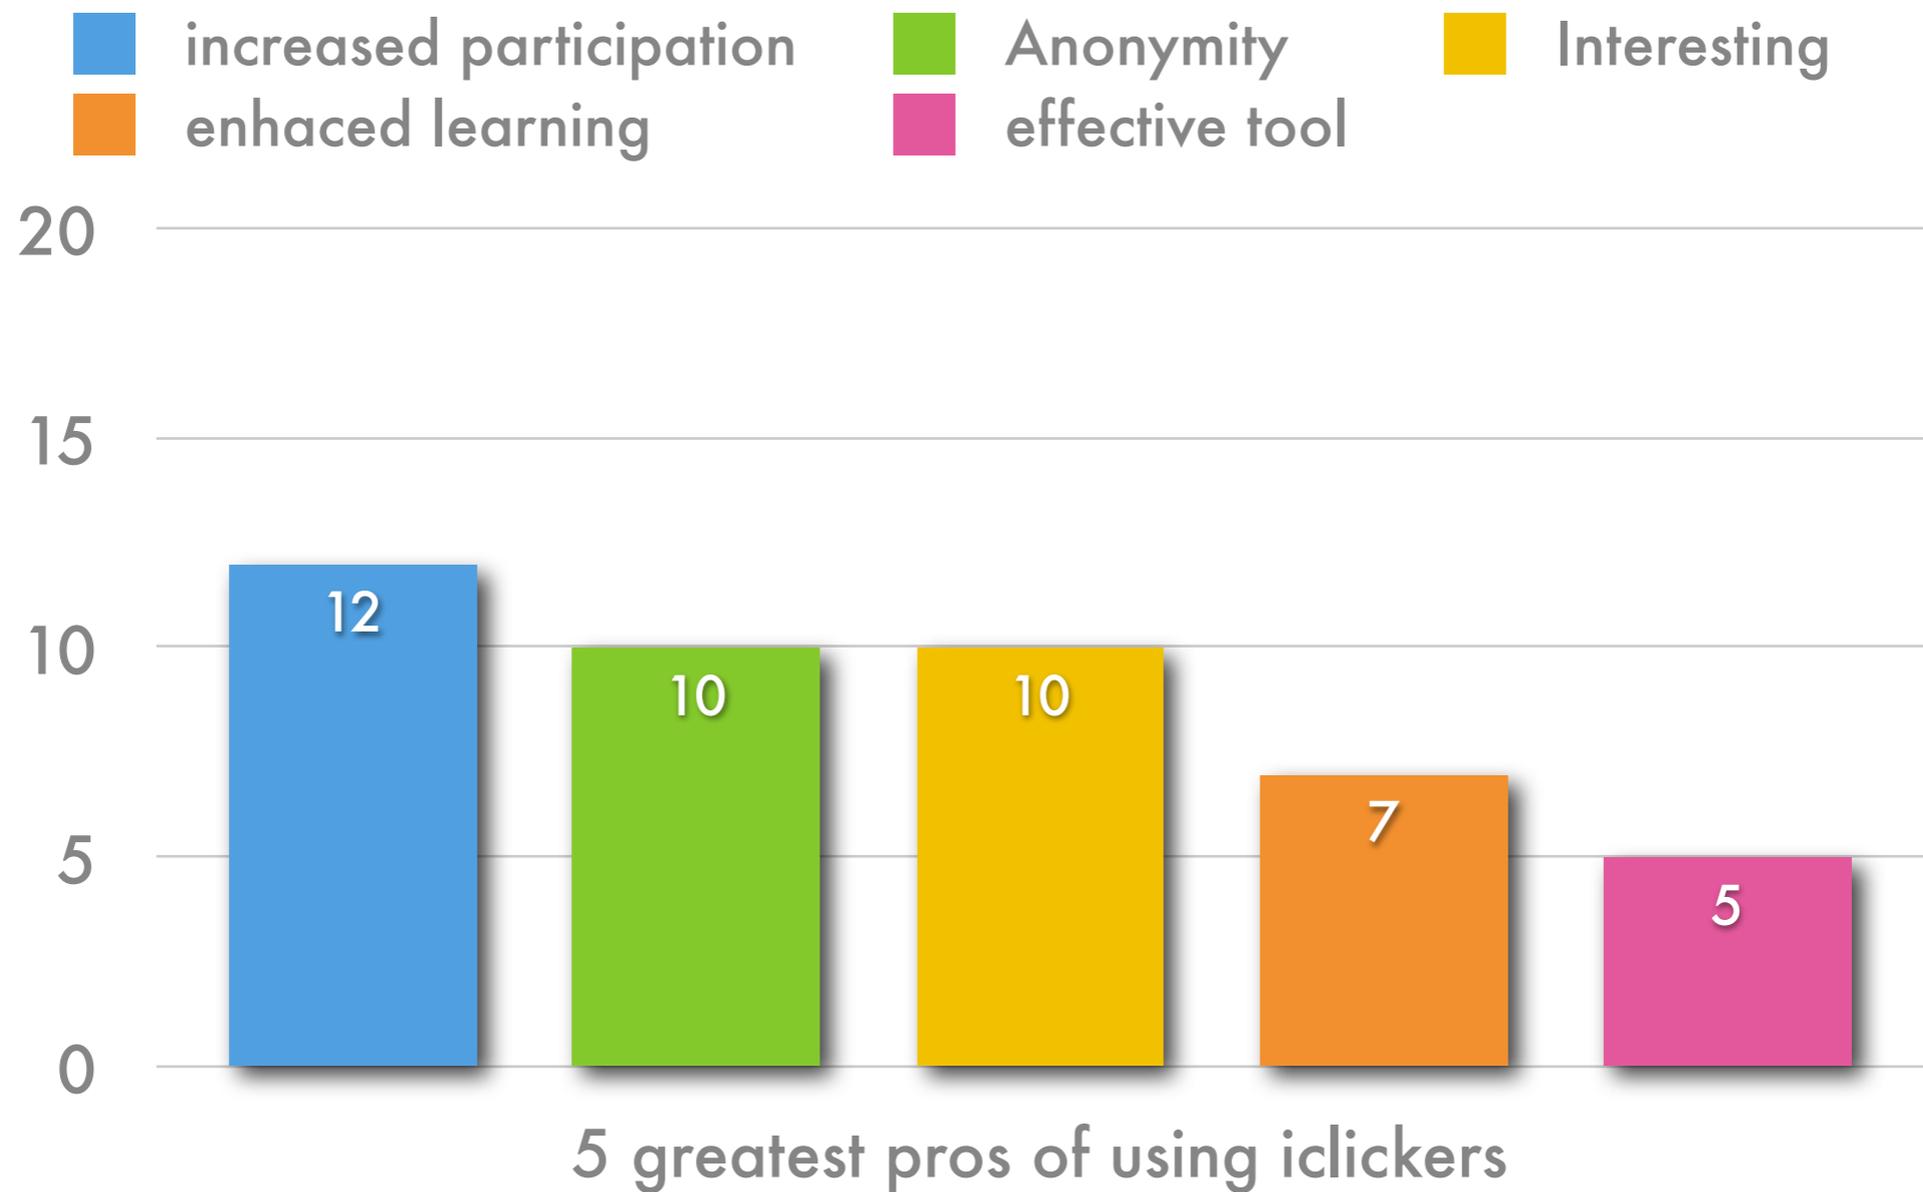

Would you be interested in interchangeable sleeve covers for your iclicker similar to ipod sleeves?

● No ● Yes ● Depends on design ● Depends on the cost
